To: Mrs. Cheryl-Lea Field,
 The Deputy Commissioner of Taxation, the 'Team' & humanity.

Dear Madam,

I refer to your letter 19/04/2013 to Mrs. Barnes enclosing a copy letter dated 14/6/2012 detailing estimated tax administrative and **punitive demands** totaling \$33,095.10 and the proviso of an added 75% **penalty** for non settlement within the stipulated time frame.

I wish to advise you that even though you are working for an organization you are personally responsible for any outcomes resulting from your personally 'signed' **DEMAND NOTICE** because, not only is it an **intrusion** into the life of another person thereby **disturbing their peace** and causing mental and emotional **trauma**, which is in contravention of the '**Standard**' required by the Constitution of the land, but it is also a contravention of **God's** Command:

"Go your way in peace & love one another & be merciful, compassionate & be forgiving & do NOT disturb the peace of the land" and,

In ANY case 'our' client Mrs. Barnes has in the past advised, and now again advises you, that she is NOT a Person liable to be **TAXED** due to her '*belief, her conscience and her religious ideology*' that being the ideology of *absolute pacifism*, and this belief is totally CONTRA to your own ideology and,

She has **IMMUNITY** from **taxation** and **persecution** within the **Freedom of Religion** Clause of the land and, ONLY if you and your 'organization' has and 'shows' her a High Court ruling 'nullifying' the "Freedom of Religion" clause of the Constitution will she even 'consider' your demands as such. The reference for her understanding of the 'immunity clause' is set out below:

Commonwealth of Australia Constitution Act (9th July 1900) section 116

"The Commonwealth shall not make any law for establishing any religion, or for imposing any religious observance, or for prohibiting the free exercise of any religion, and - - -

Constitution Act 1934 (Tas)

This document includes a legal guarantee of the religious liberty and equality of Tasmanians. Every citizen is guaranteed freedom of conscience and the free exercise of religion under Section 46(1) of this Act.

Part V - General provisions Religious freedom

46. (1) Freedom of conscience and the free profession and practice of religion are, subject to public order and morality, guaranteed to every citizen. -
 (2) No person shall be subject to any disability, or be required to take any oath on account of his religion or religious belief -

Note: Australia's own Macquarie dictionary – page 835 (Compact version)

Religion = - - - - the quest for the values of the ideal life - - - the ideal, the practices for attaining the values of the ideal, - - -

A system of belief in the worship of a supernatural power or God' or the recognition by man of a superhuman power entitled to obedience, reverence, and worship.

Religious = - - - - scrupulously faithful, pious, devotion - - -

This means that ones 'religion' is not any named 'Church' organisation but it is the policy of ones daily code of conduct in their interaction with other children of God.

Please try and understand that legislation may very well delegate instructions TO Taxation officers such as yourself, but it is YOU the individual who takes it upon yourself to instigate an ACTION against a member of the community for the sole purpose of *extortion, impoverishment, loss or injury enforced via some form of punishment.*

If looked at factually your 'action' is in fact an **unfriendly, unkind** and **'injurious'** ACTIVITY which in itself is in contravention of the Command of God to be always *peaceful, loving, kind and merciful.*

Further it is also an **ILLEGAL** activity within the precepts of the Constitution of Tasmania & Australia and thus a **TREASONABLE** activity against a *peaceful* person who has NO 'agreement' with you or your 'office' stating that she 'agrees' to your 'enforced policy' and ideological stance. (Religious belief)

Furthermore, within the authority granted by Tasmanian and Australian Constitutions, any subsequent RULING or ACT which conflicts with the 'Freedom of Religion' Clause is 'overruled' and nullified and, - - -

For you to pursue your claims is Treason and Anarchy, and I can assure you that any claim which you personally or, using any other agency such as 'Baycorp' or MPES, will be deemed a 'Criminal Act' because the reality is that in fact you are imposing your religious ideology upon another.

Being your belief in the superiority of ATO rules above God's Command and the Australian Constitution. For your information I attach relevant documents to assist you and all readers.

You also need to understand that if you use a magistrates Court 'finding' to 'collude' with any Bank in order to get them to transfer funds to the ATO from Mrs. Barnes' bank account, that this also is a **criminal** and **treasonable** ACT having grave consequences indeed to all 'complicit' and that would include the magistrate.

I reiterate, you are an individual operating on behalf of yourself due to the fact that you TAKE a 'wage' to be a 'combatant' taking up 'ARMS' against a fellow citizen for and on behalf of a **RULE** or **Rulings** in a TEXT book, a text book which you believe gives you the **RIGHT** and **JUSTIFICATION** to so do.

Further I ADD; you the individual cannot hide behind the 'facade' of the words 'The Government' being solely the name of an institution of man.

I reiterate, when you send out a letter of **demand** and that letter contains a further '**threat**' of 'added' **loss** to your VICTIM for NON conformity, as for example that there may be a 75% increase in penalties if your threat to comply is ignored, you are in FACT taking UP a cudgel against them as you **disturb their peace**, being their mental and emotional state which can and often does cause **anxiety, panic, distress** etc., at the **demand** and '**THREAT of great LOSS**' to them.

You need to understand that your PRIMARY DUTY to THEM and yourself is to ensure the **LEGALITY** or otherwise of your 'move' and action and interaction because, -

IF by your own 'mandate' within the rules of the 'establishment' you SERVE it is FOUND that you are **EXCEEDING the mandate**, then it is an ACT of ANARCHY and TREASON which is so proven by my pen within this 'paper' and the attached Baycorp 1 and 2 documents and, - - -

It is my duty to my 'client,' you and God to advise you of such and to warn you of your already 'accrued' Karmic dues and, IF you 'proceed' against Mrs. Barnes then you are a seriously '**mentally disturbed**' person in NEED of **good counsel**.

The Legislative 'Ministers' of your institutionalised RELIGION have the false belief that they can totally ignore the rulings of the Constitutional Authority granted unto them as

evidenced by the fact that they raise up edict after edict enabling them to steal more and more wealth from THE PEOPLE.

They do NOT see the end of the rope reaching for them as THE Sovereign Authority, GOD, brings them all, and this includes you, to a HALT when the people go into REVOLT due to your own vanity, pride and arrogance because you believe you can LEGITIMATELY *invade* every home and make everyone GRIEVE due to your own 'make believe' history of ILLEGAL ACTIVITY which you now believe to be NORMAL.

IF you believe that the Tax Acts you use as 'legitimacy' to STEAL from Mrs. Barnes are 'superior' to the *Freedom of Religion Clause of the Constitution*, then please submit to Mrs. Barnes a High Court RULING so saying BEFORE you make any more demands or THREATS and, - - -

Please do NOT steal any more funds from her bank account which ATO officials have done *illegally* in the past. For that was then, and to this day, remains a perfect example that Anarchy and Treason are alive in the ATO.

The worst aspect of your 'very devout' Anti-Constitutional and Anti-Christian ways are the *merciless, vindictive* and *punitive* 'ways' YOU support, condone and ASPIRE towards, in order to ensure total conformity to your demands.

It IS your BELIEF in the 'Justice of' and 'Justification FOR' the total annihilation of your victim by seizing some or all their belongings and, if necessary, evicting them from their homes, that reinforces your belief in your 'legal entitlement' to impoverish them and their families and also by banishing them from society. This is GRAVE ERROR of belief.

In doing the above you ARE personally waging *war* upon them and 'yes madam,' this is the very *dark* code of conduct POLICY you and others of your 'taxing' ILK aspire to because, it is your Religious ideological policy, your belief and your PROVEN ways which ARE in opposition to what Mrs Barnes and others like her aspire to.

This being the REASON why Mrs. Barnes cannot condone, support NOR Fund your institution because, in so doing, she would be defiant of her God's Command and her own *conscience* and, SHE IS ENTITLED TO SO BELIEVE within the Freedom of Religion clause of the Constitution of the land.

Within the Constitution it is '*forbidden*' to try and change another's religious belief and/or disadvantage a person because of their religious ideology, conscience, belief (living ways) and it is forbidden for you to *impose* your own ideology upon them.

~~~

**Commonwealth of Australia Constitution Act (9<sup>th</sup> July 1900) section 116**

"The Commonwealth shall not make any law for establishing any religion, or for imposing any religious observance, or for prohibiting the free exercise of any religion,

So please pay ATTENTION to your own rules and STOP 'disturbing the peace' of Mrs. Barnes and stop imposing YOUR 'religious observance' upon her and BEGIN to BE a decent human being as YOU bow to God's Command.

Further to the above, I do UNDERSTAND that officials such as you have for so long believed in the righteousness of their PUNITIVE response ACTIONS against PEOPLE who FAIL to OBEY and PAY, that they no longer see the need to read the 'checks and balances' to the naked power play of politicians.

For example, stealing money from a citizen's bank account without informing them or using the auspices of a monetary enforcement penalty services organisation (funded by the population) to 'sell up' or seize money is **WRONG**, and you ALL 'forgot' or did not even THINK to check whether your actions were within the Authoritative MANDATE granted by God OR the Constitution or not.

For sure - you have all forgotten that the real **Sovereign Authority - God**, does exist, and that no badge of office or official position or mandate of man will or can ever void or nullify God's singular LAW: "As you do is done unto you."

But I say to you: "Be assured that HIS Command of peace and love and mercy overrides all rules of man." So, please educate yourselves and read all sent to you and leave Mrs Barnes alone because, as I am the spokesman for our Creator, I can assure you that if from today you continue to intimidate, coerce or threaten or interfere in the life of any one of God's children and, - - -

If you attempt to seize, steal or take any money from them, then your own soul, by the chosen power of your signature, is consigned to burn in hell for an eternity.

God the Father States - "If your group or organization needs any funding to accomplish the services it offers then it must only ASK and it will receive. All who use force to TAKE and use force of arms to punish those who resist, - - - I will BREAK"

**FATHER.**

I add for She the Light, God the Mother. "It is forbidden by our command to live in any manner outside of the above precepts so it follows that no donations of the people are to be used in any contra manner and this means control, subjugation, coercion, punishment or war."

Any now who continue to employ those, such as Baycorp or other 'collection' agencies, will most certainly be bound to eternal suffering as they remain within Father's 'eye for an eye' JURISDICTION."

**MOTHER.**

~ The TWO Philosophies - or - Religious Ideologies ~  
War and Peace

The one is the extortionist demand - "**Your money or your life**" backed by the Gun.

The other is "**Ask and Receive, please give me some money for I am in need,**" having NO FORCEFUL BACKING.

There is absolutely NO legitimacy when a person or institution backs any demand with **force of arms**. (strong men) Any such activity is illegal, that being obvious because it is always backed by **threat** and **coercion**, being the punitive factor for non-compliance as for example via **eviction, monetary impoverishment, ridicule or banishment** from society - all being the works of the devil.

Every government on earth hides behind the words - "*It's for the Good of the people*" and this justifies its actions in using the words "*legal mandate*" and its operatives assume legality or legitimacy because its "heads" are voted in by the people.

This is not a valid, nor a legitimate reason because of the dominating control, interference and punishment factors, all of which are activities defiant of and in contravention of God's Command. These factors force everyone to live and support an anti God system which places all people within the Jurisdiction of the Punitive Aspect of God's immutable "**Eye for an eye - As you sow so shall ye reap EQUALLY**" Law.

The LAW as stated IS: "*As you do is done unto you - or - as you supported the extortion of money from others, so will you suffer the same fate*" and therefore be subjected to the loss, suffering, punishment and deprivation YOU imposed, with its ongoing suffering.

I add, all taxation is extortion backed by the Dark Ideological belief, bringing ALL ITS adherents to grief.

Every child of God has the entitlement to live by this Dark philosophical, religious, unconscionable doctrine BUT, they must not impose it on others. In this case the government officials are defying the Constitution of Australia and Tasmania since they are imposing IT (their ideological doctrine) upon Mrs. Barnes. This action is an illegal activity within the RULES of the Institution.

ALL colluding with the extortion attempt are complicit and therefore also guilty of Treason against the Sovereign Authority and Treason is THE MOST CRIMINAL Act possible.

The **Truth** on the Freedom of Religion Clause is, that we cannot separate a 'job' or a 'wage' or a daily 'duty' from our religion, being the ideology of our living 'way,' because our interaction with others is a moment by moment activity and it is subject to God's Law at all times. The Inclusion of the freedom of religion Act was for 'believers' to be able to be left in peace, but few are left in peace because 99.99 percent FUND the contra doctrine of **WAR** rather than the Doctrine of **PEACE** and 'pay' the ongoing 'price.'

~ The 'meaning' of the word TAX ~

To 'Tax' someone means to **dominate, subjugate, control** and **ENSLAVE** them in order to fund your own 'life style' and obtain for yourself a 'free' feed, and this 'taxation' FACTOR was invoked centuries ago by 'strong' men who needed the 'means' to be able to employ '**mercenaries**' for 30 pieces of silver (or a feed) to protect their 'interests' and to **wage war** upon others in order to extend their 'taxation' base.

This revenue raising tax is an **imposition** by MAN, it is not an imposition by any 'government' for as such that word hides THE REALITY being, that the imposition is simply an original IDEA which came into the mind of 'someone' who was then 'prepared' to defy God and USE **forceful Power** to **subjugate** others and to **threaten, coerce, punish** or even **KILL** them if they refused to SUBMIT.

This EVIL 'practice' continues ON today under the 'guise' of '**legitimacy**' which it is NOT.

Man has become so 'used to' paying '**ransom**' money to extortionists to be left in **PEACE** that all the **extortionists** as well as the 'people' see it as a 'normal' way of existence but it is NOT, for it has a CONSEQUENCE within God's Law

This manner or revenue raising is THE DEVIL'S WORK, and any person supporting or funding ANY person or institutional employees is in fact 'employing' said 'others' to **wage war** upon others in the community and **coerce them** and **threaten them** and **interfere** in their lives and **punish them** and **evict them** etc., and is **forcing** others to 'join in' to this 'RELIGIOUS DOCTRINE OF DEATH' and all thus defy God.

Thus it is that within the immutable Law of God ALL are complicit and the suffering returns upon everyone for being NON-believers in love, peace mercy etc., as all now fund and condone the CONTRA doctrine of SPIRITUAL DEATH.

It is my 'pen to now ABOLISH all forms of 'slavery' and TAX EXTORTION as God now **EDUCATES** everyone.

Any person wishing to continue to BE an '**enforcer of taxation**' or '**penalty fines**' for NON conformity to 'edicts' of other men ARE free to so DO and consign their OWN souls to the ABYSS.

~~~

~ Community Notice ~

Certainly mankind needs the PROVISION OF SERVICES but, - - - not everyone needs, wants, nor desires or USES all these facilities and neither do we all 'wish' to FUND any service provision which is **IN CONFLICT WITH** our **conscience or ideological belief**. (religion)

So any organisation setting ITSELF up using **FORCE OF ARMS** backed by **weapons of destruction** in order to attain 'superiority' and their **CONTROL** of all other 'services provision' is NOT a '**good & benign**' INTENT organisation, and any TRUE BELIEVER needs to NOT 'vote' for 'such' a group nor fund IT nor 'bow' to **ITS 'warring, dominating, subjugating, taxing and punitive'** DICTATES.

As IT has already seized **CONTROL** of ALL 'services provision,' you may ASK to use some of those services such as 'pension' or other 'aid' but make NO demands and ONLY contribute towards **benign** 'effort' which of itself is within the precepts of God's Command: "*Love, peace, mercy, compassion & forgive others.*"

Do NOT fund any punitive or warring or interfering aspects, I say this for a VERY VALID REASON, being, that any persons defying the said commanded RULE of conduct would be 'guilty' of contravening said 'authority' AND God and therefore by God be seen as anarchists and committing treason as they disturbed the peace of the land (others) and interfered in their lives.

So today we 'stand' with thousands of latter-day rules, acts, edicts raised up by very ignorant people, (politicians) all exceeding their mandate and therefore all 'treasonable' **anarchists** inciting civil **unrest** and NONE of these latter day edicts apply to any person who is not voting or paying taxes nor funding their punitive ways.

Neither do 'believers' disturb the peace, because they 'abide in' (conform with) God's Command, which is their CHOSEN **Religious ideological conduct activity** of '**Peace.**' They are granted immunity from persecution by the Constitution of the Land AND by THE CREATOR.

Banks operating within the 'system' of MAN must ask the ATO officials for a High Court ruling stating that a latter day Tax Act overrides the Freedom of Religion clause before making any 'move' to transfer funds out of a bank account.

In using latter-day rules, ATO and banks are ignoring the F.O.R clause = illegal activity (magistrates also at fault)

Banks managers are by this pen put on 'notice' that if the ATO is given funds from a bank account then the bank manager is in collusion with ATO. This is a **criminal act**.

It is **ERROR** for the ATO or banks to assume that everyone has their 'warring' beliefs.

~~~

Politicians need to ALSO understand the below line in RED:

**Commonwealth of Australia Constitution Act (9<sup>th</sup> July 1900) section 116**

"The Commonwealth shall not make any law for establishing any religion, or for imposing any religious observance, or for prohibiting the free exercise of any religion, and - - -

I state this because in FACT any **imposing** 'code of conduct' **demanded** by political **edicts** IS the 'establishing' of a religious code of conduct **DOCTRINE** in contravention of the above PRIMARY Act 'clause.'

I add: Within the Australian Criminal code it states:

**270.3 Slavery offences**

(1) A person who, whether within or outside Australia, intentionally:

(a) possesses a slave or exercises over a slave any of the other powers attaching to the right of ownership; - Penalty: Imprisonment for 25 years.

It needs to be UNDERSTOOD that any person or 'organisation' such as one named 'The government' which uses the back up of armed men to **ENFORCE** their **demands** upon others are ASSUMING their '**Right of ownership**' over said 'others' and are using and 'treating' them as **SLAVES** and 'subjecting' them to ongoing **SERVITUDE**.

**Servitude**

- a. A state of subjection to an owner or master.
- b. Lack of personal freedom, as to act as one.

It is quite obvious that 'officialdom' BEING THE RULES in a book imply '**right of ownership of everyone**' on the land and subjects them to ongoing **SERVITUDE**.

The word 'Tax' is given in the dictionary as meaning:

- 1 - (a): A compulsory monetary contribution **demanded by a government** for ITS support.
- 1 - (b): To lay a burden upon someone.

It needs to be seen and understood that there is a 'misquote' clarification needed because in 1 - (a) above, - - - the words <**demanded by a government**> need to be replaced by the words <**demanded by a person working for a government institution**>

For in REALITY, the tax burden **imposed** and **extorted** using the 'back up' of armed men is related directly to the **greed, pride, vanity** and **arrogance** of THE ONE who is 'in power' at the time and personally makes the ever increasing 'taxing' demands upon everyone on the land.

The word 'Slave' is given as:

- 2 - (a): One who is the 'property of' and wholly subject to another.
- 2 - (b): Who works 'for' and is the 'prisoner' of the other.
- 2 - (c): One who works under duress and without payment.
- 2 - (d): One who is under total domination of another.

**Slave master:** One who is a hard task master.

As one can now SEE, the 'Abolition of Slavery' has NOT yet taken place, and everyone on the land is as yet **ENSLAVED** to a very **hard, cruel, despotic** Slave Master indeed, being the ONE who invoked and continues to invoke more and more 'taxing' demands backed by force of arms and imposed upon everyone by **RULES**.

Yes, the rules and rulings and actions of ATO officials are those of 'Slavers' and as their **imposed** activities and **punitive** additions **force** everyone to BE as listed in **2 - a-b-c-d** above, it proves that everyone is a **SLAVE** to the rules and to THE OFFICIALS of the organisation naming itself 'The Government.'

Any RULE in a TEXT book of man such as within the Tax Act *justifying* the **TAKING** of money (Tax) from another backed by 'force of arms' and THUS 'forcefully' is the action of a **SLAVER** even though its **POWER** is but text in a book, thus having NO 'conscience' of its own but, - - -

It is the 'officials' taking a wage to uphold said rules who give the rules the **POWER** of their silent 'voiced' **demands** and, - - - it is the power of the GUNS which back their threats and coercive and punitive impositions which cause the 'flocks' of God to give in.

Officials state: "*I am simply doing my 'job,' my 'duty,' and I do not make the rules.*" This implies that they BELIEVE that in making others '*grieve or bleed*' they are NOT 'responsible.'

Officials of the 'gov.org' have grown up to believe that their organisation has 'ownership' of and '**right of control**' of every person on the land they 'patrol' with armed men and, - - - this 'fallacy' is now '*dispelled*' by the **Light power** of my pen. (This 'spell' over the mind of man binding all is now broken)

This 'spell' was placed over the mind of man by the *Dark Sovereign Power* (destructive energy of God) so as to use the vain, arrogant and power hungry to **CONTROL & SUBJUGATE & ENSLAVE** and **punish** all in an ongoing manner being their '**karmic dues**' within His '**eye for an eye**' Law.

By the ACTIONS of the Australian Taxation Officers it is a proven FACT that there is NO '**democracy**' nor '**freedom**' in this land, for everyone is **ENSLAVED** to the **DICTATES** of others and all aspects of living 'ways' are **controlled** and **interfered** with by OTHERS who '**dominate**' using **RULES**, handcuffs, and THE GUN.

Any person who continues to believe in their 'Right' to dominate and 'tax' others will eternally grieve because they will continue to 'assume' their 'legal' ownership of others and, - - - due to this **ERROR of belief** they will continue to 'treat' the others as their personal SLAVES to be **taxed** and **controlled** and used for their 'interest' as though these others were their personal POSSESSIONS.

**"Possessed by THE STATE"**

This belief is an **abomination** and proven by your ACTION to be in existence.

**Question:** "Who was the 'worst' Dictator, - - - is it someone '**honest**' like Cuba's Fidel Castro who 'openly' seizes control and subjugates everyone using the back up of **armed forces** or, is it someone '**dishonest**' like John Howard who '**lied**' his way into Power in **promising** to never raise taxes using a GST 'base'?"

Once IN 'power' he then 'invokes' a GST 'rule' and OPENLY **steals** 10% from every transaction out of the purses of THE PEOPLE and **impoverishes** them and, - - - as 'Fidel,' his position of authority also uses the back up of **armed forces** as he 'subjugated' everyone in a **Dictatorial** manner.

By his nefarious action he also 'lowered' the buying power of the \$ by 10% in an instant by the 'stroke' of his pen as everything in an instant cost THE PEOPLE 10% more, or more than that. In my 'book' as the GST 'tax' is proven to be 'based' on a **LIE** it makes ITS **imposition** ILLEGAL. Why would anyone vote 'in' any politician ahead of 'God' to 'guide' them when they are proven to be **liars** who do NOT do '**good**' for THE PEOPLE?"

As the **RULES** are proven to be **INIQUITOUS & ILLEGAL** (*In contravention of God's Command*) and, - - - as you are 'upholding' THEM backed by **force of arms**, (*Also a forbidden activity in God's eyes*) and, - - - as you are thus causing others to **suffer**, then you ARE very ignorant AND very foolish indeed.

**Question:** "Is it '**illegal**' to defy God's '*Love one another*' Command"? - - - "NO."

If 'no,' then 'what' is the problem I foresee for YOU and all **defiant** of IT and carrying ON as though they were God and above God's Law? I see great **anguish, travail and agony of endless suffering**.

How so? Because in our every ACTION we are using an invisible energy essence having 'twin' useable polarities, one **loving** and **creative** (The **Light**) and the other **hateful** and **destructive** (the **Dark**)

When we use either we receive BACK on EQUAL 'measure,' that which we either '**gave**' **kindly**' or '**imposed**' **punitively**. This invisible **energy essence of the SOURCE** is a "**Law unto itself**" having infinite intelligence, and its 'return' to us CANNOT be controlled by 'us.'

It is ones personal 'choice' to be THE **LIGHT** or THE **DARK** in action.

## Summary

Mrs. Field, it is my 'task' for GOD to expose the FACT that we are personally responsible for the CONSEQUENCE of our ACTIONS at 'work or play.' None avoid the implementation of the 'LAW OF GOD.' (Benign or malignant ENERGY balancing itself)

I also add a little more 'clarification': If you 'wish' to defy God and 'employ' an army of men to wage war upon others or to defend you, then THAT is your God given CHOICE BUT, ---

Do NOT expect or demand that others in the community must also fund this '*destructive*' nature of 'operation,' for if they are as I AM, '*absolute pacifists,*' we rely on *God to protect us* \* and we cannot be '*coerced*' into funding a contra ideology and, ---

More to the 'point,' all using *force of arms* for any reason need to understand that they are NEVER 'outside' the immutable "*As you sow so shall ye reap*" **Law of God**, and ALL THEY *DO unto others* which in God's eyes is UNTRUE, comes back to 'haunt' them on another day. We ALL are subjected to God's 'energy' Law, for **HE~SHE** are the Sovereign Authority, not 'we.'

**Note:** *God to protect us* \* - It is our 'belief' that if our *activity* remains within the '*benign, loving, merciful, giving, compassionate & forgiving*' WAY as stated IN God's Command, and thus ONLY using God's **LIGHT** energy in our interaction with others, that we will be ONLY 'operating' within and 'subjected' to the *benign* aspect of God's "Equal return" LAW and, thus our '*karmic*' comeback VIA others is ONLY *benign* and *positive* and loving and never *punitive*.

For God's 'Law of ENERGY' only '*punishes*' by **EQUAL RETURN** those who *punished or abused* others as they defied THE Command in using His destructive DARK energy.

Mrs. Field, try and take a 'look' at what your 'wage' is in FACT *forcing* you to 'attempt' to '*Do unto another sister,*' a person who has NEVER caused you nor your other 'officials' ANY personal HARM.

You are waging a *psychological attack* upon a daughter of GOD.

You are using *threat and coercion* giving her 'sleepless nights' and troubled days.

You are 'preparing' to throw her to the 'wolves' who have been empowered by **RULES** invoked by YOUR politicians enabling them to believe it is 'legal' for them to:

*"Do whatever you need to in order to extract however much you need to as an 'example' to others so as to keep them in 'line,' and if you need to evict her and make her and her family members homeless then so be it, OUR 'will' must BE DONE."*

I ASK: "If so much '*trauma*' can be imposed by you upon another '*elderly lady*' of 67 years who has NOT harmed YOU, then how much trauma do you and those complicit '*deserve*' to RECEIVE back within "*THE Law of EQUAL RETURN*" imposed by God for ACTIONS in which you have caused much HARM unto others"?

Are you so 'naive' as to believe that anything 'done unto others' in the 'course' of 'stately duties' places YOU above the immutable 'Law of God'?

Madam, I do KNOW that 'soon,' you will also have 'sleepless nights' and VERY 'troubled' days because your 'signature' is ON many outgoing letters which HAVE already resulted in immense '**loss, suffering and impoverishment**' and terrible emotional **problems** to OTHERS. Sadly you see NOT what is in 'store' for YOU, but is SEEN by ME.

What do 'ministers' of any religion do? They invoke the rules, rituals and ideological Code of Conduct of THEIR religion, and in the case of the ATO (*Taxation Office*) these rules and rituals politically enabled are what 'permits' the **interference in, and control over, and demands made**, upon every living aspect of people residing within the boundaries of a land mass area which is controlled by the armed forces or officials of their 'Institution.'

In the case of every controlling government (*religion*) those paid a wage to uphold ITS **doctrine, rules, edicts and acts**, believe in the sovereignty of said institution or power and they in turn give their lives to IT and, they believe in ITS Doctrines and the legality thereof rather than any other **Sovereign Power** such as **God**.

It is obvious to me that THE DEVIL RULES this realm and the IDEAS forming within the mind of men in POWER originate from HELL, and they **force** everyone taking an official 'wage' to be unconscionable and DO THE WRONG THING.

Everyone is exceeding their mandate granted by the Sovereign Power being: The Constitution in respect of the Freedom of Religion Act, as well as the Command of God Doctrine of: **Peace, love and mercy and compassion and forgiveness**.

It is God the Father who invoked the Constitution via the minds of mortal man and God's 'submission' via man stipulated a few VERY IMPORTANT FACTS which I reiterate:

"The Commonwealth shall not make any law for establishing any religion, or for imposing any religious observance, or for prohibiting the free exercise of any religion, - - - Freedom of conscience and the free profession and practice of religion are, subject to public order and morality, guaranteed to every citizen. - No person shall be subject to any disability, - - - on account of his religion or religious belief.

It is quite clear that the '**enslavement**' of mankind using **RULES** in a book invoked by very vain, arrogant and ignorant MEN has taken place, and they will remain SO 'enslaved' unless they and their slave masters amend their ways and become **FREE**.

Mrs. Field, you and other officers of the Australian Taxation office have been found by THE Authority, myself, to be in **gross error** and operating **treasonably**, both within the 'Constitution of the land' as well as within the **Command of GOD**.

In writing this and the below linked documents and making them available to you to read, I have discharged my duty to God, man and myself.

Mrs. Barnes by virtue of the content of her web site < [www.for-giveness.co.uk](http://www.for-giveness.co.uk) > proves her contrary belief and though she was a tax payer many years ago, by virtue of the FACT that she has stopped so being indicates her 'change of heart' through ENLIGHTENMENT.

You now also have that CHOICE as does every reader of this document. Being the choice to heed (obey) my 'pen,' God's silent VOICE.

I have taken the 'time' to raise UP this 'submission' on a 'plate' for FREE to humanity so that readers may have the opportunity to educate themselves and halt their own 'criminal' actions before it becomes 'too late.' "BEWARE" I say, "My texts are TRUE."

It is entirely up to the reader to decide if their present 'conduct' activity' is 'fallible or infallible' within the context of God's Command or not and, - - - to which 'end' of the 'Light or Dark' aspect of God's realms their spirit soul will go to in the after life.

Mrs. Field, all mankind has been deceived by very dark powers operating via the MIND of the vain and arrogant and power hungry for centuries, and everyone needs to be prepared for the TOTAL INSANITY soon to erupt globally which will bring down every 'system' of man.

I can but 'trust' that my 'time' taken to bring you to ENLIGHTENMENT will in fact also SAVE your 'soul' and lessen the *grave travail* you could ADD to the burdens already accrued by yourself IF you continue to 'persecute' ANYONE.

God has given NO PERSON a 'mandate' to 'harm' even one 'hair' from the head of any other child of HIS.

**BEWARE !** - Those who see not the 'reason' to '*ONLY love*' will forever 'wish' they had.

To be better able to come to a personally informed decision the reader needs to read my 'The ONE True Faith' document linked below and especially:

Item - 10 SIN & Salvation - the clarification - saved or not

Mrs. Field, these pages need to be read together with the two '[Baycorp.pdf](#)' 1 & 2 documents which also form a 'part' of my 'defence' submission for Mrs. Barnes.
