

~ Open letter to Mrs. Susan Lowe ~

Launceston City Council
Parking meter fines & extortion

Dear Madam,

I have READ your very neat, tidy and comprehensive submission and hereby STATE:

As a 74 year old man of the world from Africa who has seen many things DONE by some to others IN THE NAME OF 'legality' or 'justice' or the queen or the flag, it still amazes me how far a person will GO in order to PROVE their point of VIEW being: Their BELIEF in their RIGHT to *impose* their ideological belief on others by using '*force of arms*' (the gun) as a backup.

In your 'case' you are using *rules* in a book but, the moment you pass the literature to another such as the MPES '*monetary penalties enforcement squad*,' you are in FACT knowingly employing a unit of men who do use *force* backed by guns (police) to collect the PERCEIVED debt, irrespective of whether in fact it is a 'legal' debt within the 'constraints' of the **Constitutional Authority and Powers** granted to 'State' bodies or NOT.

I add, it is regrettable that people born in a 'box' like a 'chicken' in an incubator do not realise that there are very HARD and CRUEL animals who live outside of said BOX, who can and do and will '*crucify*' and thus EAT anyone living in the BOX who FAIL to observe the **RULES of life**. (As you do is done unto you)

If you and yours (others in the box) believe that the 'stamp of approval' by an 'Alderman' upon a 'plan' to **STEAL** money from others is a legitimate basis of living 'way,' then SO BE IT but, - - -

The whole British system from way back became 'boxed' IN similarly, but IT DOES NOT MEAN that the ACTIVITY resulting was *either kind, loving, honourable or respectable*, any more than yours. For yours is NOT. It is *dominating, demanding, forceful, coercive, threatening and punitive*.

Yes, in ye olden days the king or queen placed their *seal* of 'Aldermaniacal' approval upon any pirate ship or 'ship of the line' so that it could go forth 'supposedly' *legitimately* and *pillage* the fleets of others on the ocean and AT THE SAME TIME pulverise them using cannons, and thereby **maim** and **kill** and **burn** or **sink**, and as said, *steal* their goods OPENLY and, - - -

All the silly people on or in said 'box' being the now 'licensed' *Pirate ship* BELIEVED as do YOU, that their *rape* and *pillage* imposed was *legal*.

It is no more legal than yours and, yours is no more legal nor 'legitimate' than theirs was, but as SAID, as you and they were BORN IN A BOX you see not that the 'other' (myself) who lives OUTSIDE THE BOX has a different OUTLOOK and OPINION to which I AM entitled within your OWN 'rules of engagement' BOOK, however, - - -

IF my pen cannot EDUCATE you and you PROCEED with your intended deed to hand me over to the hard, cold and callous wolves who do not stop at anything to attain or obtain their 'feed of the day,' then SO BE IT but, as I am a very far sighted soul indeed I do foresee the end of the road for you personally as well as the one who passed this case to you and to whom I principally wrote.

NONE can hide from the *Law of the Sovereign Authority* say I, because I am His spokesman and *He* & *SHE* guide my PEN.

"Do what thou wilt" is the *Law of the Beast* and you are 'anticipating' overriding my belief by 'exercising' one or more *rules* (lines of text) in your own books to accomplish what to ME is '*coercion and EXTORTION*.' According to my 'book' there is not ONE *rule* of 'yours' which applies to my life.

Regrettably ALSO is that written within the rules or powers granted by callous, arrogant and ignorant legislative 'idiots' to the MPES, who now have the right to even deny me (and others) a 'hearing' within your court system within which I and others would be able to prove our "side" if the magistrate was *honest*.

Note: The 'gov' debt collection agency state the following 'options' available to their 'victim':

17. Options for dealing with infringement notice issued by fee-paying public sector body
- (1) A person who is served with an infringement notice that was issued by a fee-paying public sector body must, within the period allowed on the notice and subject to subsection (6), do one or more of the following:
- (a) pay the monetary penalty in full to the issuing authority;
 - (b) apply to the issuing authority for withdrawal of the infringement notice;
 - (c) apply to the issuing authority for a variation of payment conditions;
 - (d) lodge with the issuing authority a notice of election to have the offence or offences set out in the infringement notice *heard and determined by a court*.
- (2) A fee-paying public sector body may approve or refuse to approve an application under this section and must notify the alleged offender of that approval or refusal.

The reader may 'note' that 'Council' officials may REFUSE to permit their victim a 'hearing' in a Court of Law.

It follows that the 'cries or pleas' of their victim may be UNHEARD even though they may NOT be 'guilty' of any offence under ANY State or Council 'Act' due to HAVING *immunity* within the *Freedom of Religion* Clause of the Constitution which is revealed herein and, -

As it is incumbent upon every Magistrate to ENSURE that the 'laws' used to punish people ARE in compliance with the Australian Constitution, it follows that the **enforced punishment** of a person who is a person who is NOT 'guilty' within the Acts of the Constitution means, that those who denied them the opportunity of being heard OR those who overrode their 'pleas' of 'innocent' are themselves guilty of **Treason** and **Anarchy** for operating outside of the Authority granted unto them by the Constitution AND their Creator.

I KNOW and ADVISE YOU that if you decide to give me a "body blow" to keep me "in line" with your BELIEF & POLICY, that in fact, within the Law of *Energy*, your complicity to my **pain** or **loss** or **suffering** would RETURN upon your head another day. Hence my very *kindly letter* to you hoping that you do not be the ONE who is the 'signatory' to my demise, for ignorance is not *bliss* say I.

Dear lass, you and all state employees are bound by UNCONSCIONABLE rules and are paid a wage to so BE. That dear lady is your choice, but I choose to heed **God's** VOICE and NOT give in to the extortionists **demands** even though to the extortionists they appear to be '*legitimate*.'

As I AM a man of *peace* who would NEVER send any other into the arms of a collection agency for any reason, I cannot use *force* to oppose you or them. So you can do whatever you are inspired to and I will "cop" whatever comes to me but, - - - I will never pay a *fine* (ransom) to remain free, for in God's eyes I would be complicit to funding "**buggery and extortion**" of money from others in the community.

Please do NOT be complicit to my "**crucifixion**." Please NOTE that within the 'Freedom of Religion' clause of the Tasmanian and Australian Constitution and by my God-given birth right I AM entitled to live by my own *conscience* and no laws, or edicts, or rules of man or state or council apply to me or anybody who as me is an *absolute pacifist* and who is not disturbing the peace of the land.

Men once elevated into positions of '*service & trust*' have for 'ages' of time followed the **FALSE** belief that they have the right to raise up 'text' DOCTRINE that they name 'the law,' and then using 'armed' **POWER** and other men as their 'judges' they **FORCE** God's children to 'bow' to said 'decrees' or be 'condemned' and **punished, ostracised, banished or killed**.

The ONLY 'dictatorial' RIGHT bequeathed unto man is for the individual (you or I) to dictate our OWN personal code of conduct 'policy,' and God will be the 'Judge' as to whether or not IT is in 'accordance' with and in conformity to HIS:

"Go your way in peace & be loving & merciful & compassionate & forgive others & do not disturb the peace of the land" Command Decree and, HE will 'settle' the matter according to HIS Law.

I cannot fund your **iniquity** of 'belief' **imposition** upon others nor myself, and I cannot condone, fund, nor support you, for THAT would mean that I was unfaithful to God and to my **conscience** and, - - -

I would be complicit to all the 'injury' and **control** that your institution imposes upon others. Try and understand that GOD already 'dictated' the benign CODE OF CONDUCT policy to be adhered to by ALL, which I personally now 'reinstate' so that a 'few' will avoid HELL'S gate.

IF you truly believe that YOU, your 'badge of office' and Institutional 'rulings' can 'legitimately' override the Command of God then it is you to place your own soul within the punitive/suffering aspect of the precepts of God's Law for your defiance of His Command.

It is pure **iniquity** and a **treasonable** 'offence' to **force** people to 'bow' to your 'beliefs' using legislation, be they supposedly legitimate 'decrees' or otherwise. You believe in the use of **force** & 'War' and I hold the opposing belief in absolute '**pacifism**' and **PEACE**.

Contrary to your 'belief' please TRY and understand that as YOU are not 'God,' I thus do have the GOD given 'right' to conduct my 'affairs' according to my 'belief,' being that God's "*Peace & love*" Command stands above YOUR belief, and I will conduct myself accordingly.

I do not even need the Australian Constitution to 'back up' my beliefs, for even if 99.9999% of the population 'vote' on a subject matter which is NOT in '**respect**' of God's Command above, then I have NO need to 'bow' to that majority result and only so do if IT 'fits' with MY **conscience** and I thus agree with IT.

My 'outreach' letter was and yet IS a **courtesy** 'call' to YOU and everyone who is **defiant** of God, and the fact that that 'precedent' has been in 'vogue' for centuries does not make IT **right**.

It is **THE LIGHT of God (She)** who is inspiring my 'work' with **Her Wisdom**, and it is **SHE** to now set 'The Pace' and **THE WAY** ahead for humanity, not any

mortal beings in official positions of power, and **She** 'advocates' nullifying ALL past **orders, rules, decrees, acts** which are **controlling** and **punitive** and IN CONTRAVENTION OF **Her** Command.

In reference now to your words < *Council issues delegations to officers under legislation,* > Please try and understand that legislation may very well delegate instructions TO council officers such as yourself, but it is YOU the individual who takes it upon yourself to instigate an ACTION against a member of the community for the sole purpose of *extortion, impoverishment, loss or injury by form of punishment.*

In fact being a very **unfriendly, unkind** and '**injurious**' ACTIVITY which is in contravention of the Command of God, and it is also an **ILLEGAL** activity within the precepts of the Constitution of Tasmania & Australia and thus a **TREASONABLE** activity against a **peaceful** person who has NO 'agreement' with your 'Council' nor the State Authority.

Commonwealth of Australia Constitution Act (9th July 1900) section 116

"The Commonwealth shall not make any law for establishing any religion, or for imposing any religious observance, or for prohibiting the free exercise of any religion, and - - -

Constitution Act 1934 (Tas)

This document includes a legal guarantee of the religious liberty and equality of Tasmanians. Every citizen is guaranteed freedom of conscience and the free exercise of religion under Section 46(1) of this Act.

Part V - General provisions Religious freedom

46. (1) Freedom of conscience and the free profession and practice of religion are, subject to public order and morality, guaranteed to every citizen. -

(2) No person shall be subject to any disability, or be required to take any oath on account of his religion or religious belief -

Note: Australia's own Macquarie dictionary – page 835 (Compact version)

Religion = - - - - the quest for the values of the ideal life - - - the ideal, the practices for attaining the values of the ideal, - - -

A system of belief in the worship of a supernatural power or God' or the recognition by man of a superhuman power entitled to obedience, reverence, and worship.

Religious = - - - - scrupulously faithful, pious, devotion - - -

This means that ones 'religion' is not any named 'Church' organisation, but it is the policy of ones daily code of conduct interaction with other children of God.

The question is 'What is religion?'

Justices Mason and Brennan in a joint judgment, stressed the importance of the case in determining fundamental questions of religious freedom in Australia and the extent to which [an individual is free to believe and act without legal restraint](#).

Justices Wilson and Deane stressed the need to match the evidence of the beliefs in question with the five or six main characteristics of the world's major religions.

Justices Mason and Brennan said, "Freedom of religion, the paradigm freedom of conscience, is of the essence of a free society. The chief function in the law of a definition of religion is to mark out an area within which a person subject to the law [is free to believe and act in accordance with his belief without legal restraint](#)."

The definition affected the operation of the religious-freedom guarantee under the Constitution and many other laws granting religions special benefits.

The question of religion had received little judicial attention in Australia; it was time to grapple with it.

"Protection is accorded to preserve the dignity and freedom of each man so that he may adhere to any religion of his choosing or to none," they said. "The freedom of religion being equally conferred on all, the variety of religious beliefs which are within the area of legal immunity is not restricted."

The judges stressed the [importance of the actions](#) of the adherents rather than the dogma itself.

NOTE: Freedom of religion applies to the INDIVIDUAL, not the organisation. The organisation has no 'conscience' as IT is simply a name given by men to an 'umbrella' and as all can now see, the many persons living under said umbrella can all hold different ideological 'views' and some are peaceful and others are warlike.

I wish to advise you 'formally' that I believe your 'threat' of **punishment** and or **incarceration** is [intimidating](#), and is an **unlawful** [invasion](#) of a person's state of mind and emotions, as well as an 'act' of religious **persecution**.

Madam, it appears to me that many politicians, officials and magistrates have taken it upon themselves to totally ignore the God given [rights of mankind](#) to follow God's Command and have God as their **Sovereign Monarch**.

Many also seem to 'assume' they can ignore their own Constitution which clearly sets out the mandate in the **right** to "Freedom" of "Religion." Please now try and see that any person who continues to ignore the Constitutional right to freedom of religion through their vanity or ignorance is a person who is factually '**guilty**' of '**insurrection**' and can be said to be **inciting civil unrest** in the community.

I am advised by THE AUTHORITY that: There is now to be a "No tolerance" attitude taken towards anyone of the public or any state official having any racial prejudice or religious INTOLERANCE.

I am advised by THE AUTHORITY that: Any 'official' or person inciting civil unrest in matters pertaining to the Constitutional "freedom of religion" Act will be very harshly dealt with.

I am advised by THE AUTHORITY that: Any 'official' or person found disturbing the peace of the peaceful for any reason will be very harshly dealt with.

I am advised by THE AUTHORITY that: Any 'official' or person unlawfully interfering in the lives of the peaceful for any reason will be very harshly dealt with.

I am advised by THE AUTHORITY that: Any 'official' or person found to be carrying out any unlawful arrest – transportation – detention or punishment due to their disregard of the religious beliefs of others not disturbing the peace of the land - will be very harshly dealt with.

Added deep spiritual Truth note: Further to that said above, there are two 'types' of people who are living in the BOX of 'society,' being those **kind and caring** and other **cruel and callous**, but both are IGNORANT of the FACTS 'governing' their conduct for all rely on **RULES** to guide them, being the **rules, acts, decrees** of MEN.

Presently, none of 'you' living in the 'box' can see outside its 'borders' but I CAN and I SAY that outside of its borders are ALSO men & women like ME who ARE **'pure of soul'** and spiritually **FREE** existing in the **Light of Heaven** but, - - -

There are ALSO OTHERS who have souls as **DARK AS NIGHT** with extraordinary **devious** and **destructive** mental **powers**, and these spirit beings exist in distant lower REALMS of consciousness far, far from the **Light** but ARE seen by ME, and it is of their EXISTENCE that mankind on this level of consciousness is now **WARNED** of by ME.

Why? Because they ALSO are NOT as you 'ruled' by rules for they of 'rules' are FREE as me BUT, - - - their minds are NOT inspired by **SHE** the **LIGHT OF GOD** for they are bound by the 'devilish' **DARK POWER** (God's) forceful destructive ENERGY.

Within their souls is a 'volume mass' of **Dark Energy** at least a million more times than what you have within you, (negative emotions) and they soon now will RAISE their 'hand' and VOICE against ANY (in a box) who by THEM are FOUND **defiant** of the Command of **SHE** the **Light**, for **HE** the **DARK** 'devilish' **POWER** is their overlord and is soon in the manner revealed by ME to 'unleash' and 'release' THEM to **HUNT DOWN** as said, - - - ANY defiant of **SHE**.

So the 'how' that these invisible 'trillions' of VERY powerful forces can and will DO their 'beastly' ACTS is TELEPATHICALLY, as they **seize more and more control** of the 'open' minds of vain or arrogant or ignorant mortals and regrettably for YOU, they ALSO 'act' outside any books of rules and already they have great power over the minds of mortal man as you should BE able to SEE. (Armageddon of the MIND is to bring down every society)

It is obvious to me for your 'system' of government already 'ignores' ITS given authority and 'usurps' the Constitutional Authority **TREASONABLY**.

I AM on earth to ADVISE everyone that 'scripture' was contaminated and man **'Wrested IT unto his own spiritual destruction'** in funding the 'Caesar' style **war effort, control, interference, subjugation, punishment and killing** ways of the IGNORANT, who ALL now are **'merciless, dispassionate and unforgiving'** and ON the wide road to Hell for their defiance of their God.

My personal religious 'ideal' or ideology is that of *absolute pacifism* at all times and in all situations because that is the requirement of the Creator God according to my belief, and to that 'end' I am faithful because God commands man to:

"Go your way in peace and love one another and BE merciful, compassionate and forgiving," and as God is my chosen 'Monarch' I can never 'vote' for any man to rule me nor to be my 'ruler,' for IN MY OPINION that role is God's prerogative only.

Be advised that NO person is above 'reproach.' I add; no mandate nor 'badge' nor position of 'office' voids or nullifies God's immutable **Law**.

I can ASSURE you that a 20ct parking fee **DEMAND** can lead a soul INTO eternal damnation IF they continue to live in a BOX and ARROGANTLY **pursue** the **peaceful** as DO YOU.

In **Truth**, a **genuine** 'local council' body would NOT have any political 'overseers' ruling everyone with their decrees issued from 'far away,' and as a **local benign community effort** all would work towards **peaceful education** rather than **punishment** and **subjugation**, and all community members would be taught to fortify their minds against the 'advances' of Dark Powers using my 'Star Prayer meditation' technique.

As I AM 'unarmed' and your officers ARE backed by politicians and their '**force of arms**' forces, you do 'hold' the 'apparent' UPPER HAND and all I can and now have DONE is my **VERY BEST** to **enlighten your MIND**. I leave the rest to YOU.

In all sincerity

Terence – the Spirit of Truth
