

So, "Soon all leaders will die," is what I hear from God up high, "For they send out people to die, denying their Creator up high." So I call out now to you, and you, all earthly leaders who'd be true. Stop being part of this "shame" or you'll end up "below" with no name. God says:

"Blessed mercy be, and allow all my children to roam free. If their daily freedom you deny, 'tis me who will you try."

So brothers and sisters dear who control any through fear, now is the time to heed me or forever you'll below confined be.

~ Respect ~

To **make it\*** what you needs DO is to show RESPECT even to the UNTRUE. For 'tis us who show God by our side who "WE ARE" as along we stride, for, if of the light we would be, then through us must the light flow freely to all, the same way as the sun.

Yes, even to those who would bring you undone in a very uncivilised way, and you may not even understand their **say.\***

For, an insane person who may confront you for SURE knows what to DO, for 'tis their mind controlled by the DARK, yes, that invisible destructive shark that will attack ANYONE who it does know allowed darkness to through them once flow, another day, another place, when they wielded a mace.

So you see, IF you'd be set free, heed this call from me, for the deep dark forces underground may have an incomprehensible sound, and you cannot it understand, and that by God was PLANNED so that YOU could the Reaper not avoid.

If you try, you fall into the void.

'Tis why **FORGIVENESS** and **RESPECT** are the TWO WORDS on which to reflect, for there is NO OTHER WAY as I said before when I came this way. For as long as YOU the darkness destroy, 'tis you in the dark's employ.

So you can see now the length of the road for anyone who carries a "load," a past **debt to humanity** that they WILL **REAP**, before being set free.

So again I say: "RESPECT is the word on which to reflect for ANY who'd see God one day."

Enough said. I have had my say

~ Children ~

Children needs be spoken to:

Ask children why sometimes they happy be,  
and sometimes fear or anger flows free.

Can they try and understand that these “feelings” are from another land, they “invisible” be, things we cannot see, things we cannot touch like boats or toys or dolls as such.

Ask children to “think” about “thought,” is it some thing that can be “bought?” Is it something you can “hold” like toys of which we have been told? or, are thoughts “things” that come and go, things that seem to quickly flow?

From moment to moment they “appear” and as quickly “disappear.”

Children need to fully understand that their “spirit soul” comes from another land for a time and a time, and with a fleshly body it does entwine and then it does “depart,” and again in that “other land” makes a fresh start when the flesh becomes “old.”

All this, children needs be told from the time they are “young” and their first songs are being sung. This way they will “see” the “briefness” of materiality and try not to “all hold” through greed as they get old. They will be happy to “give away” and thus heed God’s say.

They must be told the truth, as given by God’s proof, that the light says:

“Only Love,” the eternal call from above, and,  
the darkness says; “Destroy those who take your toy.”

So each will understand their “feelings,” some being those of the lower land, and the ones of “Love,” being feelings from the land above.

And, all must be told what to DO to control negative thoughts flowing through so that they happier will be as of these “dark” feelings God sets them free. Tell all about God’s Star and the love it exudes from afar.

~ School Children ~

School Children needs be told:

"I wish to speak to your thoughts and this to your thoughts I say:"

Are you aware there is a Star above,  
are you aware there is a Star of love,  
are you aware this Star is true,  
are you aware this Star can do much for you.

Are you unhappy and do you feel far away.  
I just want to say I am your friend today,  
and my heart reaches out to you,  
yes to the thoughts now flowing through.

If you feel lonely, if you feel blue,  
listen to me, I'll tell you what to do.  
Say this little prayer with me today  
and your mind will feel happier in every way.

Let us together see the Star above,  
the Star of Bethlehem filled with Mother's love.  
IT is shining for you and you and you,  
the thoughts flowing through.

I see the Star of Bethlehem high up above,  
brilliant and beautiful and filled with God's love.

I see a white light shining down from this star  
cleansing through my body with its power from afar.

Wonderful Mother please now be with me,  
fill me with light and set my soul free.

And children please understand, there are others in another land. They are lonely too. Their thoughts reach up to you, so together, three times a day we with the thoughts will say the prayer of the Star above, the one filled with Mother's love, and then we'll feel happier too, as will the "thoughts" flowing to me and you.

So that is what I say today to all "thoughts" that come my way.

~ All children - adolescents - adults ~

All must be taught about "thoughts" that abide in their minds and "sit them astride.\*" They must all fill their souls with "quink," being God's wisdom recorded in ink, and thus they will understand the "ways and power" of the underhand.

All must be told to "go slow" and the full reality get to know, the reality of the power of good, the reality of the power of the misunderstood. All must now try and see what is now to be.

Within every "tribe" and culture there are people good and people bad. And the other "fact" that is so sad is that within every race there are a multitude of religions superimposed upon all God's children who walk under this sun.

Yes and every religion does say "Come unto us for we are the only way." I say that all religions are false as they all condone "force" and its accompanying power play. Thus we need no religion; we only need GOD and the truth being God's leaven.

What is the truth? You might ask that is applicable to ALL who under this sun bask. To aid you and you and all inhumanity too I have again come to earth at this soon time of NO mirth and truthfully and plainly give it "up in the air" so that every tribe may it share.

Basically, every "parent" must tell their children to "Only love" and to walk in peace as asked by God's dove. They must also be told of God's ONE Law, which says, "As you do returns to your door."

So in this way all learn that if they others verbally or physically burn, then ahead they will suffer as a bigger bully jumps on their head. And they must now be given the "revealed" by me reason as to how and why their minds become "non-reason" to the point that they cannot avoid putting another's nose out of joint.

Please tell all that for past folly they will now pay. Thus they must heed the call of non-retaliation as well as the new way to pray.

"Are children born evil?" Some ask of me, and the "truth" I'd have you see, being, that the souls of "men" and "women" return to this "playpen\*" and yes, they do "enmesh" with babies "bodies" and we them bless by telling them as they "grow up," that on light and love they must sup.

But many deep, deep down, with evil "thoughts" do "frown." So even as "babies in the wood," by us their actions are misunderstood. For humanity cannot "today" understand that reincarnation was by God planned and thus give souls "another chance" to at the truth TRY and glance.

So yes, "some" babies are evil through and through, their "souls" very untrue and "thus" Satan does their minds breach and thus this truth I today must teach so "people" can understand the power of the "evil" hand. That through "some" souls it can us reach as telepathically "some" minds it does breach.

So ALL babies needs be told by parents about the light and the cold, and about the good and the bad, and about "Thoughts" happy and sad, and how to fortify their "mind" against evil thoughts so unkind that would lead them astray and "destroy" others like a "toy."

So as you can see, it is "sad" that even little children are bad at times and feel NO remorse as bad feelings do them "divorce" from light and from love.

So please tell all about the "dove," and the message I do bring so in happiness they can sing, as God does in them unwind\* and cleanse out darkness so unkind.

And then God will see, that you to our "little people" are true, for as evil does "arise," children's actions you will despise and all will needs "see" and "hear and heed" God's final call via me.

Children must be taught swiftly the reality of what BE, not just told "Don't do," its not like learning to tie up a "shoe." They must be taught about the MIND and EMOTIONS that are unkind and about the power of THOUGHT, through which much anguish is bought.

They can quickly learn what happens when they "others" burn, that it does "come back" and "another" does "their face" smack. Children different be from adults this I do see. Their minds more "open" be to TRUTH that reality be. They must not be taught "Strike back" if another does them attack. They must be told to "Lie down," then ahead they'll less frown.

They must be told "What to DO" (Star of Bethlehem prayer) to keep their "minds" to God true. They must be told "HOW" to keep free (From incurring suffering), that NON-confrontation it MUST be.

They must learn to "understand" the power in the Devil's hand. (More power than any one) They must the truth KNOW, that they WILL Reap what they sow.

They must be taught to LOVE all, say I the dove, even those of the 'underhand' (Aggressive ones) who God's truth do not understand. These they must not deny.

Even though they make them at times cry they must still "reach out" with a daily smile and a friendly "shout" saying "Good day, with us you can play."

They must daily forget yesterday if any made them fret.

They must be told "As the Sun goes down the painful past must be 'laid down' and as the morning does arise look to the heaven and the starry skies."

So we must all now teach that only LOVE can breach the minds of the bully boys who think the others are but play toys.

~ The Bishop & Celibacy ~

Oh, his words "Sometimes we fall from grace," as he sat back with a supercilious face, lost in the deep dark night as he sits alone in his celibate plight, never having had a woman in his arms, never having experienced God's "charms."

Yes, God's charms are his daughters love sent down to help the "poorly" from above. The poorly being the arrogant fools over whom daily Satan drools, for the darkness cannot permit man to love freely. It stands but alone and in loneliness turns into stone.

So dear ladies you are God's grace even though so denied by the foolish race of men who deny your charms, men who fear to enter your arms, men who fear that they may become "lost," when already they live in the land of frost.

So reach out to them I do ask, help them to a little in sunshine bask and heed not their "silly say" being the words at confession and their "pray."

You dears have naught to confess, be loving and kind and GOD does you bless. Look not to man to a blessing impose when they even fear to buy you a rose in case someone does see that maybe they "feel" something for thee. So all I can say is it is very sad that men think sex and ladies is bad.

It is because they are so vain that they don't see that sin is but "pain" meted out by one to another and by denial of a sister in a "bother" because they feared to stand by her side, letting down "theirs" as all are full of pride, and as said, God sees ALL the silly "poppy cocks" about to fall.

Yes they will. "Each and everyone" say I the king from the sun, for all lead God's children **astray with the falsehoods** they preach every day.

So dear ladies as said before; "Please now heed MY knock at your door for it says you are free to love anyone, even priests," and God smiles above.

"**Celibacy is a gift from God**" The Bishop says! What rubbish say I. To what good earthly "end" would God a mind so "bend" to the extent it needs "sexless" be before it can set other souls "free" in the act of "Communion." That to me means a "UNION" and even the "communion" is distorted, by ministers minds is it thwarted, for the "Act of Communion" in God's eyes IS:

The UNION between man and God's WORD.

The "communion" is the "Have you heard what God through Jesus did teach, that Jesus on earth did preach?" So "IF" you have "communed" with God you have "eaten" of God's WISDOM as you plod.

You have heard that you needs peaceful be, BEFORE God sets you free. Thus the "Celibate" bit onto the "ACT" you needs sit, meaning, be celibate to the WORD for those who "**deviate**" fall to the sword.

'Tis thus the "Act of Celibacy" means:

**"Merciful and forgiving ONLY be."**

I hope some Ministers this see before they destroyed be, for they have tried to "prove" that loving feelings can them not "move," and they have been proved wrong because sexual feelings are strong. Yes, they are a part of God, God "hears" and His head does nod, saying:

**"Any who My feelings deny will for sure fail before they try."**

So my COMPASSIONATE friends, please help me help God make amends by spreading God's now FINAL WORD to all the ministerial ignorant who have NOT HEARD.

~ Women of the street ~

And what of the WOMEN of the **street**\* who with open arms their brothers do greet? What does God think of their **way**,\* what does God think of their **say**.\*

"Thank you, thank you for the time that with needy men you do entwine, for they'd be lost and fall below if their seed they could not sow.

Thank you, thank you for the time you do share my light divine, when your counsel did flow free, when you counselled men needy. For many wanted to just speak, and be spoken to by a heart meek, and a meek heart is hard to find, yes sometimes even a heart kind.

So you women of the night, who shone a lamp, shining bright, thank you for the time of day you helped needy brothers who came your way.

I now release thee from the stigma placed upon thee by men of the "cloth" who as all see, are dowdy like a moth. The only "wrong" done your way was at times the demand of your pay that at times was so great, that a needy soul would "lose" a "mate."

So if from greed you are free, then the light does bless thee for helping with many a hand, for release within that God so planned, and as you on your way now go, let more loving light flow rather than the vindictive "Sin" that flows violently through many a "bin."

Mother - Father

~ Earthly relationships ~

Earthly relationships start with "You I love " then change to "I own you" I hear from above, and this "ownership" does each destroy who unknowingly the "dark side" employ, for it IS the dark's Demand that we deny God's "Loving" Command.

So relationships "start" with "Respect" as each does their "darkness" protect, being their inner fear, or jealousy, that "another" may come near.

It is only "as time goes by" that the "tester" does both "try" and begins to demand from each other that their "time" each needs "smother," by demanding to know all each does do, in case it is being "untrue" to the side that needs all "control," so that in freedom they don't stroll.

And little by little we fall, and emotions within make us pall, for we suddenly "realise" that the other may not be "wise" for they soon forget to "love" and are "miserable" say I the dove.

For, if their partner does not all "say" in what they "did" to others each day, then darkness does each or one clout, and at each other they begin to "shout," soiling their hands with grime and their souls with clammy slime, and each does go their way from hateful words the other did say.

So for a "relationship" to be TRUE, respect needs to be the word too. For individual souls we be, even though we walk two by two to the sea.

Each has a heart that can sing, each with any can "fling" their song into the wind or rain, thus helping the lonely or vain. So to you or you who'd BE true, only let your light shine through and never of any DEMAND, for "Love and freedom" IS the Command.

~ **Sexual relationships** ~  
(the act of union)

You do not have to "GO" with anyone as you journey on earth away from the Sun. You can walk your road completely "free" and be, just be.

You do not have to "touch the hand" of a maiden from the Summer Land. You do not have to walk the road with a man if it is a burdensome load, as said all "lovers" are free, "lovers" being those of divinity, people who are "clear" within of aggression and fear.

They are free to walk "alone" and to any "talk," but as said, they are free to "GO" any which way and their truth sow, whether it be totally alone like a dog without even a bone, or whether it be with a partner "in hand," loving and caring and as God planned.

One to ease the load as each does walk earths road, or one can walk "in between" in ecstasy as they do "dream" of the land far away that they will return to one day.

So you see, as said, any which way can you lie in bed. With one or two or even three, God has NO law on this I see, for you can "many" touch, or just one if it be such.

So blessed children I do say via my pen, a'fore I go away,  
that GOD IS the plan, not foolish man, and God says:

"Cause no pain. If you do you are vain, and this act the 'sin' be, not the "togetherness" of the free. So remember," Says God above, "You are free to love all, and in any which way, privately," I hear God say, "For others may not understand your ways of journeying into the Promised Land, but openly, can you 'touch' and greet and smile as such."

~ Physical abuse ~

Physical abuse of others usually takes place because the perpetrator believes that they can "carry out" the act with impunity.

This "belief" is the result of "empowerment" by man, through legislated enacted mandates, as in Law enforcement, or Military forces.

Other abuse is the negative antisocial "behaviour" carried out by a person who is temporarily "mentally unstable."

Mental instability is the cause of all "uncivil" acts performed by one against another, be it from verbal abuse, to killing.

The instability is the direct result of negative emotions such as fear, greed, lust, jealousy, hatred, etc., being "active" and thus permitting "dark thoughts" to intrude into the consciousness of a person.

Society has deemed it "necessary" to take retributive action against perpetrators in order to "punish and control."

God says: "You must treat all my "erring" children as beings of "diminished responsibility. They all pay their "dues" and Reap what they Sow. You as an individual must somehow get to this know. All are "responsible" to ME for their actions to others.

You must personally remain "true" to your sisters and brothers. The more you twist and weave and control and punish, the more you grieve. You I have told must just "forgive" the ignorant arrogant ones if in heaven you'd live. So all now must quickly others just "educate" peacefully or forever will darkness you berate.

You must personally forgive and only let love flow. This is the only way that My realm you get to know. So personally now make no other grieve. For as you do, it is but Satan who did you deceive."

I now with love and wisdom you of ignorance release. Walk in respect and leave others in peace, and I wish you all the best. By my wisdom, God's, you are all blest.

## ~ Your Intent ~

My talk "equi-sexual" be, one day I hope that each of you it see. The Devil is the one of "both sexes" who would ALL take to "HIS-HER" lair, and a bloody mess make in that place where her/him are bound are **bound**, until an eon ahead their freedom may be found.

Do not show "intent" for closeness and then "withdraw," that is arrogant vanity that may lead the other into insanity. The "Tempter" is neither man nor woman; it is the Devil working in the minds of the unwise who listen to its projections.

As said, the Devil can naught share,  
and in "this" expression comes the "**snare.**"

For the man is physically stronger than his "mate," and many a "lass" to this will relate, thus the Devil's "thoughts" that does man "breach" say: "**Take by force,**" then the Devil does him teach the folly of "that" day, and for his arrogance the man does **pay**.

The Devil's "thoughts" that do the women breach, saying: "**The arrogant man you must a lesson teach, thus you can 'stand back' until your mate has found his track.**" Thus through vanity is her mind "found" and by it the dark is also **bound**.

The Devil will us all over roll  
until our souls are free of dark when on earth we stroll.

When I say "**Welcome all with open arms,**" it means "**Exude kindness and compassion,**" it does not mean "Display sexual charms," for those who to "some" so do, will be bound by forces untrue.

Yes, you are free to "give" in any way to help others happier live, but do not "**offer**" then "**take away,**" or for this folly you will pay, for the "unsound" who have not yet "reason" found, do not have the capacity to "share" temporarily or permanently.

Yes, it is good and proper to "hug," but then, if confronted in any way, don't be a mug and your "lover" deny, for your soul draws in darkness I do espy.

This "greeting" letter that "cautions" respect is so that on your "free" hugs you needs reflect, and I now speak to man, for many a man does "**take,**" as he presses his body on a woman and thus does partake before she has said : "**Lets go and our love sow.**"

To ladies too I caution "go slow" until the man's intent you get to know. For if the man is by the Devil bound, his future "actions" will be **unsound**.

If you him a little "give," he may decide that you in his "harem" will live, and there he will you then **deny**, for many wailing there do cry.

For as said, the "dark" says: "**I own all who their "favours" to me have shown, they will Me "degrade" if they are freed to help others, or sit with them in the shade.**"

So to whom do we "**reach out and touch,**" in reference to the ones who are not our closest "loves" as such, those in need, or those filled with greed ?

For those in need do “outcry” calling out “Please help me up to the sky,” and those of greed reach not out to love and give or seed, but by **arrogant demand they forcefully “take” with their ever expanding rake.**

If you aught them “sexually” give, they will expect and **demand** that with them you exclusively live, that is for both man or boy or flaxen haired lasses who with the Devil-bound “toy.”

You each must now decide whether or not to with the Light abide, for it does say:

“Show respect today and my light do not deny to those that ‘outcry.’ But to those who would off you ‘take,’ you needs put on the brake, for if you “in” to their demands give, then both do in unhappiness live. Because ahead, they will you TRY, and as you become constricted you will them deny, and thus as I did say, for this denial you will pay.”

~ **Exclusive Relationships** ~

Exclusivity means:

Only your face I would see, others hold no power over me,  
even if you go away, I’ll be yours when you return another day.

Exclusivity does not mean:

You belong to me  
because only your face I’d see.

That is the **control** of the darkness over those who stroll outside of heaven.

If in an exclusive relationship you have chosen to live, then neither take nor deny, for this is the Tempter’s TRY. Be “celibate” to the WORD and give of each other so the other in frustration does not live.

Even if your “half” of the relationship exclusive be, do not expect the other to so be, and if they do at any time with another child of God entwine, then it is up to you to continue to be to them true. This is what my pen does say as for the light it does sway.

Whether you are a woman or man, be you with a companion of the other sex or with a stranger, you must subdue any “thoughts” tempting you to take, for both have the freedom of choice to refuse an advance by any.

~ Man's Marriage Control ~

Man was "convinced" that it was a sin if his "spouse" allowed another a "look in." Thus his "mind" did say:

"You are exclusively mine today, and if you in any way are "loose," I am entitled to you abuse, and I will your "beauty" confine to protect you from the other swine, who like me do "take" and freely on others partake."

So man's "marriage" act is the ultimate control of another human who on earth does stroll, for whatever the "sex" they be, neither can God's truth see.

Being, that they must not any confine, if they do, they are swine. And that either is free to come and go, and to individually their 'own' truth sow.

The ACT of man's marriage is in itself a "Pact with the devil made," as one does for "ownership" ones freedom trade. For the ACT of "possessing" another in exclusivity is in itself "binding" that soul to any demand, and legitimises in the devil's mind a reprimand if in any way the other "looks at" another sister or brother.

And thus by this ACT we deny the Light and plunge our souls into the dark night, for once the "Pact" is sealed, then the power of possessiveness is revealed. And soon the loving anticipation does wane, and the serpent does then power exert and power gain.

So we all now must "glean" the reality of why off old ways of "ownership" we must our souls wean.

GROW UP, on positivity now sup and if your "partner or lover" looks at another and you suffer pain, then it is the sin vanity that you did ingrain through your past denial of the Holy Living Word.

Yes children, and as this darkness is drawn out like an extracted tooth you will in pain shout, for the reaper will you clout, and no anesthetist is near when the "sin" is drawn out.

My beloved children, your suffering I do see, try hard now I ask of thee to naught upon others impose ref: your demands, or with darkness will you stain your inner rose. Set others of your control free, thus of your bondage I relieve thee.

Let "love and kindness" be your bond  
with any whom you share a "waving palm frond"

~ God's Marriage Plan ~

God's marriage plan was that we only the word "Love" span, meaning that we are "free to partake" and that we never abuse or take. For in our partaking we only give to one who seeks our touch, so they happier live.

The purity of nakedness

Nakedness is nakedness, saying:

"I've nothing to hide,  
I am what I am, and I'm not filled with pride.

You see what you see, what I reflect,  
so be respectful and my truth protect."

'Tis but those foolish filled with dark thought  
who "think" that nakedness is sinfully fraught.

So now is the time to let pure truth unwind  
so that to others, and selves, we become more kind.

'Tis only when the mind is fully free  
that the truth of LOVE all will see,

So 'till this time I ask of thee,  
cleanse the mind daily to help it stay free.

For, our Star of love shines for you and you  
and its essence is oh so true.

Call on it three times a day  
and our love and caresses will flow your way.

GOD calls out:

"Oh lovely children, I call out to you.  
Only to ME, your God, be true.  
Please leave all earthly men behind,  
'tis they who are so blind."

## ~ Wantonness ~

Wantonness is not what you “see,” for “free giving” means many a possibility.

You can be “**Wanton for lust**” as your flesh upon others you thrust.

OR

You can be “**Wanton from need**” and seek others to with your loving seed.

OR

You can be “**Wanton from desire**” to uplift the ailing higher.

Either way, I do see your “intent” needs be examined by thee. For your intent will turn into deed, and it is the deed that does your soul seed, either with light or dark, for through deed do each place their mark.

So let your “mark” be one of Light, by all means share your “delight” to those who can it see and who try not to deny thee. But do not it “force” upon those who as yet divorce themselves from the truth of the Light that says:

“Share another’s offered delight.”

## ~ The Virginal “Plan” ~

Every man has a desire to express his seed. To receive it, woman has a need. As each does with the other entwine with love they experience the divine.

If the man’s expression is clouded with sin, being **lust or greed**, then **pain** may be expressed by him and then the woman will cry, and ahead she will him deny, then he will her take and both of the darkness sup and partake.

If the woman is clouded within having **fear or vanity** as her inner sin, then too she can “distort” her need and her creation abort.

Thus too does she **deny**, so you see, with any sin within, all do cry for none can show respect, all have forgotten how to their virginity protect. Yes, woman and man had a virginal “plan,” meaning, to of “inner sin” be free, thus not “tainted” by the one whom dark be.

Try now and abide with me, let God’s truth flow forth through thee. Be kind in all you do, thus to the dark are you true, and as to it you naught owe, home to the Light can you go.

It does not matter what I say  
all will take it the wrong way  
until within of dark they are free  
this I see - this Is

~ Temptation ~

Temptation is when Satan does your mind breach. Temptation is when Satan does your mind reach with thoughts that turn you away from the command that God did say was what HE did require from the children HE did sire, being, that they were to "LOVE each other," and thus abide above.

IT is Satan whose "whisperings"\* did draw near. It IS Satan with thoughts that veer into your minds via your "Sin," thoughts that say: "You can still win your return up above even if you heed me and don't love, because, you have a right, and deserve to allow your actions to my way swerve."

So temptation is when we breach the teachings our Father did teach, and the tempter who led us astray is also the one who makes us pay for the error of our way, when we heeded its say. And when we use its power as a ploy, it the dark one, does us eternally destroy.

And the temptation is but that we did "Sin," enacting out the dark emotions in our "Sin-bin" to the extent that we others do "break" and from others we steal and "take." It is nothing to do with "Sex," that is another satanical "Hex" imposed through the minds of silly men, "poppy cocks," exposed via this pen.

As said, temptation is thoughts that enmesh with our minds, and thus our actions impress to the extent that we cause others pain, and thus sinning because we are vain.

So children heed now the Word of God who again walks with you on earth's sod. When you make love to a "girl," God's child, it is this "expression" that keeps you sane and mild, "So love all God's daughters on the sod, respect them too," I hear as I plod, and then God will respect you for seeing that to His daughters you are true.

~ Self-Realisation ~

What is SELF-REALISATION to you? Is it the realisation that you are true, that GOD you have found, by ignorance no longer bound, and that from this "day" you will believe God's say.?

That you are strong enough to forego any dark stuff? That from this day on only light will from you be SHONE out, into every dark place where others still wield a mace, and that you will not any "deny," that for your "aid" do cry?

Is that "Self-Realisation" for you? or is there aught else you would DO.? You understand that "within" you know that your soul did WIN and thus you can now "relax," and no painful thoughts you "tax."?

For self-realisation to me, means that you CAN SEE the core of the reality, being, that LOVING IS SPIRITUALITY, and that if in "Love" you can abide, then Love does with you stride.

And when this you do realise,  
then truly you have become WISE.

~ **Fleshly Charisma** ~

I speak of "Charisma," I speak of ME. I speak of the "SOUL" you cannot see. It is hidden in the very deep disguise of an earthly man, simple, not wise, and his "Charisma" is "low" on the scale, for the soul would have it that you **follow\*** the **TALE**, the **message** in the **book**, rather than a fleshly man of "good look."

So if you look at the man you will fail for you will see that he has a **tail\*** showing that he ignorant be, yes, possibly more worldly ignorant than thee, for many of you follow the flesh and with MEN of "Charisma" you enmesh, thinking that as they charismatic be, that they the truth know and see.

And how then does a Christed soul self REVEAL? It is by their DEED and, that from others not steal. Man always seeks a flash of fire to uplift him from out the mire, and on this level we needs BELIEVE the subtle **WORD OF GOD** and its truthful weave.

So at THIS end time, believe me, there shall NO flash of fire be, only silent messages will flow and from my PEN, grow and grow, and those that BELIEVE will QUIETLY spin their weave, believing the messages from out my pen and trusting I know the how, why, and when.

That they believe that I the Christ be matters not between you and me, for vanity and ego will deceive all who look at me, seeing me short not tall.

People here like people STRONG physically, and intelligent, with power that's wrong, so 'tis but the SIMPLE who'll see me, and think: "**He seems truthful to be.**"

And when they see that I am not wrong, and the planet reels and brings down the strong, those who did me believe will be greater fortified in their weave.

And others who my truth could not see will be ashamed to come to me and the forces below "tall" will drag them down, and they will fall.

So 'tis but my SOUL that is WISE, as said, hidden in a very deep disguise, for as a "thief in the night" have I come to TEST YOU, yes every one, to see if you can follow THE TRUTH, God's call.

The message is THE PROOF, and only those who the message do SEE will by the SOURCE SAVED BE. So one more time I do SAY:

**“Follow NO MAN today.  
HEED the call from up above and thus one another "ONLY LOVE."**

~ The Keys to Heaven ~  
 Authority of God's Word v/s authority of man's Church

I write to you reference the word "Authority," and man's Church, confirming their impropriety, for their "Authority" was placed "on" a man "Peter" who was a part of God's plan and thus their "Authority" was by a "blessing," thus with the REAL TRUTH they were "messing."

For, by this Authoritarian "disposition" did THE TRUTH become lost in "position," for Ministers said:

"'Tis but we who are blest and by "Succession" is God's Authority on us impressed, so 'tis only we who know the way, come to us each Sunday and pray."

And as said, the "Rock" is God's WORD of "PEACE, wield not the sword" so all who follow Peter the man heeded not the CORE of God's plan.

Thus their houses with rocks made of "silt" were also on quick-sand too "built," and thus all will now be washed away unless they today heed my say.

For 'tis I who holds the KEY to heaven, being God's Wisdom, yea verily my leaven that I freely again give to you, hoping you'll try and be true.

For time now does swiftly flow past and good days won't longer last, and any who think that Hell's gates can't prevail at a man's door will for sure quail.

It's only those Peaceful\* at the knock on their door who'll not die in shock, for they'll not fall down "below." To heaven, my world, will they flow when as a Lamb they do pass through a heavenly barrier, like glass, and then my truth they will see and be glad they believed ME.

~ False belief ~

God's messenger has "come through" to do what he must do to all humanity. SHOW that the wrong way they yet ALL GO. Believing they are already "saved," believing their destiny "gold paved," believing that they can destroy the ones they think are in Satan's employ.

NOT seeing, 'tis they with whom Satan does daily "play."

For, as "they" are **unkind**, 'tis Satan their minds does blind, and Satan **has been\*** so subtle and cunning that all humanity he has "running" each and every different way. NONE heeding GOD'S SAY.

So any who "play" with God's "boy," me, thinking I am but a "toy," had better soon think again or for sure you soon will feel pain. I am here to help you so please stop saying 'tis me untrue.

'Tis time to keep vain mouths "shut" and behave like a helpless mutt, for "**As a lamb you must go**," did God say, "**IF you'd join me one day.**" So in "silence," like a lamb be, if in heaven one day you'd be.

For all who in **wisdom\*** retaliate, for sure will soon be "late" For the "window" in heaven will close soon says the "pen" of God's rose, and there is so little time for YOU to understand my rhyme, so READ rather than SPEAK, and God's FINAL message SEEK.

Friends I have "returned" your way because my love for you is forever and a day, so please try and heed my voice, but for sure 'tis your personal choice.

~ **The Quick and the Dead** ~

Who are the "QUICK" and who are the "DEAD."?

The quick are those who feed on God's bread, the bread being this Wisdom of mine that takes the soul UP to the land divine, where for sure it is "quick," and you can move fast with a "flick," a flash as one streaks around with a clear mind and soul sound.

And

The dead are those that die, for they are blind and do not try to heed the message I do bring, so their soul will never sing. They will fall and they will freeze, and for eternity crawl on their knees, pleading to be let go from the darkness that does flow eternally in that cold place where every soul wields a mace.

So I now say, "**Come to me, any who'd "quick as a flash be."**"

~ Song of the soul ~

Every soul has a song to sing as God does gently pluck a heart string, and as the plucking begins to strum the expression of LOVE is undone, and that soul does its song sing and within does happiness take wing, and the song does grow and grow and God's love does begin to grow.

So all true lovers wherever you be, please heed this soul and be forever free. Reach out with love to all you meet, let them through you God greet.

Children I can only show YOU the 'way,' and that you SEE IT I do pray, for treasures of light, and treasures of love, await for any who aspire above.

You cannot even dream of what is in store. Eternal paradise that's for sure for the magnificence of the Creator awaits you, but first YOU must show that YOU are true.

Nothing but nothing this end can compare to what in the heavens for you I prepare, for the infinite intelligence of Wisdom and LOVE has abounded from the beginning in the land above.

"Please seek deep," I ask, for there are infinite treasures within your flask, treasures which I will expose, first you show that you believe this rose.

I speak of FOREVER when I speak to you. I speak of FOREVER for all souls TRUE.  
I speak of FOREVER, and evermore. I speak of FOREVER for what's in store.

Both ends of God reach infinity. Both ends EXQUISITE, please believe me. One of PAIN forevermore, one of PURE JOY that's for sure, and ANY that me believe will NEVER ever again grieve, for your soul cleansed of darkness forevermore will only experience true love for sure.

And you CANNOT imagine what it is like up in heaven away from the 'spike.' Every soul perfection in every way, all reaching out saying: "Join us today" with infinite Wisdom and love flowing through from the source of the Creator, through me to you.

Oh sweet sisters, and brothers too, I pray you'll join me for my truth is true, and my way is the only way I say to you, way up to heaven to our Father TRUE. For it is TRUTH that HE speaks through me for, forevermore would HE have you free, and His sweet Wisdom from way out the past will forever and an eternity, last.

So I reach out this one more time calling you near to sup my wine. Wine of WISDOM, wine of TRUTH, wine of reality that you stand not aloof from ANY you meet as you stroll along.

SHOW BY DEED you've heard my song. This truth from heaven I now whisper to you, for if I shout you'll think I'm untrue, for many shout but none seem to hear, and I am the one to eke out your fear.

I, and our Father, AM now cleansing you of ALL your sin if you are true to the Wisdom streaming down from the land of love where forever you can abide when you go above.

~ Earth plane ~

This plane of earth I do see is but a level of materiality and for our soul to thereon walk must we in a fleshly disguise stalk. Like a man on the moon we are strapped into a space balloon, a fleshly disguise, so that none can see what type of spirit within there be, and after a time the suit does wear out.

At this time does the soul give a great shout, home, home at last. We go home back from the place we did for a time roam. That is what we do shout if others we did not clout, for those that below go wither in the truth God does show

To those who do not believe  
to those who did brothers deceive  
to those who did others misuse  
to those who did others abuse

So fear not when the flesh you do leave, for the good it is not a time to grieve, 'tis just a time when you do part from earthly friends and again make a start with those in heaven you left behind for a time, when in the flesh God did you bind to walk on this lowly place, to help your brothers still wielding a mace.

And on this level, your mind I see is like a radio that out of tune can be, for when receiving more stations than one is there confusion and you fall undone. For telepathic **receivers\*** are we, receiving thought from the many levels that be invisible to us in the flesh.

And we need try to with God enmesh, meaning the level of light that emits truth in the darkening night, and if to this level you can tune in, then for SURE you stay sane and WIN your journey and your task, the soul's journey under the fleshly mask.

So remember what I say to thee. It is the SOUL that survives for ALL ETERNITY, and as the soul does evolve can it the mysteries of the universe solve, and in time does it aspire and abide forever way up above the mire of this level and those below. **"Believe"** I ask, **"The truth I sow."**

Remember, to your journey win must your mind be clear, and free from dark thought within, and 'tis the Star high up above pouring out cleansing rays of God's love making sure your mind stays free of dark thought, rising up within to control thee.

Listen, believe, heed. From within now arise the negative breed. 'Tis your choice of what you do, whether to the dark or the light you are true.

~ In God's likeness ~

Children, we are the creation of the love of God, and we express God's likeness even when on the sod. The likeness is in the spiritual form, not the flesh which on earth we have worn.

It is the essence deep within that is of the light, and also the sin, for both sides are of God, you need understand this as along you plod.

One side is the love the other is the hate, so heed my word or you will be late for the light, which is the love now cleansing out the sin from up above, and only when the sin is drawn clear is your soul free and to God's love you draw near in totality.

Please this 'believe,' for God's truth is endless within my weave. And we express the reality of God, angels hear this and they do nod in unison as I now write, for it is WE who express God's Might in the positive, and the negative too when we allow the evil through.

For, as we are growing spiritually, both sides of God flow through us freely. We need feel and we need learn that the side of love we have to earn, through Wisdom, and understanding too with what we feel when we're untrue to others when we wield the mace to others of the universal race.

So now heed me and forever you'll freed be, for your journey has been an eternity long, for it takes that long to learn about wrong which as yet you have been unable to see, 'tis why once again God sent me to thee.

So with His Wisdom, that of **THE WORD**, you'll heed the **message** about the **sword**, and in the understanding you'll stand calm, and having **REAPED** reach eternal balm.

The eternal balm is but another place of infinite beauty, where none wield a mace, the place where infinite truth and love abide and where forever you in pure happiness stride, and forever are there things to do and forever can you places go to, and forever is that world too.

And forever you'll make new friends too, and forever can you things make for there is no ignorant negative brake of ignorance in the mind that on this level is so unkind.

"Believe me" I say to you, "Can you not see around about you, for the vision of the intelligence of God abounds even here in the world you plod."

~ Worry & Control ~

Worry not and fear less, these two I must impress, for if from worry you stay free 'tis much easier to follow me, and my way is the WORD if you've seen, and also heard.

So dear friends who this 'read.' Please prepare your minds with all speed. Let God's love shine through. To God remain true. Let God's love shine through you. Show the world you are true.

All armed forces show CONTROL by someone who would someone OVERROLL, and ALL control comes from below where insanity and greed, does grow.

'Tis only the light up above that pours out freedom with love, where all but all equal be, for all there are those who are free from negativity.

Some for sure older be, with deeper insight flowing free, and the light that forever flows through increases feelings of JOY in those true. For forever do some strive to uplift their brothers so they'll survive, and the joy the reward that be, can increase for all eternity.

Oh my brothers try and see the TRUTH from eternity shining through me. Uplift your brothers with your love, show you are true to God above. I show the subtleties of the negative breed and how in the minds of the "good" they feed.

Take the case of the supposedly free world, and how they control others for THEY are controlled from BELOW themselves I see, as are all Governments on earth and sea, believing that FORCE is the right way out and that they have the RIGHT to wield the Devil's shout.

The shout being; "DESTROY those in the way, destroy all that show power play, for if we destroy them, WE are free," is how evil thought blinds us to God's reality.

So I remind you sons of the sod that it's time now to remember GOD, for those of the flesh, who use the strength of the right arm will fall below to the Satanical charm.

Many Nations I see were "raised" in the name of Christ's See, Truth and Justice, and the ways of our Lord, but by your ACTIONS you heed NOT the Word: "Forgiveness, and Mercy, and turn the other cheek." Not "Use the sword to subdue the meek."

And I warn you now sons through this pen that soon many will fall to Satan's den. The DEN BELOW where ALL WILL GO who through THEIR thought allow evil to flow, for our God ABOVE is very real, so TOO THE DEVIL who'd every soul steal.

Burning chemicals torturing souls, poor little children cringing through men's spoils. Spoils of TAKING, Vengeance and greed, truly men controlled by the satanic breed.

And I am HERE to BID for those MEN who need to remember HIM again through my pen, for now the Planet's test really begins and non believers will fall through their sins.

~ Manifest Energy ~

The earth and materiality that we see is but energy that made manifest be, but the spirit deep, deep within, IS the spiritual essence that did BEGIN, that was at the beginning, and can never end, and IT is the truth and reality friend.

IT goes on, and on, and on.  
'Tis only materiality that falls undone.

The soul goes on, but it can change in intensity and wisdom, and further range, and its expression limitless be, its brilliance getting brighter, forever we see.

See the truth of the OTHER SIDE, don't let its reality from you hide, for if you CAN in heaven believe, 'tis more difficult for the dark one to you deceive.

Deceive you so you won't abide in God's Word and thus fall aside, aside from the WAY of, give with love, and thus fall below and not aspire above. So heed me, this I ask, set your souls and reason to task.

“Reason” is all I ASK, see the reason of LOVE and in heaven bask, for IF we give love and share and care, be forgiving and merciful e'en when the cupboard is bare, then for SURE we've heeded God's Word and we'll be uplifted to heaven by our dear Lord.

Is it possible for God to appear in the flesh so as to with humankind to easier enmesh.? On this point would I further speak to enlighten you who are as yet are a little weak.

GOD IS ALL so even the flesh is OF GOD, so God's ESSENCE is here on the sod, but God's EXPRESSION, His mind and face cannot be seen by the earthly race.

ONLY divine souls can God see for 'tis God who reveals it to them see, and the Wisdom which is God's THOUGHT, again can only by a divine soul be brought, brought into this world FREE, flowing from their inner source of divinity.

So 'tis not good enough to sit on the fence and pray, HOPING for clarity to come your way, for in your DENIAL of my kind, others could follow you and become blind.

~ **Barrier to the soul mind** ~  
the wall between consciousness and soul.

I tell how it works and how its **spell**.  
Why it IS that we need to be out of **reach**\* of our spiritual seed.

The consciousness that you use, is so that THIS LIFE you diffuse, diffuse meaning, act it out without the memory of the soul's shout, for the soul within does REEL from its truth, and pain feel.

Feel from what it did before when in ignorance it hurt the poor. So EACH LIFE is a test that's ADDED ON to all the rest and, each life you new truth SOW, which back to the soul does flow.

And changes take place, deep within which ALTER the **state**\* of the **Sin bin**,\* **lifting UP**, or **dashing LOW**, and new understanding does IN flow.

'Tis only when you life pass on that you SEE if you fell or WON, for in passing over you REALLY SEE what CLASS of spirit you really BE.

NOT what you did believe  
NOT what you did perceive  
NOT the colour of your skin  
but the COLOUR DEEP WITHIN.

For some are PURE and crystal clear, others dark like wood veneer. Others black, through and through. 'Tis in this way we see who is who. So, IF into the flesh you could see, it would be very difficult for some to be, to be at peace as along they strode if they KNEW of their heavy load.

So God above who loves all would GIVE a fresh chance to all, for in EACH LIFE, IF they the Word HEED, they clear the past and light in feed. So 'tis why the earthly test, where in each life, is new truth IMPRESSED, and over time, and time, we see EVERY soul one day again with God be.

~ Lower levels of darkness ~

Those who FALL and downwards go can for ETERNITY downwards FLOW, for eternity below is the darkening night, as is above for eternity ever brightening light.

And the more that you do USE negativity and its power diffuse, the deeper the darkness within your soul and the EASIER for deceit to you control, and over time, and time, and aeons of time, can you fall FURTHER into the grime.

And more and more does your soul fret as darker and darker does your sin get, and as your sin does RISE, to clear, the full power of Hell will draw near, and you will be INFUSED with insane hounds whose tortuous thoughts will ARISE, from demonic grounds.

And through your insanity could you FALL for you'll be a destroyer and make others pall, and if you DIE as you others destroy, you will fall to the DEPTH corresponding to your ploy.

UTTER darkness some levels be, freezing COLD the icy winds blowing free, and MERCILESS beings hound you on that shore where FOREVER you'll feel TERROR and can't die for sure.

So now put a STOP on your negativity before you flop, and TRY to reality SEE, BEFORE you are overcome by insanity, for soon ALL feelings to rise and soon, will ALL, others despise, and through THIS if we KILL, we will fall below and fill Satan's TILL.

For Satan too Bid's for you, as does the God of MERCY too, so now 'tis up to YOU to see the light and DECIDE what to DO. The negative feelings we MUST FEEL, this is the way understanding does in steal, for our souls need to understand what it's all about, the darkness which RETURNS with such a CLOUT.

Yes, returns when we it USE, when WE others abuse, **so it takes a LOT of power within to OVERCOME the feelings of sin.** It takes a mighty man to it dispose so its negativity onto others you don't impose, for **if we it USE and to others lash out, IT WILL RETURN and you'll feel its clout.**

Friends, if at present my truth you cannot see then all I can say is, believe in me, for I have just walked a LONG, HEAVY ROAD, just so as to help you and others free of the load.

For, each time I **come back\*** I needs again understand CONSCIOUSLY the power of the satanic band, and I like the others must be near the **give in\*** BEFORE I can see the **power of sin.**

But once again now my soul is clear, this is why God's thoughts are true and near. MY MIND is kept free from satanic men when I wield, as now God's sacred pen. Like the rest, you may me not believe, thinking; **"How can anyone so believe, for Christ performed miracles on the sod and Terence is just an ordinary man."**

But I am CLOAKED in a heavy disguise and can only be seen by the very wise, for now's not the time for miracles see, now's the TIME for believers to be BE SAVED, and forevermore grace God's heavenly shore. So ONLY WISDOM flows through me, all that's needed, so you can walk free.

So friends, now your TEST to see if you can be forever blessed, for IF you believe in what I say, then you WILL FOLLOW Jesus' way, and His way was the WORD OF GOD, Peace unto all here on the sod. There is NO halfway to in the sunshine bask so friends, set your souls to task.

EVERY SOUL shall be attacked from within. GOD will see who hears His message, "Don't sin." The eternal struggle to reach the light is accomplished by those of inner sight who can BELIEVE what they don't see, see with their eyes of materiality, and as such walk in blind FAITH.

And God will encircle THEM with His golden wraith Of INVINCIBILITY so spiritually they return to the land that be, where they were CREATED aeons ago and where they again now long to know. For, eternal was the outward path into the Universe away from God's Staff, His home of pure love, so now believers will return above.

Heed me children I do ask, heed the wisdom out my flask. As I AM so shall ye be, finally freed forever of all inner negativity. It is through our MIND our test and, is the test on ALL now to be IMPRESSED by spiritual forces way, way below, who daily now all minds will slow.

You will all see, you will all feel feelings and thoughts that will make you reel, and ONLY THOSE who believe me and USE MY STAR will get free. Try hard please I ask, for ahead now lays your final task, the task to help others with LOVE.

SHOW THEM that YOU heed the cry of the dove, for in helping them they will follow you, GOD'S light and love to which you are true. Understand please what I say for heaven is forever and ever and a day.

So fear not what is OUTSIDE, it is from WITHIN the battles ride. How WE react to what we see are the feelings and thoughts within. That be the deciding factor as to WHAT we do, the deciding factor as to WHOM we are true, the deciding factor as to WHERE we will go, the deciding factor as to who we follow.

The ACE at the top of the pack, or the knave the black jack, whose cunning and evil ways have mislead all for countless days. See it and see it clear, TRY NOW and draw God NEAR. His yardstick the WORD BE, so that the "which way," you can see, heeding it and you have WON your eternal return to the land of Sun.

Bless you children. I do ask heed me now, soon the final task.

~ Falsity of Christians ~

I was raised this life in the Christian See, even though now I of no denomination be, and from my letters it may seem that with criticism I the Christians ream, meaning, against them shout, saying they are wielding a negative clout.

And why it IS that I so go is because to the whole world do they show that THEY deny their God, showing that THEY ARE disbelievers as they plod. For none, but NONE do their God heed and thus SHOWING they support the dark breed.

And these supposed Christians ACCUSE every other race of being Godless, as they BOTH wield the mace, and I hope that ALL WILL SEE the reality of what I am showing to thee.

How everyone has gone astray over hundreds of years up to today, and ALL are brothers, all must see and ALL heed the ONE GOD speedily, any that is who would SURVIVE this last destructive spiritual drive. For those who cannot God hear will NEVER to heaven draw near.

So, EVERY LETTER WRITTEN is for ALL, for ALL can as yet others maul, and I wish for you to UNDERSTAND the insidious power of the negative band. I seek not to criticise thee, so seek not to criticise me.

I seek for to but you SHOW  
what you ARE DOING, and WHICH WAY to GO.

For heaven is the END of life's race and we need to be CALM, as we pace, following not those who went before whose destructive ways are very poor, for destruction leads but to hell, an eternity long spiritual spell.

So why go for a hellish ride just because of arrogant pride. STRIVE to be meek, being meek is not weak. Being meek you are spiritually tall, being meek you'll not fall.

I AM the author of Christianity, and Christians are you ONLY when free within of inner sin, and only then can you win. So now try HARD to HUMANE BE, then ONE DAY you MAY a Christian be.

Don't try to under any banner fly for all deceit is visible to God up high. I hope you try and see what I say for all written is sent by God today to ANY who does this book read, and who TRIES to emulate my seed.

~ Governmental Control ~

ALL "control" shall cease once all find inner peace for then, all shall freely "give" and all shall in happiness live, for truly it will be the time for to in happiness entwine.

And all shall freely move "around" not "bound" by any "control" sound. It will be a time of "haste" for there will be no time to "waste."

It will be a time of "clean up" after the "going" of the satanic pup and thus I do see, there will NO Regulations be, just an Advisory 'board' rather than an "overlord."

So children soon my deed is done, soon your freedom won, then we will truly see what the word "Gaiety" be, and love does abound, and wonderful music is found, and we will dance in heaven and below because God's TRUTH I did sow.

~ Discernment ~

We need to discern who has the right to "earn" the light and love we bring, so they can in happiness sing. Who needs to "hear" the truth that we bring near. Who needs to "see" the power of the light that be.

For many would our time "take," dragging us down with their "rake" thus wasting "our" time, and soiling us with their grime, for they are not ready to listen to the truth that has been written.

Their minds in deep circles go and no light in them does flow. These we must observe and from their clutches "swerve" and leave their souls to GOD, who helps the truly lost as they plod.

We must seek out the meek upon whom vengeance did "wreak" its toll and them abuse, and their minds they did "lose" to the darkness for a time, and also soiled their hands with grime.

Those are the ones who need Truth and thus their souls reseed with hope, so they can grow and new light and love does flow, welling up deep inside their soul as they daily stride.

So, they too go on their way, passing on the new truthful say, helping many others to clearer see the how and why all be. So all who pass by our way will have something to say,\* some to seek and take\* for deep darkness does their soul rake,\* others seek to understand what by God was planned.

So it is now up to YOU to decide what to DO. To daily waste your time and soil your soul with their grime or, reach out and others touch who TRULY need your time as such.

~ Honesty ~

Honesty I do see is the key, is the key for a searching soul to use if their own soul they'd not abuse, and this searching soul needs find the "Key" to the "quiet" mind, one that is free from devious thoughts that float freely UP from realms below and their whisperings\* in minds sow, in minds that "open" be, this I see, this I see.

And this "opening" to the mind that makes many dishonest and blind, IS the emotions deep within, the dark ones, the inner sin, being Fear and Anger too. Ego and Jealousy but a few, of the "forces" that now swifter unwind, thus, humanity more unkind.

So my wisdom I send thee, on page 43 it be,  
THE Key that all must follow, and MY voice rings out not hollow.

For ALL who heed not me shall by dark thoughts blinded be when their dark emotions arise, to clear,\* as God's LOVE draws daily more near and thus many shall "Possessed" BECOME, and THUS many shall "fall" undone because they made others bleed through MANY a dishonest\* deed.

Sisters and brothers I reach out to you, for you I know have souls true and say as you go your way: "THE LIGHT on earth shines today," this way to our Creator are you true to the message I send to you, the one that o'er time did unfold through my soul so very old.

~ Indulgences ~

There are those who "think" they can Indulge on darkness and then their pockets with indulgences\* bulge. Children, men are very foolish I say who "think," to heaven they can buy their way by paying for any "misdeed."

This is deceit that Religion did seed as a "way" to "seduce" you into "thinking" that they were true, and thus they do you entrap,\* and thus Satan does your knuckles rap.\*

For, it IS the deceiver who spins a weave in men's minds of "make believe," that you can deny our God and "indulge" on this sod, and then by "prayer" pay and avert the Reaper another day.

Children, only I am the soul true. Indulge ONLY in what I say to you, that IS, you will pay for any "indulgence" on darkness any day, for the "Reaper" wants to repay thee in the same manner you "took" see.

And you cannot for it "pay." Only in fiery flack\* will it come your way.

So please "pray not" at the foot of any man. All who so "ask" are of the satanic "plan," the one that has "men" control the ignorant who on earth stroll. So Open your eyes, become wise, God says :

"You will Reap what you did sow," this truth I do know.

## ~ Expression ~

Ones "Voice" is a sound on the "air," maybe a voice from "below" that would another "snare," or a loving voice from "above" showing all the existence of true love.

I but a messenger be. I hope some of you do it see for you all are a little "bound" until pure love has your soul found. Let your "voice" flow free only if it can "see" that it must only express love, only thus will you "go" above.

IF darkness does through you flow, my voice you heard not and don't know and thus, you'll fall down to the "lower land," only then will you deeper understand.

Our "beings" are but "energy" this I know, and "through us" does energy eternally flow, either **light** that is crystal clear, or darkness that does us "**spear.**"

You choose today for I soon go away to my promised land where I'll await with outstretched hand to welcome you, and you, and you. Those who try to be true, not to the man, simple me, but to God's Word that flows freely. IT upon your minds impress thus your souls you bless. Please give it a glance only thus does your soul have a chance.

A terrible "loneliness" does through me flow for the depth of the dark I do know and I see what I see, the place awaiting some of thee and I would you save. I, forgive you for the "sound" you made, but some for sure will cry, all who me deny, "**For the Law is the Law,**" this I know for sure.

**"And all will for their sinning pay,"**  
that our God says "**Is My Law forever and a day.**"

I bless you on your way, my love flows stronger every day.  
My "eyes" now look up to the star above. Seek it I ask, it is pure love.

## ~ Enlightenment ~

Enlightenment is of what? Is it of the soul or of the mind that you seek?  
 Realisation is of what? That you are "meek" or, yet an arrogant "freak"?

True enlightenment is when you can "walk tall" and be peaceful when under duress and not spiritually fall, because your soul is "enlightened" due to God having purged it of all Sin. Meaning, that there is no "dark energy" left therein, being the emotions of anger or fear or greed or any other that o'er aeons of time you did within it seed.

True enlightenment of the mind is thus when your soul as per 'above' is free of sin and thus you are no longer blind and you can see God's requirement of thee, being that you never "mistreat" those whom you meet who are yet "blind & unkind."

True realisation is "attained" too when your soul has become "true" due to the grace of God after you heeded God's Command that you "Only love, peaceful be, and never retaliate against avenging "angels" sent to punish thee.

Once you are "pure & demure" then this realisation upon you does "grow" and also pure truth from above from the Light does God upon your mind daily bestow. Only then do you fully realise the importance of being "humble" and wise and heeding our God of Light who eternally says: "Never fight."

An enlightened person never "sits" in idle meditation but aids freely every distant "relation" by showing them the "way" to go as per my pen today. The "enlightened one" realises that they are not "God" nor are they "elevated" above any other spirits who on earth do plod. They can clearly see that all are but God's children seeking to become spiritually free.

It is now the time for all to see that the achievement of "enlightenment" is only attained once any being has followed the path to SALVATION as given by GOD, not man. And only when one has attained salvation is ones soul purified and thus 'free' from all negative energy, being the negative emotions within. (greed, anger, fear etc that is the SIN)

Once this PURE "state" is attained then and only then is one fully enlightened and becomes a "Christed" soul, and only then able to bring forth the pure teaching of Allah/God.

There is at this point in time only ONE such person on earth and that is the returned Messiah ME. Only I have attained a purified soul sin free and only I bring forth the pure uncontaminated message from God to ALL of every race, colour and creed.

Only I know "how" God cleanses out the sin that is drawn in by negative deed and I can state categorically that all "teachers" of the day who self elevate themselves as they make others pay for supposed "enlightening" information are themselves deluded and on the way to a distant dark destination for a time for deceiving God's children who try to their meditative ways mime.

An enlightened soul comes to the realisation that all men perceived as "errant" and promoting "rubbish" do in God's eyes deserve the opportunity of being aided along their unenlightened path.

~ Friends ~

It is better to "be" with friends when you are "bruised" rather than "stuck" with those who you "misused." Its easier then to pray and tell God, that never again on any day will you others misuse and make them suffer a "bruise."

Let us all now abide in love, and be daily blessed from above. My love goes out to you, the abused and the untrue, saying:

"Please now follow me, my love and truth sets you eternally free."

There will be a wonderful "Exodus" to the "above," my land of eternal love, to those that heed me, for God will set them free. This I do know. This truth I do sow, so please now join me, we'll dance forever and happy be.

The "Reality" that all need to clearly see  
is the simplicity of the TRUTH that BE.

GOD says:

"LOVE ONE ANOTHER, for all are sister and brother. If YOU cause any pain YOU are vain thus, you too will REAP what you sowed, and WILL weep.

If abused, then turn the other cheek. ONLY this way do you remain meek.

Be forgiving for SURE to any wrongdoers who come to your door. Bless all who abuse you, thus to your Creator you stay true.

Let compassion and mercy flow free and I, your God, will release thee. Be concerned not what others DO, just YOU to MY call stay true. Freedom of choice is what life is about.

You are free to unto all on earth SHOUT saying, the Prince of Peace IS here, to God's message through him draw near.

If confronted then GO as a lamb to the slaughter, retaliating NOT, and become My heavenly son or daughter."

~ The Moral Issue ~

WHAT is a "moral" issue? Is it about "fleshly" tissue? The "playing around" with the flesh in which we are "bound" for four score years, ten and a day on earth, searching for the "Godly way."

OR, is it something "deeper," that twists and weaves like a climbing "creeper" that shows not its beginning or end, whether a dangerous foe or trusting friend.

The moral of the story I say to you is being to The Word TRUE. Simple is it not when you "see" the core of the "plot." Simple in that we need ONLY LOVE and be peaceful unto all who on earth plod says the dove.

Any "soul" lacking "morality" is a soul that is lacking wisdom and "spirituality" because their minds "clouded be."

And thus, the simple truth they cannot "see," reference the man Jesus in the flesh whose "simplicity" he did impress onto all around who, "seeing not" his light, him "bound," and did his flesh destroy, "thinking" he was no "man" but a "boy."

And these same "men" today with the WORD "morality" play, saying that it is the feminine breed that by their "actions" lack the moral seed as they their "womanhood" flaunt and thus man's "lustfulness" taunt.

Sisters and brothers I say to you that morality has nothing to do with the "male feminine bit," in "relation" to The WORD OF GOD you needs it "sit." So the moral of the story today IS, that NONE heeded my past "say."

All were thus blind, all were thus unkind to their sister and brother and abused one another, and THIS lack of "morality" was caused through "perverted" spirituality.

Thus all went astray and ALL yet heed the serpent today, so IF you'd become spiritually free, heed the "MORAL" I speak to thee.

### Western Respect

So now my Star does rise in the East and on it must the "West's" eyes feast, for the West must now learn **RESPECT**, and on their past deeds now reflect, for the West did the whole world subjugate, as forces of greed became their 'mate' and thus, **destruction they did 'wed,' and with "destruction" they now will "bed."**

For 'tis the West now to daily fall deeper into the mire, and all are to pall for they have forgotten how to live, and too how to the needy "give." For, as they took, the darkness will them rake and any destroyers will burn at the stake, for as said, now it be the time for the Reaper to see

**Who did their God forsake,  
who was forever on the take,  
who deceived the poor,  
who is to fall for sure.**

So prepare your end, using the message I send, for the Reaper is to knock on the door of every deceiver, that is for sure, and any who learns not from me will for sure never be free, for when the reaper makes you cry, God's call from above don't deny.

The call of "**Don't retaliate,**" if you do, you'll be late, for if you retaliate and also die, your cries will be heard way up high as you plummet down the slippery slide, and demonic forces reach your side.

**And, as they TEAR YOU APART you'll WISH you had made a fresh start before you left the flesh, before your soul did with spirit enmesh, before you struck your last blow that sealed your destination below.**

**So respect for others IS THE KEY.** Now try and understand it IF you can, somehow, for it is the time for the truly true, to show the world what they can do. As it is in the beginning, 'tis at the end. God's love eternal God does send.

Heed it if you can, heed it and become a part of God's plan.

**Note:** heed it – Take notice of it and conform to it.

~ The living God ~

So another day over, and not much fun. Another day, when "understanding" and emotions did run. Feelings between "friends" who are not sure what is TRUTH and what is "poor."

But 'tis for me that I can think, for I know not what others "rise or sink." 'Tis a time for scheming I see, some more "bound" and others more free, but what I write is for all mankind so in them can understanding unwind, for we MUST others understand, then be FORGIVING for their dealings underhand.

Souls fall down every day screaming out "How and why did I go astray. I did God believe, why did God me deceive." And this is God's reply that calls out from up high:

"You child did not HEAR My call of; Draw the needy near. You child did not BELIEVE Me when I said I'd set you free ONLY when by your DEED you showed Me that you believed My seed Jesus the living God\* being My WORD\* given to the sod. So in denying him you rebuked ME\* and thus I set you not free."

**Note:** Jesus the living God \* - The holy WORD or words contained within the Command of God are THE LIVING GOD, the man Jesus is NOT the 'living God.'

The Primary TRUTHFUL and RULING Command of God stipulates:

"Go your way in peace and love one another and be merciful, compassionate and forgiving."

**Note:** living God being My WORD\* - "living" = living in accordance with the context of the WORD = Right action in the eyes of God = loving, kind, caring, respectful, peaceful, merciful, compassionate, creative, beneficent ACTION projected unto ALL at ALL times in ALL situations.

**Note:** you rebuked ME\* - You rebuke God as you deny or defy His MESSAGE of peace & love & mercy & forgiveness as spoken by Jesus, being God's Command and the Salvation requirement.

Any living 'way' that is in contravention of the WORD places the individual outside the Command, and they 'cast' their own soul into the Abyss, for as they sup on the forceful, punitive, callous, disrespectful, cruel, malignant and destructive energy of the fruit of the tree of evil in their ACTION against others they contaminate their own soul with ITS Dark energy that drags their soul DOWN and away from the Light of Heaven.

The message\* is "The Living God"  
Jesus being the bearer of that Word

Any of us can anything DO, IF the negative thoughts are allowed to flow through, yes, even kill or others maim, all in ignorance, 'tis a shame, a shame.

So who is good and who is bad? The one who threatens or the one who is mad, and madness as I it see, is just a soul that is not free, free from thoughts from way below that in their minds does unkindness sow.

So the one who threatens can become mad too, if they allow "those" thoughts to flow through. 'Tis a strange life I lead for only I can see the satanic breed. Aye, the souls of men who fell below who'd drag us down so they can crow.

One day all will my truth know for 'tis I who must the truth SOW, but by then much will be done by those below who'll have many on the run.

Yes, more and more will we now see, explosive emotions running free as emotions are cleansed out by the dove yes, truly drawn out by our Lord God above.

Put your minds to task men I do say, ONLY this way will you get to heaven one-day, for those deceitful men below would "their" evil in our minds sow, and they HAVE access, believe you me, and **INCREDIBLE POWER** as you can see. So build the ARK, the **ARK OF THE MIND** and to self and friends be a little kind.

~ The ladies ~

Is there anything I need say the "Ladies" way, for some think I am untrue, possibly yes, even you, for my pen keeps saying MEN and "HIM" reference our God in heaven rather than saying:

"Yes our MOTHER GOD does us bless."

Yes, you, you, and you WOMEN, are you "true?" For, what you need to understand, it is of the MEN that God does **DEMAND** that they now pray, and START their return today.

Did my "pen" any woman deny? Did it make any of you cry? OR, did it but say: **MEN, I do you despise who walk in the DEVIL'S eyes**. For 'twas man who controlled you, and did what he did do. Thus making you too deny your love flowing, thus you too to cry.

So when I speak of men, 'tis God that word CHOSEN. All women I love for I am the dove, so all you women who feel "lost" via this pen, read **THE MESSAGE**, become **WISE**, rather than your brother despise, for my message is for you, yes, any WOMAN OR MAN untrue.

"Those **TRUE will me LOVE even if I was wrong**" I hear from above from MY DIVINE MOTHER who says:

"So many fuss and bother not seeing that they entwine with ME, being MY LOVE DIVINE shining through MY SON, verily the first ever one."

So any of you who'd be **WISE**, do not attempt to me despise. Seek my message I give **THEE**. **ONLY WHEN SEEN** will you become free.

~ Counsellors ~

People seek a "resolution" to their problems, and this "seeking" from the darkness stems, for it is the darkness deep inside that would rational discourse override. So there is naught to resolve other than, "I will no longer revolve in the mode of resolution." For in it there is no solution.

Thus I will but ABIDE in God's message that does me "astride," covering me in its truth. I just need to "believe" its proof, being the message it does bring that says,

"IF in inner peace you would sing, THEN just fortify your MIND as the negative feelings within do UNWIND, for ONLY when they are "gone" is my personal journey "won," so I now will do my best to HEED God's call and THUS pass my test."

So any Counsellors true, I mean you, you and you, we must ONLY this 'story' now tell. All who heed it NOT go to Hell. "Men's" counselling "theories" are of the frost,\* they go on and on until both are lost\* in deeper and deeper "confusion" as fresh income\* brings greater "contusion."

So as SAID, heed me, seek to eat only MY BREAD, my Father's wisdom I do bring, and thus one day in Heaven you will sing. Just fortify your mind, just daily be kind to yourself and others too as you go your way and do what you do. Leave out all the rest.

THE PAST must be laid to rest, yes, dug into the ground with a spade and DAILY fresh ground "made" by looking to ANY new idea, one that contains not fear, and the best one is "What can I do for YOU," as a needy soul comes to you.

Forget your past and yourself. Put the past on an invisible shelf.  
Be wise, look ahead. Be wiser, heed my BREAD.

The dark reminds us of the happenings of "yesterday,"  
projecting it into tomorrow so we live not in a happy "today."

Thus we live the today in deep sorrow, so thus are we by darkness entrapped until all our energy has been sapped and then, IT does strike us down to a land where we forever frown.

Children, sisters and brothers dear, please to God's Word draw near.

"Yesterday please forget,  
just on being loving today, place your bet."

God says: "Please your love "give" so my light in them does "live"  
and I will uplift also you, and increase within the feelings true."

~ Helpers ~

The "helpers" are the lowest for sure because they sit on the floor, and in humility they do greet those who they do meet, and they are the lowest in this land for IT is as God so planned, that they are humble, and meek, so they can help those who are spiritually weak.

For they in the past did learn about the emotions that do others burn, and they also understand, what by God is of them "planned," that they carry no mace, that they but display inner grace, showing Father's requirement by deed as Mother's love they quietly seed.

And also, the helpers do see the value of humility in that a Wolf\* can draw near because "from" a Lamb\* there is naught to fear, and thus, the wolf we "tame" by teaching it the loving "game," and when it does understand, it too joins the heavenly band.

So my sisters and brothers so true, yes I mean you and you, remember that we must but "love every wolf," I hear from above, by extending a caring hand and a kind word of truth so they understand how, and why, they went astray, so they can see clearer from that day.

There is naught in the universe I see but brothers and sisters who are all in need of the truth, so that they stand not apart and aloof. All must "know" that there are places to "go" where love and truth unwind the "feelings" that them do bind.

So I bless you all today. I know you believe my say for you are a part of that love that abounds in the heavens above, and I just need to make it clear so that ahead you do not fear when "forces," to which none can "relate," begin their vengeful spate.

At this time, just stand calm understanding their destructive charm\*, knowing what its all about, that the light is drawing the darkness out of the souls we need to reach with the truth, that in the past they did breach, so that they have an easier way when "love" is given, and not power play.

Humility and respect does your virginity\* protect for if you begin to "berate," your soul you spoil\* and decimate with pain that on you does sit\*, and in your space\* it cannot fit. So you see, when we are blind\*, we suffer pain unkind.

If your soul you would not stain\*, stay clear\* and be not vain, because you all only know what you know because the source did it upon you bestow, so that you could fulfill its need, and its love and truth thus seed.

And IT, bestowed IT upon you because, IT deemed, that YOU were true. So please do not let me down for then for you, and you, I'll frown, for I write this today so you and many will come my way.

Seek deep into all I tell you, only this way will you see I am true, and then, you will fully understand, how and why its the ONLY WAY to the Summer land.

## ~ Darkness ~

Children, I speak on "Darkness" today and I hope you understand my say, for darkness can never "go away," it abides in the universe forever and a day and you cannot darkness destroy, if you try you are already in its employ.

IT only leaves you alone when you stop making others groan.

Yes, when others it do "use," it does their inner light diffuse, and when you thus them would destroy, the darkness then "plays" with you as a toy. So what we needs understand, we the human race, is that it is WE who must lay down the mace.

Only then will the darkness stay away, once with us IT has had its FINAL SAY. For it will us **FOREVER ABUSE** until our past we did "lose," meaning, that we did **PAY** our penance **IN FULL** for our past "hey day" when in arrogance we caused pain, when in arrogance we were vain.

Yes, God's WORD is TRUE. ONLY let love flow through.

So I now ask, can you not see the Power of our God, that BE the MIGHTY, the ALL, the LIGHT and the dark fall, and you cannot God destroy so play not with God as you would a toy, for God is mightier than thee, one day I hope this you will see.

And the darkness like the ocean be, that washes the edges of our fraternity, and if you build a castle upon the sand, you will feel the cold water of the underhand, IT will wash you away, so heed me TODAY for now rises the dark tide, **sup on it** and with IT will you abide.

## ~ The Devil's forces on earth ~

Children, ALL who play the game of **POWER** are the **DEVIL** with eyes that **red glower**. THEY are the **Devil's earthly FORCE** who try to make you too "divorce" yourselves from our loving God by retaliating to them as you plod.

So please do not TRY to make any **oppressor\*** cry. If they want to be **untrue** to the **Light** and cause **pain** to you, that IS their **say\*** as the Devil does with them play.

YOU must seek the Star helping you stay sane from afar, and thus in God's light abide so one day in heaven you will stride, and for those letting the Devil "through" their minds and hands, I say to YOU :

TRY to your iniquity see, I will then TRY and help thee.

**Water** ~ or ~ **Blood**  
 Forgiveness ~ or ~ Mud

You cannot wash **blood** with **blood** away,  
 only with the **water of forgiveness**, and pray,  
 pray that forgiveness is in your heart,  
 pray that your forgiveness gives another a fresh start,

For in your forgiveness you're forgiven too, for when in the past, by **blood**, were you untrue.

~ The PIT OF HELL ~

Have you ever looked into the pits of Hell and gazed into eyes under demonic spell, felt the power within them grow, knowing that for you there is NOWHERE TO GO.

Insanity does reach its peak within their soul as they evil wreak, and if you stand before them you for sure will feel 'it' when you receive what you did put out.

For the Devil does wield a mighty shout of Revenge and Vengeance too, and for sure they (His forces) will find you, for there IS nowhere to hide, for the WHOLE UNIVERSE is within God's stride, and it IS as I said before, God and the Devil are ONE for sure.

What you put out you WILL receive, and now it's time for you to me believe. 'You,' it is of YOU I speak, for none of you are yet humble and meek. The Devil's Power limitless be, the Devil's Power will never let you free as long as you others abuse, as long as you the Devil USE. (God's Dark energy)

And the WORSE you are the WORSE you'll get, and the worse you GET the worse you'll FRET, for you never feel what you PUT OUT, you ONLY FEEL when others you clout and, FOREVER can you be 'tapped' and FOREVER can your knuckles be rapped.

You ONLY freed be when the Devil you CAN SEE and UNDERSTAND. How He USES YOU against others who were untrue, and how they then RETURN and with the Devil's Might you again burn. (Endless retribution)

So FOREVER can you around go UNTIL my truth does in you SOW, and forever can you never be free UNTIL you heed the truth that be the WORD of our God above, the WORD of our God of love. The simple truth that you must see BEFORE the Devil lets you

BE FREE from his clutch - FREE from his need as such - FREE from his control.

FREE when you don't others 'overroll,' for the Devil works for God, the Devil is the Reaper on the sod working through ANY who do abuse, heeding not God as they others misuse.

So brothers and sisters true, heed what I say to you for our Father God in heaven above, beckons you through me to our land of love.

**Note:** The 'Reaper/Devil' is simply the Dark energy ESSENCE of God the Father. It is the 'fruit' from the Tree of Evil that man is forbidden to use, and all that use IT place themselves within ITS 'aspect' of the "*As you did sow so shall ye reap*" LAW;

<http://www.the-testament-of-truth.com/web/evil.htm>

~ The Devil's Robots ~

I refer to the evil ones and say now to you all; Try and understand the power of your inner Sin, and the pain suffered eternally in the under land.

All "with sin" become "robotically" telepathically **controlled** by the satanic darkness once their Sin gains a "certain" size and **power** within them.

Thus as they work "for" the dark one, as you all in some ways do and cause **pain**, they draw more darkness in and thus under the one law of God they suffer more and more, and any of "these" who hear me not cannot their **freedom** win. They become **terrorists**.

"Love them or you too will die," is the message from our God on high.

All who continue to heed the "dark voice" lose their mental capacity of **freedom of choice**, and thus they die for they can do naught but make others **cry**.

For via the emotions of Sin within do thoughts from the "**comptroller**" flow in. Yes, HE is the **Master** of darkness who also hides His true face until your soul is so dark that it falls into His place.

Then it is too late I say to thee, for He never sets you free. Greater and greater becomes your "**debt**" and more and more do you **suffer** and fret.

So become now **wise** and never any other **abuse** or **criticise** or you will lose your freedom of choice and thus you'll be unable to heed God's "**Only love**" call, and as into sinning 'ways' you fall it is you to fall deeper into evil ways and darker forays.

So let us be truly **compassionate** to those already untrue. For they know not the wrong they do. Yes, they are you and you being ones who are less than **merciful** and thus **unforgiving** and **untrue**.

I can but do my best to show you the "**open road**" and to try and help you unburden your lode of darkness and bad karma you yet must feel before you can rise up to heaven. Fail me and in the Devil's fold your fate you personally do seal.

"Try, please try" is the call from the sky

For if you in any way the call to "**Forgive others**" deny, then you follow the way of the lost and also become evil and you fall out of the sky. So if you cannot be "only good" then **beware**, HE already did you **snare**.

So now the "tide" of darkness does rise, engulfing all who were unwise. Those who on darkness did sup will be "claimed" by the satanic "pup." Those of inner sight, will heed, and lean on God's Might, that invisible powerful "**Word**" that so few seem to have heard, that says:

"Non-confrontation.  
LOVE even a distant "relation."

Be forgiving too, to any that abuse you, and if they would make you cry, and if maybe you could die, then as a lamb to the slaughter go, this way only, to heaven you will flow spiritually, into a real life of bliss.

All 'Retaliators' join the wind and piss that exists in the land below where **destruction and retaliation** does forever flow.

Brethren, children so sweet, now is the time to the Prince of Peace greet, verily with open arms, and absorb his wisdom God's sacred charms into your soul and into your mind, thus to your spirit you will be kind. Those who heed not now little old me will fail their test and never be free.

I say, now prepare for the silent, invisible, cunning snare that will now all the unwary **entrap**, and for sure will their knuckles "**rap**" eternally as they fall below. And as they "**fall**," they will then know that my **message** was **true**, but too late for the "**untrue**," so give your soul a last chance, into The Last Prophecy take a glance and then you will see HOW from Satan's **snare** to stay **free**.

~ **Pain then Peace** ~

Children, first comes the darkness, then the **Peace**. You heed the LIGHT then your release. If you continue to fight, heeding not my say, then forever you go the dark way, for God now will cleanse this place.

On earth there will abide the humble race, all darkness confined below, all soon will this reality get to know.

I have spent a lot of time soiling my hands with "your" grime so that I could consciously, "here" understand the power of you, of the controller's "hand."

So, now I can clearly see, the "sickness" that ails thee, the darkness that you sucked in, foul muck adding to your **Sin bin**,\* and now you must spew it out, as you will when IT does you clout.

So do not retaliate and then you'll feel just great, for as the sickness does clear, to the light and love and truth you'll be near, and God will be your forever friend.

The God, being light will you befriend. Yes you will return to heaven. Your freedom you did earn for you heeded the call from above that said,

"ONLY LOVE"

There is only **ONE** moral responsibility, heed God.

~ The Light of Heaven ~

The [light](#) of the heavens way up high [is God](#) and fills the sky, and all souls there up within do within God's highest vibration swim eternally, this I see, their souls forever of negativity free.

And this light that streams out from God's shore, embalms all souls with it's love forevermore, and these deep feelings of love for sure do for all eternity grow more and more within each heart that doth therein abide, whom God encompasses in His Mighty stride.

Forever and ever in this stride, forever free of any inner pride, and all souls that therein swim eternally strive to help others win their freedom, where forevermore they too will abide in that distant shore.

And this is done with love, divine that flows in heaven like summer wine, streaming out where it falls below into the darkness that lies below, and in the heart of each man it does cling, and its existence does quietly therein ring so that forever do all men know that somewhere, does love grow.

And this love they eternally seek until once more they become meek. And they can this love only [found\\*](#) when of evil are they unbound.

And this mighty truth that I now sow is so that you can finally KNOW that [PURE LOVE DOES EXIST](#), and its brilliance is felt like shining mist that pervades all that above abide.

And this love they feel as along they stride, and its purity, so gold and true, is felt forever by all souls true, when they return and in God's face gaze, never again lost in the deep dark maze.

The souls vibration once again true. All Christed souls will be you and you. As I am, so shall ye be when as I ask, you follow me. I hold the key to the door up above, the door that opens to my heaven of love, and the [key IS the Wisdom](#) I do you bring, so that in happiness you can forever sing.

So heed me now I do ask so you can sup on God's endless flask of love and joy so pure and true, that forever, dears, will flow through you. God's voice I be as I now talk. God's voice I be as I now walk amongst my sisters and brothers so true, amongst my sisters and brothers, you.

~ To faltering friends ~

To my friends who find it hard to remain true as at times they falter feeling a little "blue," just a little message I do now send to remind you to remain to God a friend.

It is at the end of the race of every mortal run that we see who has come down from the Sun, for only those hold out until the end, believing God is a friend.

The others fall slowly apart as coldness and disbelief clutch at their heart. So 'tis to those such as you that God's thanks and love flow to.

Just look closely at what you do, ensuring that all to God is true, for, subtle as you see is the mind, and many possibilities are unkind.

Just remember to stay calm, relaxing in God's invisible balm that ceaselessly flows to you, subtly, to a soul so true.

And as I, we will wait and see what God has in store for thee as me, trusting that all will be well as darkness rises up, like the ocean swell, for we can only in God trust as the darkness exudes it's negative thrust, for the darkness will only let us go free when the call of [non retaliation](#) we SEE.

~ Losing a friend ~

There is a time that friends do **part\*** as **the Devil** gives "one" a fresh **start.\*** Yes the Devil does them release from their past when they did "grease" their palms with "dirt," when with the Devil they did **flirt.\***

So at **this time,\*** stand calm and abide in God's balm saying, "I fare ye well, we part for but a short spell and in Heaven we'll again entwine for Jesus' truth we did mime."

So you see, if others would destroy your wife or your **boy,\*** they have been sent by God, as God's reaper on this sod. So their "task" do not deny, just stand by and for them cry for the deed they are about to DO will later destroy them too.

So please now "understand" the **messengers\*** from God's underhand.

They work for the dark as they extinguish their own spark, and if you try to stop them you too **become** one of the **reaping men**, and you too will cry, and in pain later will you fry.

So tell all you know of this deep truth I do sow, for the darkness will us now release so that we CAN find inner peace. So children, my friends too, God calls now to you saying:

"Believe this pen and become one of my heavenly children."

The pain is deep we sowed as we made others weep, and 'tis our Creator to us now "try," 'tis our **Creator's WRATH** to us now "fry." Be sincere; be aware as satanic forces in your face stare.

"Love them" is God's **COMMAND**.

"Love them" is the Devil's **DEMAND**,

and in **THIS** you become free, free when you my truth see,  
my truth be God's call. **Heed it not and you will FALL.**

~ Truth v/s Religion ~

There is a great difference between TRUTH and Religion, like the difference between a "DOVE" and a pigeon, for a dove does "call" with a gentle sound, and a pigeon flies fast whilst whirring around.

My pen does silently "speak," and its call is heard only by the meek.

It is religion that was "made" by man, who arrogantly fly around and all "in span" speaking **forcefully** and seeking **gain**, for they are frantic and also vain. For all believed that they were the chosen and that the others are in the dark frozen.

So to SEE truth, you needs quietly sit and the picture into your soul gently fit, and if you read the message, being my "proof," from God's Word you'll stand not 'aloof,' for you will "see," and "hear" my call that says:

"Never any other maul, even if they attack you,  
you to God's call remain true."

So my friends, I hope you see what it IS God expects of thee. It is to pass the message ON about the **ARK of the mind** so each their journey **WON**.

~ Religious Sects ~

Every Religious Order is a **SECT**, and upon this must each soul reflect. God did not say "**You must belong to a religious Club before your sins I'll out rub.**" God said:

"Just go your OWN way, heeding MY WORD every day. Being loving and compassionate to all you meet, **THUS** one day MY kingdom you'll greet.

Foolish are those full of pride, that enroll "flock" as along they stride. Matters not if they "Orthodox" be or "New Age it all the same be, all my children are under the "Control" of "Self appointed Shepherds," I will over roll all, for all do my children deceive.

ALL will soon now grieve.  
ALL teach the wrong way,  
ALL teach "power" play saying the dark you must destroy,  
thus showing, they are in the dark's employ.

Children, I speak to each of you, only to ME, your GOD be true, heeding MY EVERY WORD, that of being peaceful and wielding NO sword, and all you "ministers" who MY Word mock, I say, please now "unfrock" and humbly go your way until MY reaper has its say.

For yes, you will grieve for every soul you did deceive, blessing young men as they went to war. This is a heinous crime for sure, for they were "taught" that you were true, their souls they entrusted to you and you let them down, and many now in hell "frown."

So to you and you, men of the "cloth" so untrue, I say, fortify your minds, for soon pure evil unwinds, and if you MY last supper would share, retaliate NOT when in Satan's face you stare.

Other than this all I can say is that for all the foolish I do pray, for I am simple, I am meek, your souls enlightenment is all I seek. IF you my simplicity mock, dark forces will tear your "inner" smock.

~ Christ's disciples v/s religious men ~

Christ's "disciples" should "Show the way" as stated by Jesus on the day that the last supper was held, before by "man" his flesh was "felled." True disciples are men of spirituality, or women of "Godly" morality, being that "They do love all the needy" I hear from above.

And disciples, as they go their way, tell all of the "inner" power play, how "thoughts" so very unkind make so many "destroy" and thus them "bind."

Disciples do God's children "feed" Wisdom, and by their "deed" show that they are wise and that even the evil they do not despise.

So men of "religion" are false and hollow, for they expect people to them follow. And they the hungry feed, and from others they "steal" through greed and thus they "deal in" materiality, having long gone forgotten their spirituality.

So children, any who this read, I say, "Turn to God, and protect your "seed" in the manner I describe on page 43, and on my fresh wisdom daily imbibe for only I know the TRUE WAY and you'll needs courage to heed my say."

For you cannot your flesh 'protect.' On this TRUTH you'll needs reflect for any now who heed not me will for SURE fall for an eternity into the darkness, way, way below, where for SURE my truth you'll get to know, and you will weep that you could not see my light, my reality.

And, "religious men" will me mock until the Devil's forces tear their smock, for all God's beloved children they deceive, and all deceivers are now to grieve.

So any who'd a true disciple be, heed my message flowing free and tell all that I am here and that they to my message needs draw near, and thus, a true disciple you be to God, yes and even me, and GOD will bless you and each soul who "makes it" through YOU.

~ The Truth of Salvation - the Commandment ~  
and God's ONE sacred Law

There are many "truths" that need no proof, for just as the sun rises each day, it needs no "proof" that it is a truth when we say: "The sun will rise each day."

But man needs to see the reality that be, in that in the "Salvation plan," man needs to individually heed of **THE TRUTH** of **God's WORD** before any spirit can be fully "purified" within and then elevated, and thus the heavens eternally span.

So the TRUTH of God's Word today is my Testament of Truth in which God does say :

"Heed all now given by ME via my dove Terence or you will be lost forever and a day, and within my message you will find THE TRUTH of salvation, and thus you'll find your way."

God's ONE Commandment is "Love one another."

God's ONE Law stipulates: "What you do unto others - I will do unto you"

"As you sow - so shall ye reap."

Man's beliefs are many and varied, but as far as those pertaining to "morality" & "salvation" and walking in obedience to God's commandment he is totally lost, having been deceived by the serpent for so long that it has become habitually "natural" to deny the ONE Commandment.

Thus as man sowed seemingly "justifiable" dark seeds in deeds of "extortion, control, abuse & destruction," man fell into the "shadow" under God's heavy hand, on the negative side of the ONE Law, and thus the "returning karmic dues" are now to be "pain and suffering."

Man believes falsely that he can abrogate not only the commandment of God by enacting mandates, but that he can then "summarily" dismiss the WORD of God's Law and thus "avoid" God's judgement and justice and retribution.

Man is foolish. Man by the "authority" vested upon him by his own "force of arms," or by "elevation" by man through "election" by the people then proceeds to heed the "call" of the deceiver **Satan**.

Foolish man, please now listen to me. Forget the "rituals" of "vestments of office" and your "Acts" and "Mandates," they are all justification to deny the call of the Creator to be "Only Loving, forgiving & merciful."

I say that you all will now pay the price for being "mandated" to **abuse, control, tax** etc., and thus being unkind. Prepare to in Satan's face now stare, THAT is your FATE, your "Reaping" ware.

~ The peacemakers ~

The "Peacemakers" are not those who only "speak" of peace, they are the ones who by deed do not their "hands" with darkness grease, and who also do not their mouths "foul" with negativity that does universally "prowl" in every realm outside heaven, the place we only attain when we heed God's leaven that does say :

"Each for his deed does personally pay. What you express comes back to you, you never attain the Light until MY Word you can 'do.'

Peacemakers are 'prepared' so that they can die unarmed, and fearlessly they walk under earth's sky for they know they are protected by ME the invisible God you cannot see.

And 'if' another man does their life away 'steal,' it is because on their 'head' was stamped Satan's 'Seal,' that implies "This one is to die, for in their past they made another cry."

So children, please now 'reflect,' for there is only your own soul to protect against the thoughts that give you any reason to heed man and deny ME your God any season.

Man in the 'robes' of ministerial men all 'condone' violent action that defies my pen, heed them and society and you'll fall, that is for sure, and your soul does for eternity pall."

Evil "flourishes" because supposed "good men" ignorantly join in the foray and become evil themselves as they "justifiably" play the same "game" and use evil to destroy others whom "fell" to the "dark boy" in their past.

So never find a reason to deny the Light and fight, or you walk the road using the Devil's might, and your dark deeds return to you one day or night when others again with you will fight.

Peace and education is the way of today.

Written by my sacred pen today,  
that does truthfully, eternally, for our God sway.
