

~ God's Immunity and the Devil's Impunity ~

We God's children do have immunity against the Devil's "apparent" destructive impunity, and I now speak on this as well as the Devil's "shallow" and infinitely "deep" impunity, for the Devil can only man bind who in their past was to another **unkind**.

So even though man has enacted many a Law, if you "break it" then the Devil cannot you "paw" if you have no spiritual karma to pay. Try and understand this say.

But if you have a spiritual "debt" from your past, the Devil uses man's Law to serve you up a blast, and the "fools" who you **judge, condemn and incarcerate or fine** are the reapers for the Devil, says God's pen.

You are not "suffering" for breaking man's law, it's only for your past for sure, when you broke God's "**Only loving**" Command. So any "lawbreaker" needs to see the "how & why" it is to be.

So as all now see, the fisheries, customs, police and so on are being used by the dark to bring past defaulters undone. Not for the present fishing default or speeding default etc., but for denying their Light at another time.

So please now change your way today before you "**Law enforcers**" for your present folly do pay. When you the dark "avenger" to attain Justice do use, you lose your divine Immunity, and on the road ahead, the darkness **will abuse you with its impunity**, for you are but naught against our invisible God of the skies.

If you have no "karmic" debt to pay, then no man will "touch" you on any day. For none will be "inspired from below" to demand justice for the breaking of man's law. This I do know.

Become loving, become wise.

~ The Second Judgment ~

There is a "pool" of burning fire at the base of the deepest mire and this fire is the flame that burns all with no name, and it cleanses all of their dross, like the peeling off of onion skins and moss, and as this darkness does clear, again in heaven they draw near.

Having entered through the **back door,*** reborn in heaven for sure, but the pain they did feel did for an eternity unreel, for the depths are very deep, and in the depths all do weep, for 'tis but the pain of burning fire that eternally helps them aspire.

So, all who lose this coming "race," all who abuse and wield a mace, can expect to fall below into the depths and my truth get to know.

Children, I can but you warn and say you will more than mourn. You will shiver, and you will shake, if you fail to heaven **make.***

My truth is true, my love flows to you, heed now my final call. Heed not, and you will pall for the darkness is the **fuel*** for the light, thus the eternal **duel.***

For between the light and the dark is the **eternal flame**, the **spark*** that IS the Source, **GOD** the essence of creation of all on this sod, and if any into the deep pit flow, **excruciating pain they will get to know.**

For light and dark are eternally bound, eternally both go round and round, one the fuel for the fire, the other the light, eternal desire to love and express truth, and 'tis I its proof, and I say:

"My vision believe, fail me, and you eternally grieve."

~ The "Preamble" to God's Constitution ~

All whom would be **TRUE TO GOD** and thus their own souls need now to walk "outside" the Constitution of man and thus turn direct to God as their [Head of house](#).

This implies that all who so do are not subjects "of" nor subject "to" either the Law of man nor man's "anointed or appointed." Thus they are not subject to being "taxed" or "licensed" by man.

These "**Subjects of God**," being God's [chosen](#) on this earth will just daily walk their road in a positive caring way. Forgiving those who trespass against them by turning the "other" cheek in the face of adversity and remaining meek, and they will 'recognise' that what they Sow they will Reap.

These "**Children of God**" acknowledge that God has set them free from the bondage placed upon them by man inspired by Satan, in that having [chosen](#) to walk outside the "protection" of man's armed forces that they will be "subject" to persecution by 'ignorant' man until their past "accrued" spiritual debts are paid in full.

These children of God will do their daily work without paying "license fee" or "registration fee" to man. They will contribute freely as they see fit to their local community or "Council" for maintenance of roads, schools, hospitals or other community or private services.

They will defend no person against persecutors, and will themselves stand "unarmed" in the face of adversity and will "die" as lambs to the slaughter if it is so required by God.

They will refuse any "extortion" by threat, being demands of money by any "civil" or uncivil "mandated by man" officials, and if persecuted unto the court of man will proceed there and remain "mute" and take whatever is meted out.

They will pay no monetary fine but will be prepared for the alternative punishment. They will aid all members of the community and if in need will ask for assistance, and they will pay their own way and not expect the greater community to care for them.

These children of God will "pave the way" for the new order to be on earth where no "man" will demand anything from any other, nor will they elevate themselves above any other, nor will they control any other in any way.

All taxation will cease, and all "controlling & punitive forces" will be a thing of the past as earthlings do their God daily greet in a true Christian way. That is the "say" of God today.

~ God's Constitution ~

Every earthly Constitution is "**unwise,**" they all '**deny**' our God of the skies who says :

"The only "safe" Constitution is MY WAY, that of:

"Being loving each day."

It is up to no man to decide how any other will on earth stride. It is for no man to say '**I am elected democratically, thus heed my say.**' Every politician or 'blue blooded' king is a megalomaniacal dictator who will 'sting' their enemies over the sea if they 'think' that they 'overpowered' may be.

Children, I your God do speak. Your 'personal' freedom must you all seek, and you only attain it one way as said, by being 'loving'* in every way.

"In whatever country you live you must be respectful to all
and 'GIVE' of what you have to others each day."

IT is MY Constitutional way. Any of you who try to IT avoid for sure now all fall into the VOID, for in the 'guise' of 'the majority' you did one elect and his controlling 'rules' did say : "**All must do it our way, or you'll reflect upon what to you we'll do if to our command you follow not through,**" and that control over you is negative and enslaving.

Try and now see your way clear
and to My fresh WORDS draw personally near.

"You 'may' people elect but not to you control or protect, only to assist the disbursement of funds you freely give so that others 'elsewhere' can happier live."

Other than this, each goes their OWN way, doing what they are inspired to by ME each day, and whatever any other does do, you personally just be respectful, kind and true."

That is the Constitutional way of God your Creator to every earthly person.

"Any who heed not My call to be loving will die."

That is the message from your Creator up high.

Note: 'loving'* - Kind, caring, compassionate, merciful, respectful, and forgiving, and never 'disturb the peace' of others.

~ My fishing hook ~

With my "Hook," being my wisdom I fish for you. Heed my wisdom, I'll pull you through the maze of dark devious thought that with so much confusion is with danger fraught. Heed this wisdom that is my love essencing through me from God above, for IT is the ONLY WAY. That you it HEED I do pray.

Heed this wisdom there is so little time, soon even you soil your hands with grime if this wisdom you do not heed, and thus you'll make another bleed. Heed this wisdom it is so true, heed this wisdom given now to you. Heed this wisdom it is my love essencing through from God above.

Heed this wisdom it is my CRY essencing down from out the sky, being the depths of my soul that aches with longing as I stroll.

The longing that you WILL believe, for if you believe NOT, you will grieve and then I will cry that you did not harder try to heed this wisdom given to you, by your God of love, through this pen true.

Oh blessed ones I do call out. This is my final call I shout. Oh blessed ones I do love you, oh blessed ones I am the one true, heed me, this is my plea, only my wisdom can set you free.

Soon now I rest my pen, for soon I return again to our beloved Father and Mother way up high, to greet all of you who did try and heed this love I bring, for you with me in heaven will sing and my love, my wisdom, forevermore will remain on this earthly shore.

The fisher of the souls of women and men

~ Vessel of the Soul ~

Your soul is like a ship afloat upon the sea, your soul is like a ship that I call now to me, for soon the twilight deepens into darkening night and you'll need this lighthouse to ensure you're right.

For if your ship should founder upon a rocky shore, the lovely light of heaven you'll not see no more. So hearken to my story, I try so hard to tell, it will give you Wisdom then you'll know all is well.

For when the bells at midnight ring out loud and clear, then you'll know eternity is at last so near, and, 'tis at this moment, you'll needs the light of me, for I'm the lonely shepherd, the man from Galilee, and my **Love and Wisdom** now reach out to you for, for all eternity, is this soul for God true.

So my blessed children, all who are my flock, please remain quietly humble and never any mock. Take the light I give you and quietly pass it on so your lovely friends, their journey too is won.

**Blessedness for each of you who me believe,
you I see, forever will join my infinite weave.**

~ Graven Images ~

All graven images must come off the wall, the wooden cross and pictures of **souls tall.*** All God wants in remembrance of thee is the remembrance of **God's Word** through me.

So all the "messengers" please now forget, only on God's WORD place now your bet, for no graven image do I see, can in ANY WAY set you free. So ONLY in God's Word needs you abide as daily on your road you stride.

Children, look to God above for 'tis **GOD** only who is light and love and this light and love flows through ALL, even the messengers with souls tall. So remember, I ask of thee, that you **HEED GOD**, not remember me.

Blessed are those who hope in the WORD,
blessed are those who HEARD the Lord,
blessed are those who SEE the truth,

Blessed are those who stand not aloof from sisters and brothers deeply in need, from sisters and brothers still trapped by greed, from sisters and brothers with anger flowing free, from sisters and brothers if you'd follow me.

**This is the message from up above,
this is the message from our God of love.**

**This is the message I now to you bring,
this is the message to make your hearts sing.**

~ Valley of Death ~

Lo though I walk on earth in the shadow of death I fear not, even though I feel Satan's breath, for THE WORD OF GOD I did HEAR, and God's WORD I draw near, so Satan's "breath" will pass me by.

I will make no other cry, so Satan's **mist*** of silent **song*** cannot make me do any wrong. My brothers are safe in every way, I'll greet them with love whatever their "say," and my sisters so lovely too will see that I am a brother **TRUE**.

I welcome all with open arms, I show all God's earthly charms, being a smile so warm and wide, being compassion as along I stride.

So fear not as you go your WAY, earth's shores are not forever and a day. They are but for a brief time to help you up the stairway climb.

It's so easy, just follow me and as a gentle lamb now be, and if any darkness does you "astride," quick as a flash you'll in heaven abide. Be courageous, be calm.

Feel the truth of heavenly balm that naught can anything to your SPIRIT do, IF to God you remain **TRUE**.

~ Gentleness ~

Gentleness in the night, gentleness of others plight, gentleness if you are true. Gentleness means you are through, through the veil at last through, forget the past. Through, now all is done, through, now begins the fun.

Fun forevermore. Fun now lies in store. Fun for you and me, fun at last we can see. Blessedness rolls on and on, blessedness our race is won, blessedness for you and me. Blessedness forevermore now you're free.

Gentleness, if you are true. Gentleness for the few, gentleness if you believe. Gentleness, it's truth from my weave. Gladness in your heart, gladness that you did start, gladness that you believed me, gladness I'll set you free.

Quietude to the fore. Quietude, 'tis a must for sure. Quietude and all the rest, quietude you'll pass the test. Oh sweet angels loving and true, oh sweet angels gentle with blue shimmering light surrounding you, with golden halo showing you're true.

Oh sweet angels from above, oh sweet angels your land of love is coming closer every day, for that moment we now pray. Oh sweet angels I love you.

Oh sweet angels you are so true, is my message now to you, for coming through, for coming through to me as I did ask, to me, it was your task to reach down deep into my mind and it unwind, its truth unwind.

Thank you for being you, thank you for being true, thank you, I love you, thank you for being you. Now is the time to walk with God by your side, heeding God's Word as along you stride EVERY minute of every day. REMEMBER what God did SAY:

“Do all, do anything, but do it with LOVE, hurting NO ONE” is the message from above. “TAKE NOTHING from others that they don't give. ONLY by heeding this will you later live in heaven where all are friends, in heaven when you've made amends.”

So now heed what I say for soon on your KNEES will you pray to me and your GOD. To ME as along you plod that MY Wisdom is TRUE, that TRULY I will guide you, for, IF I FAIL, you fall encompassed by forces tall.

IS MY MESSAGE TRUE, or am I fooling with you. YOU must now decide, is it you or I filled with Ego and Pride. Or, is it TRUTH, that I say “**God's love now cleanses those that pray in the manner prescribed by me, in the manner that will keep you free from dark thoughts in the mind that daily get stronger, and tighter bind.**”

Please I say to you, heed my message, it is true. I appear but a simple man but my SOUL IS the eternity span. Verily the first and the last, verily from the forever past, and 'tis MY vision that can SEE what **IS COMING** and what needs BE, Be done by souls true so they remain true to the WORD of GOD above, who says:

“**Forever give with love**”

~ Wonderful Father ~

Wonderful Father up above, thank you for your endless love
 I feel it driving more and more, flowing faster daily for sure

Wonderful Father of all that be, thank you for setting me free
 thank you with all my love, that I send to you now winging above

Wonderful Father I love you, wonderful Father you are so true
 wonderful Father come closer today, help me Father in every way

Wonderful Father you are the one, who rules forever in the land of Sun
 guides us every day and fills us with happiness in every way

Wonderful Father now I am free to again be as one with thee
 I rejoice deep, deep down, help me help my brothers who daily drown

In their fears and aggression too, wonderful Father let me remind them of you
 how you daily forevermore reach down and call them back to your shore

Wonderful Father you are so true, wonderful Father what can I do
 to help you more each day and help my sisters to come your way

Help them to with you abide, help them within your stride
 wonderful Father you are the one, help all please their race be won

Wonderful Father of all that be, help me to set them free
 free of the programming in their mind which to them is so unkind

Making them follow your children who are men
 even some would follow the holder of this pen
 not seeing that it is YOU who are The Holy One, so lovingly true

Wonderful Father you are so true
 wonderful Father I say again to you
 wonderful Father, you are the ONE
 I will follow on my return to the Sun.

Wonderful Father you are all three
 the Father the Mother and children are who are we
 within us all does your love reach
 and to my brethren will I this teach

Wonderful Father who reigns up above
 wonderful Father, with endless love
 Wonderful Father, be with us today
 wonderful Father for this I forever pray.

~ Healing of the SOUL ~

I shall "Heal" all who heed me.
Not their "flesh," but of their **MISERY**.

The "**Lame,**" who the wrong way walk
as darkness does their minds stalk.

The "**Blind,**" for they cannot see
God's light and truth flowing through me.

The "**Deaf,**" for they do not know
that through **MY VOICE** truth doth flow.

so ANY who me believe, I raise from the DEAD,*
as they SUP on my wisdom, being God's BREAD.

Truly I shall set you free.
Those who believe I be who I BE.

~ The Dance on the horizon ~

The dance on the horizon is for those true who in the final test pulled through the veil of deepening night. They were all souls of deep insight.

The dance on the horizon is for those true, yes sisters and brothers, I mean you and you. Just follow the star in the morning dawn, it is the dance on the horizon for those born

under this star that shines so bright,
under this star shining day and night.

Truly the dance on the horizon be for those who heed our God through me. They shall dance by day and night. They shall dance with deep insight for they shall in happiness sing all a part of that golden ring.

Wedded to our God above
wedded to pure true love
wedded to each other
forever lovers, sister and brother.

Oh the dance I can see, forming in the heavens above thee and me,
the dance on the horizon is the best, it is the one coming, by God blest.

Be my partner, I ask of you,
be my partner forever true.
Be my partner, with me entwine
with the dance on the horizon, love divine.

~ The Power of the Serpent ~

The power of the Serpent is its **hypnotic spell** that can make us on negative thoughts continually dwell, and as these thoughts go round and around by deepening confusion are we bound.

IT is a continuous **flow of delusion** that we can fathom out* the illusion that is perpetuated in our mind, but in reality, we become more blind. And this illusion is **thought** like a scary movie that is "fraught" with danger from the beginning.

For, there is no way of winning if the Serpent does **look in your eye*** and you are not the "most high," for IT does you **bind*** and with irrationality you become "blind."

And as there is no chance of you "winning," you end up "sinning," causing pain to another or self as you withdraw and sit on a shelf, in loneliness, confusion and fear as the assailant daily draws near, waiting until it can strike and **nail** you with its final spike.

Oh beloved ones, only I can it see and break its "spell" that **BE the negative power of God**, that **IS the deceiver and reaper** on the sod. So my story I now you tell, for IT the Reaper, rings now its bell saying:

"All who were by me "found," by ME are soon to be bound deeper and deeper each day, until for all they pay, and, IF God's light they cannot see, THEY will never become free."

So blessed sisters and brothers of mine, I reach out with my love divine saying, **USE my Star and break the spell daily mounting, OR, you go to Hell.**

I have again suffered to "**show the way.**" That you can trust me I do pray, for the Serpent does you daily more "sting," and I the dove, would carry you up on my "wing."

I love you. I go my way,
 that you see my light I do pray
 for IT IS the Serpent who does you deceive
 if you see not the TRUTH in my weave.

~ The Serpent's Venom ~

The venom of the Serpent is its **thought** through which much danger is fraught if the thoughts you believe, for they are **deadly and deceive**. If these thoughts you believe then you'll make another soul grieve and then the reality of; **as you sow you reap**, will come to you one day, and you'll weep.

You cannot keep Peace with force, for already from the light you divorce as your SOUL with the darkness does stroll, and you others abuse and over roll.

If you think others are negatively strong, don't let the Serpent make you do wrong, for if the Serpent does your mind **bite,*** only hatred and vengeance is in your sight.

The Serpent cannot "**True**" believers **sting,*** as its "bite," being dark thoughts do not ring in the minds of the **wise**, for they heed my call from the skies and thus to the light they remain true whatever the serpent tries to do through the minds of unsound men, as exposed by this God's Sacred pen.

~ Satan's eyes ~

**Every "speck" of darkness in the skies,
IS a part of Satan's "eyes."**

Every speck of darkness in your soul, **allows** Satan to through you stroll freely in every which way unless you heed my way to "**pray,**" and every soul that thus I did not "**Seal,**" Satan for sure soon will steal.

So, if my "**Mark**" is not upon your door, **dark mist** will creep in for sure when you are awake and when you sleep, and **thus** you'll be put to "deeper" sleep, and be **bound** before you "awake" and find that you are "**tied**" to a stake.

And the "jackals" cannot then be kept at bay and their "howls" will send a dark wolf your way and it will silently "in creep" as quietly in bed you daily sleep.

And when you awake, you'll see its disguise was a "**maidens bonnet****" hiding "lies" and suddenly its face will turn "around" and you'll know that your "flesh" is found.

And your bared soul will shiver and shake as it stands naked at the stake, and when the "**Wolf,**" its deed is done, **never again** any warmth or fun, naught but **pure terror** in your "cries" and you'll **wish** that you were more wise.

But the power of darkness is very "tall" consuming all that therein "fall," so blessed ones, I call out now to thee saying,

"Please, please believe me, for my "chosen" are very few, one in fifty sprinkled amongst the untrue, and only they stand free of Satan's "keep" for only they can heed my call of; "Make none weep."

~ Break the Serpent's "spell" ~

Mary, Mary, I call out to you saying, "Maryanne, please be true to the time long ago when "together" deep truth did flow." It was THE time I became* WISE.

For I looked into the Serpent's eyes* and saw the power of the spell,* how it drags the weary down to Hell through the power of its MIND that is cunning and deceitfully UNKIND as IT says to "you" and "me,"

"To attain freedom you needs "see"* me
and thus fully understand the power of my underhand."

And THIS deceit the greatest be, for we cannot "unfathom" its depths see, and THUS to IT are we bound as our thoughts go round and round trying to our "problem" dissolve as in our minds they endlessly revolve.

And like the "game" of "musical chairs" the serpent disguises its cunning wares* being that, each time the "music" does stop, one more is chair less* and does flop* deeper into the satanic mire, and one day sits atop a funeral pyre.

So the Serpent's eyes I did see, and "its" insane reasoning I give to thee. Its hypnotic thoughts did say "Lose sight of me and you are lost forever and a day."

But, the "spell" only broken be by the power of the light flowing free, which does the Serpent's eyes "dazzle" so ITS thoughts do not our minds "frazzle."

"Yes the light from the Morning Star
breaks the "spell," say's God from afar.

And thus, the past we can "forget" so in unforgiveness we no longer "fret." Bless you lady for the time of day, bless you lady for the time I spent your way.

NOW, it is THE time for YOU to be to the SOURCE truly true, and pass my message ON about HOW each souls journey is WON.

We are "bound" by the serpents "spell" when we "listen" to the story it does "tell" as its thoughts into our minds "unwind," thoughts that to us and others are unkind.

And part of the spell is "confusion," keeping us locked in a "contusion," a situation in which we cannot get out until the spell we "break" with a "clout," being a shaft of light and love, essencing via the meditation Star above.

This light blinds the darkness that be, and thus of its spell are we free for that short moment in time before "they" make us soil our hands with grime.

But, when later we link with their "tune," we again can mentally swoon because our emotion does "receive" the electric wave length through which they "deceive."

So until our emotion is "pulled through" and "released," we needs stay TRUE to the Word of God I bring that breaks the spell with its deadly sting that can, and does us blind, as our soul it does more bind.

So I say to you and you **DO the meditation and stay true.** Don't heed the thoughts that you "clout" that say, "**You needs work it out.**"

Nothing can YOU "work out" when with the Devil's voice you flout. Your inner Ego and Pride, or Fear, ALL go for a devious ride.

Only when we don't "link in" to the serpent's "spectrum" can we win by becoming clear in the mind, because deceit does us not bind. So from the serpent's "spell" must all be "awoken" by a few words of prayer spoken.

This is the ONLY way to "pull through," I the dove say to you, you, and you, for the serpent says:

"IF you lose sight of me, you'll never work it out, how to get free."

And "**This is another living lie**" I hear from the Source up high. Break the "link" to the serpent below and give your soul a chance to grow.

**Daily fortify your mind,
Build the ARK OR you become blind.**

~ My golden "Seal" ~

And my golden **Seal*** is upon their hand, seen by all the satanic "band," who to these few will not draw near, for they "see all" who **to** God's call veer.

And others who "think" they are safe and sound, soon as you'll see will become bound by "electrifying" satanic "thought" through which "**insanity**" is fraught with the power of darkness flowing through that shows all you are untrue.

And I say "You'll heed the **clown**!*" Please heed me now or eternally "frown." The ONLY way YOU become less "blind" is to "dazzle" with **light** the thoughts that you "bind."

Thus the thoughts "stay" below and cannot their "deceit" in your minds sow, and then, the "dark" forces you "drew in," are cleansed out by God from your "sin bin," and 'tis thus you become free after you have heeded ME, for only I know the TRUE story to tell, the ONE that elevates souls up from Hell.

So I say again, seek deep before more darkness does into you seep, for, if it does, you become more blind, and then more unkind as you others **control and manipulate**, thinking you put "bread" on their plate by teaching them how to others control through your false teachings as you stroll. And as these teachings more deceive, all "followers" do one day grieve.

Brothers and sisters who are mine, heed my call from the land divine. "Observe" your ACTIONS every day and heed my call of the **mind's ARK** today, and, "Pass" my message "ON" down below through your mind so "others" less frown.

So that to "others" below who "your" mind bind, you are "seen" by God to be to "them" kind in forgiveness for what they do in "ignorance," to you, and then "they" understand how into "their" minds thoughts come from a lower land.

And then, they too, can "prepare" and avoid the rising satanic "**snare**" by heeding "My say," sent by YOU, their way, about the "**Power of light**" in God's Star that "**Waters their rose**" from afar and "blinds" the serpent below, so its power over them begins to "slow," and thus the **ARK of the mind** they build and their soul by God is with light filled.

So, I rely on you and you to telepathically pass on my message true, and you'll feel better inside as "they" sit less on you "astride," and God's blessings will greater grow who this truth of God they SOW.

~ Light and Dark ~

Light and Dark both "Shine,
The dark "**pain**," the other "**love divine**,"

And we its instruments do not "see" that "through us" can IT flow freely. Freely couched in a "disguise" seen only by the "wise," being angels of love, who see all from above.

For only is love and light free as it flows through you and me. Any who allow darkness to flow through must **pay THE FULL DUE**.

So both sides do **give,*** one so in **heavenly love** we live, the other gives to "**deceive,**" and as we it use we "**grieve**" for IT does loudly **shout*:**

"I know what life's about. IT is about Justice to ALL, and wrongdoers you MUST maul, and I will it DO if you heed my call "untrue."

THUS do we all "fall down" heeding this dark ugly clown. For the light up above says:

"Please ONLY love for IF you the avenger be,
the AVENGER will set you not free,

For IT will you bind,
for IT to you will be unkind,
for IT you will believe
as YOU make others grieve."

And yes, in THIS place both light and dark can have the same "face," the earthly biological "suit." One to you "**Love**" the other to you "**Shoot.**"

For the soul within you cannot see if it is inky black or crystal clear be, but we ALL must RESPECT, even those in whom darkness does "reflect," for they are ONLY bound by Hatred UNTIL they have found the truth, the light, and the way that you and I MUST show all today.

And WE did suffer much pain so THEY could their freedom gain, for as WE see the reality of "**LOVE ALL,**" we help them to walk tall.

~ The 'unhappy' Dark ~

The "Darkness" cannot "Give" that's why those with darkness "within" in unhappiness live, for they cannot "see" the "share and care" reality, for Darkness cannot "share," IT would have it that ALL in "loneliness" stare.

Thus does it all try to "control" so that they cannot freely stroll around and a little light "give" so that another can a little happier live.

Thus, the suffering does grow and grow, thus my TASK is to TRUTH show by MY deed, by the light I did seed into the earth from above by the power of MY compassionate love.

And any who would me "follow" as God's light bearers must not have voices "hollow" that only 'speak' as they say, "We will help thee project your truth to those who cannot see."

It is by their expressed deed that they and God see "the" breed, those who are inwardly weak from those who truly would seek outwardly and help others win, and not "give in" to their inner sin that paralyses them in pity and grief that their sister or brother acts like a thief.

IT is up to all to understand that "freedom to express" is the heavenly land. Those who cannot let light flow are absorbed by darkness and fail to grow for a time and a time until they are released from inner grime.

So until that day, all it is that I can say to you, and you, and you, who are striving to be true, is, hold fast to the wisdom of the WORD. Respect ALL, wield not any verbal sword. Let others do their thing, thus you too are released to sing.

"Build the ARK of the mind and in the wisdom of "understanding all," be more kind to yourself and to others too, all of us true or untrue.

This, I your God say today via MY pen that on earth does sway."

~ The Deceived ~

The **deceived** are all three, being **politicians, religious elders, and thee.** All do "somehow" believe that they can in "self defence" others **abuse and destroy** and still be saved by that heavenly "boy," the man Jesus, or even God, as on this lowly world all do plod, and I the "Spirit of Truth" say **NO.**

All politicians and religious elders shall below go, as will you IF you heed and follow their "promotions" untrue. For all are the "**scum**" of the earth as you see, a place of no mirth where "Elders" bless your children and their "**gun**" as they say: "**Yes, off to war you go, get on now, run.**"

And the politicians "smile" with pride as your children take their last "stride" as they step over the last "style," the hurdle to the land beyond, but not the one with a waving palm frond, but the one where the ignorant die, yes, they spiritually "freeze" in fear and cry.

And what of you? You by \$\$\$ them support, do you not realise that you will spiritually suffer and **pay** for their "sport," yes, all the pain they mete out will come back to this land and will you clout.

Our God of Light and Love does the Devil know, that is why God says:

**"Heed not the deceivers, nor them follow,
only heed MY living Word, ONLY Love, wield not a sword."**

So "why" I ask "do you not heed me"? For I the "**deliverer**" of the Holy Word be. Yes, it is I to "counteract" the dark knave, but you will needs be brave and turn away from the Devil's "play pen," heed now this sacred pen.

**All aggression is the dark in action
your fiscal or physical participation shows your 'devilish' interaction**

Children, before to heaven you can go, you must pay your personal dues, your karmic debts accrued through your personal negative actions or when your funds paid the "wages of sin," and thus did others abuse from a "distance." God says:

"The reaper will run and bring all the foolish and ignorant undone."

So not "if" but when you face the **Reaper**, and are to be "**mauled by man**" similarly as did the Christians in the arena full of lions, **non retaliation** is the **only way** to go. Those who "cannot" will fall below and eternally face the agony "lions," this I know. There is no peace for those "continuing" to be wicked.

~ The Greeting ~

How do you meet “strangers” off the street, the ones whom would with you entwine because their thoughts say: **“On this one dine”?**

How do you meet “friends” on the street, nice folks whom you did “today” meet, do you your body with theirs entwine, being a “call” to freely on you dine, or do you calmly show respect, and thus your sanity protect, and theirs as well if their minds are in a bothersome spell?

Children, many an earthly ritual has as religion become habitual, and all just “follow on” because others say: **“This way shows you have freedom won.”**

So many do “jump and shout,” others do backs clout, some rub noses as they draw near, others kiss cheeks with a “crocodile” tear, others give an “open” bear hug hoping to drag you onto the rug, others stand aloof, saying : **“I am 100 proof.”**

So as you do see there is many a “way” that greetings can be expressed, “clothed or undressed” it is for you to decide in what “reality” you abide.

Is it really your intent to by greeting say: **“My body can be lent”?** For if so, then it impress as in a wide armed welcome you against them press. If your intent is to but greet with a **friendly smile**, do so, and stand back a mile.

If the other does a hand reach out, you can decide whether to deny or shout that your heart is clear, thus your hand to theirs draws near.

So remember, many would give you a bear hug and then if they can they will you **“mug.”** So don’t just follow others ways, also false teachings taught many days. Be **“reserved,”** thus you show respect; upon this all now needs reflect.

A touch of the hand and a smile is for sure very worthwhile, for if on another day you’d more give so both in an “advanced” relationship live, then you have something more to offer because on the first meeting you did not all **“proffer,”** and also it gives both a chance to perceive whether ‘tis a deepening relationship or a **“grieve.”**

So I can only suggest that with **courteous wisdom** are you blest.

Father says : **“Those who are too forward today will for their folly pay, for it is temptation to me when an offering is given for free, and I will presume that you assume that your closeness is an invite to come in even though your friendship I did not win.”**

Mother says : **“I intend for none to ‘stand back’ when they have a chance to a back pat, but I also do now wish to say : ‘your loving expression can be assumed as ‘free play,’ so if you have not yet decided how far the other can touch, or if you seek not their caress as such, why do you them embrace, as they see not the intent on your face.’?**

Better to look them in the eye, and in it and your ‘touch’ they can espy a ‘halt’ or a ‘go,’ so this reality you all needs know. None know what others do ‘think’ and feelings elevate faster than an eye blink.

So in this ‘present’ day and age, heed now our earthly sage, for the ‘free hug’ is in fact a take in itself if a demanded partake : ‘I want to feel you, and only by acquiescing do you prove you are true.’

Equally, when to a ‘stranger’ a ‘free’ hug you give, it is an invitation to with you live in a much closer way.

So if that is not your intent, then stay ‘away,’ meaning, do not it imply, just look the ‘friend’ in the eye and with a smile say ‘hello,’ or ‘goodbye,’ and if you wish to impart a handshake then do so with a twinkle in your eye.

It matters only to you and the one to whom your greeting is extended as to what the actions will be, and as to what each ‘feels and thinks’ as greetings exchanged be, and also, the ‘custom’ of differing greeting ways have each their positive and negative ways, it is entirely up to you to decide now how you personally it do.

What do you want to ‘project’? What do you want to ‘protect’? And more importantly, ‘how’ does the other feel if in the ‘guise’ of a greeting you attempt to ‘take’ or something ‘seal.’

For the greeting can be the time to ‘chance,’ i.e.; making the greeting more than a fleeting glance at another soul who by chance did into your vision stroll, for many would ‘open’ be, then cry ‘foul’ when the other would closer be.

So decide now on your need, decide on the others desire, will you too much demand or will you with a kind respectful approach uplift them higher?

One must never “assume” that from a past greeting that we can ‘presume’ to the same greeting be given, for the other’s mind could have been driven when last you met.

So place a safe bet, and always if you can, just ‘play’ the respectful plan, until the others ‘grace’ shines at you from their face, then you will see if the greeting in any way will ‘furthered’ be.”

So I go on to further say about the “greeting” and the “stay.”

Do not with over zealousness a “friend” greet and say : “[You are most welcome to with me stay,](#)” and then after a day or two “wish” that you had not been to God so true, because your inner feelings that through you stride now make it difficult for you to in sanity abide.

For the “closeness” of the other may become too much as they “assumed” wrongly about the depth of your “care” as such. It is better with your welcome saying say:

“[If you need to stop for a week or a day, we will assist you in any way we can, but it is not our intent that you our lives “span” for too long as we are on our own plan.](#)

[Please feel that our welcome is indeed one that will help you to help to your own self with light seed, and we will endeavour to assist you as you too assist us each day.”](#)

And for those who to others “go” and stay, be prepared to not sit around all day and expect to be waited on hand and foot, you must place your input by way of positive deed as you help to plant flowers or vegetable seed.

May your welcome be positive, light and polite, thus ahead you have room in which to stand back and not fight. Do your best to let all know that your intent is to let God's truth sow, and that each is free to be or not to be.

Let none on others impose, unless they within have a darkened rose, and thus they are unable to see what it is I say to thee and thee.

~ The Tempter ~

Temptation, is the “bare apple” just out of reach.
Seduction, is the “thought” that does our mind breach.

Temptation is the “bare apple” that does our sanity breach, because you seek to it touch, and it says:

“I care not as such, even though my ‘nakedness’ I expose, and you can ‘see’ the brilliance of my rose that I so openly flaunt. It’s my vanity that does you taunt, so I can lead you along to see ref: your sanity ‘how strong’ your mind really be as you ‘stand’ under my tree, hoping that your ‘gaze’ will my ‘tempting’ erase so that off my ‘perch’ I climb down and off your ‘face’ erase your frown.”

Temptation is when we cannot “see” that the other is “bound” and not free, thus their sanity we needs **protect** and upon our vanity reflect. For if we do not wish to “partake” then our “outreach” needs be on “park brake,” so that we project not any “forward move” until both a need for togetherness prove.

So if your “apple” you bare all will at it stare, and you’ll then have to “stave them off” with more than a “hat tuff.” For many as yet cannot see that even apples are not for free, they yes, can be given away, but usually you have to for them pay.

And the payment is: **The truth that you are living God’s proof, being a soul that is loving and kind, and that by “partaking” you’ll not the other bind.**

So do not “tempt” the blind who cannot see that if in sharing a touch they do not own thee. If this you cannot understand, you’ll be confined by those from the lower land who believe that what they touch they now do own.

The serpent “**tempted**” woman to “**test**” man, and at the same time did man’s mind “**span**,” saying: “**By force take the woman.**” Thus were both tempted by the **Tempter**, and both fell from grace.

The “**temptation**” was the serpents seductive thoughts giving them a seemingly virtuous reason to **control** the other in some way, all control is of the dark, thus as each denied the light and “**controlled,**” their souls drew in some of the dark night.

Both were seduced by the serpent into taking negative action that made it easier for the serpent to seduce them into more negative action.

She was “**tempted**” to stand back
 He was “**tempted**” to her attack.

Once you have chosen to with another “sexually” **lie,*** do not them deny, for it is through your inner sin that the Tempter “suggests” that you have a reason not to let them in.

Of course, if there is any other reason as to why with them you would not “lie,” be it illness or boredom of their ways then say so, and tell them they may go their way and with any other do, for you in “that” way have no longer the desire to so do.

Both are also thus free to choose to both in "celibacy" together stay, or walk away.

This today is pure truth I have sown,
so any who a "**Temptress**" be,
or a "**Tempter,**" will be bound and never be free.

~ The 'lost' Creed ~

It is through the "Christian Creed," that Christians are soon to bleed. For their Creed talks not of God's Word ref: "[Peace v/s the sword.](#)" Their Creed is written by man who included not God's plan in their limited vision, and now are in an insidious position.

For man believes he can sin and still go to heaven and win his freedom on that distant shore, as daily on earth he does others "paw" and destroy because he does fear when an aggressor draws near. Believing, he can rightly defend his flesh earths end.

Totally denying God's WORD that does say: "[Lay down your sword and die as a lamb to the slaughter, if you'd become God's son or daughter.](#)"

That means, abiding in God's place of love eternally up above, with your soul now Christed too, as one also with brother Jesus too.

So man's Creed does God's call deny, this is now why man will [cry](#) as they try to their flesh defend with [guns and chemical mace](#) this end.

There are other levels of light and for sure many of dark night where spirits struggle and toil, in [fear and aggression they eternally embroil](#), and just because this you cannot see you must not disbelieve little old me.

For your Creator who stands at His gate is calling out:

'The bell tolls, soon you'll be late.'

The errors of man's belief:

The foundation of the Christian Church is stated as having as its base, a "rock," Peter the man, with his Christ given "authority" that passes on through "successional blessing."

Other religions also "follow not" the [true message](#) from God via their prophets and they as their Christian brothers all praise these men and defy God as their Clerics and Elders say: "[You can defend your flesh and destroy the enemy that comes your way and still attain Paradise.](#)"

Thus does man fall as he [falsely believes](#) he can avoid the "letter" of God's one law as he is deceived through religion and state and he man makes others grieve.

God's way:

Your "house" being your soul is on "firm rock" when you abide in the WORD of GOD.

"Love one another"

God's WORD & TRUTH

Non-retaliation is the way. Lay down all your weapons and be prepared to "go as a lamb to the slaughter." Follow in his Jesus' footsteps by heeding the Creed above by "deed," and I your God, will save you.

You will reap what you sowed. Heed Jesus' message from Me. Once sinless, it is your soul "resurrected" into its birth place, heaven, My world. All are My daughters and sons. My Wisdom, "through" Jesus, is the "bread." Sup on these teachings through Jesus and you truly sup on "living water."

Man's creed should have said, "I believe that Jesus was sent by our Mother and Father and thus I will believe the message and heed it daily."

It is the deceitful "whisperings" of the Serpent that say, "You can abuse and destroy each other as you are already forgiven for your sins through the crucifixion of the one and only son of God that died for your sins."

THIS common belief is the total denial of God's holy living WORD being, that we must ONLY LOVE.

The CREED OF GOD

I - am the source of everlasting love
 I - am the source of everlasting truth
 I - am the giver of all life
 I - give my all to those who heed my call.

The CREED OF CHRIST

Believe I am by God chosen.
 Daily turn the other cheek.
 Strive to remain meek.
 Be forgiving for sure.

Make no other cry.
 Be merciful to all.

Peace unto all mankind.

*My way, God's, is the ONLY WAY.
 Heed me the son of God, and thus you fulfill God's Command.*

Say; "I believe, that Christ's pen by Father God is chosen to show me the ONLY WAY, that I can heed it, I daily do pray. I look to the bright Morning Star shining for me from afar, cleansing my mind with God's love as I abide in the call of His dove."

It is I who announces my return with the authority that I did earn, and the message of the bright morning star is your proof sent by Father from afar.

The reason as to why I return to bring the New Doctrine from our Mother and Father at this time is that over the last two-thousand years, man has wrested the scriptures unto his own destruction, and also, it is only now that simple man has the educational qualities to understand the message with its "**bitter**" implications, and has also a "common" language and the communication systems available to spread the message over the planet swiftly.

Prayer of the Lord

Oh, Father of heaven, I pray to thee. Please make me whole please set me free. Open my heart and allow me to be released from all negativity. Help me Father, to clearly see your love that flows so free.

Help me please to deeper understand the incredible magic of your invisible hand that guides us daily from above with its unending ceaseless love. Help me please the reality to see, how via your star we are set free.

How in the belief that Jesus was true, via the star your direct love flows through to help us heed your word in the coming test, when your will upon us all is impressed.

Oh, blessed Father of all that be, at this moment I adore thee, and acknowledge that you are the Lord of the heavens, and I'll abide in your Word.

~ Mother's song ~

My song is a song of truth and love, that echoes from the heavens on the wings of my dove, and the song is bright and deep and into every soul does it one day creep.

My song calls out: "Now's the time children, listen, the final bell does chime. Heed the sounds shimmering through from the heavens down to you."

My song is My final call, to see 'who' can now walk tall,
My song is clear and deep, heed it or you will weep.

My song calls out: "Please be true,
my children the needy rely now on you,
yes, the ones who heed my call,
they forever in heaven will walk tall."

Tribulation ~ Judgment ~ Rapture

THE TRIBULATION is the time any man is confronted by the swine, and depending upon what he does DO, shows GOD IF he is TRUE.

THE JUDGEMENT also is a personal thing, whether or not a man will in heaven sing. So in the tribulation one does SEE the Judgement that on each is to BE.

IF they believe in Jesus' message they are set free, for as a LAMB they died see. If they believe NOT **they retaliate**, THUS for heaven's door they are "late" and thus FALL below and thus the Devil get to know.

THE RAPTURE is those "blessed" because they PASSED the FINAL TEST, and as they "died" in the flesh their SPIRIT with God is enmeshed. THE GOD of LIGHT in heaven shining bright. Truly 'tis "up in the air" where GOD'S reality is laid bare.

So my children now you see IF you'd be a believer what is expected of thee.

NOT to just Jesus praise
NOT to just his name raise

But to heed his **message** and follow his WAY 'tis GOD'S TRUTH that is not hollow, and I the SPIRIT OF TRUTH BE. I SAY:

"HEED ME, for 'tis I sent by GOD to shepherd you all here on the sod. ANY who heed not ME rebuke Father and Mother who sent me, all who God now DENY by their OWN actions are deemed to DIE."

I AM the Prophet of GOD

CHILDREN, 'Tis I your God who does speak through Terence the Christ to all my meek calling out: "Please follow Me, show the way to your brothers and set them free.

The test is for them, not thee.
 The test is difficult but you'll stay free.
 The test is difficult but very short.
 The test is difficult with much danger fraught.

Have faith, I am with you.
 Have faith, show ME you are true.
 Have faith, you WILL return to paradise the eternal freedom you did earn.

Children you are daily blessed. Children my love is on you impressed. Children please try very hard to avoid giving in to the negative shard directed at you by those yet ill. Remember you are here to help them avoid a spill.

Just remember, it is by deed you are known and in the deed you have MY truth SHOWN of Forgiveness and Compassion every day, of Mercy and LOVE in EVERY WAY, non confrontation or retaliation as you go. Remember, you MUST the Wisdom of the Word SHOW."

I love you. I am now here to bring the reality of the Word again near, it is my ONLY Task for our God above who beckons all mankind to His heaven of love.

God bless you, yea, 'tis "I" who speak, 'tis I Jesus to all my meek. Gentle and kind you'll all needs now be so my darlings try hard to become free. Free from the thoughts streaming in, free from the thoughts that make you sin.

Look to my star now shining bright, look to my star it cleanses with its Might. MY star of light filled with God's love purges your minds with a mighty shove. Thrice times daily through IT call on ME, and my loving grace will purge speedily.

"Now to ME bow and bend to MY will, that's for those of you who remember Me still, and to the others who are bereft and berate you too needs prepare for the fast coming spate.

Councillors ALL needs be speedily advised about the MIND and how by Satan 'tis open-prised, all but all must now look to my star for it leads to ME with its power from afar.

God bless you children, 'tis I your God who sends these messages to you of the sod. Heed MY WISDOM and MY WORD too, for sure, for sure, I'll elevate the TRUE."

~ The Test ~

There is a test for anyone who'd reach the kingdom of the Sun, and the test that I do see shows up the ones with divinity. Being those who truly give with love, so others can live with a light in their heart that another gave them a fresh start.

For many I see, do part, as frostiness encloses their heart, and as the other goes their way, loneliness does have its say. Until the time does come when an angel appears from the sun, with a smile so wide and clear and a sparkle that draws them near.

Then the reach out and touch and the caress of the heart as such, and a voice saying: "**I am true I'd spend a lifetime with you.**" So another beginning is made and the past dug in with a spade, and a joyousness fills up the heart.

Truly 'tis lovely a true fresh start where there is no sense of misgiving just romance, pure Godly living. No need for old-fashioned "pray," **being loving is GOD'S WAY.**

I speak to angels

Is there aught that I need "say" or "see" as I walk the road today? For I felt the loving hand of angels in the summer land, and of them I now do ask to set me to deeper task by bringing in some mighty men who'll help expose the truth of this pen.

"Soon son, it will so be that more and more do come to thee, and with clarity you'll speak authoritatively e'en though meek. Look each one deep in the eye and say: 'Can you not espy the way the world now does go that proves the Truth I sow,' and tell them of the Fatherland and what by Father is now planned. Of the deep truth we did sow that in each heart must now grow."

For truly now each must choose to love or abuse, and their destination they needs see, the prison eternal, or the free, and tell them of the blessed wine awaiting all who help the "swine" by showing with a loving hand that they are of the summer land.

So any stalwart souls as such must "Prepare," and then reach out and touch the heart and soul of "man" in whom deep darkness does "span." Guide them gently to the light and hold their hands in the deepening night.

Wondrous treasures await the true that lovingly pull the needy "through" their darkness into light where they will see God's sight, and forever will then sing, joined eternally by God's wedding ring.

Ring of fire, ring of light
that IS the source of God's Might,
for below this flame lie the vain,
and dancing above it, those who did freedom gain."

~ Crucifixion ~

All soon shall "crucified"^{*} be, and thus, they "follow me" and become God's son or daughter because they "went"^{*} as a lamb to the slaughter.

Yes the darkness shall millions "crucify," for in the "past" they made "others" cry, and thus they attain "release" from their past debts and then eternal peace.

So now you see why you must NEVER make another cry. For "IT" the pain does "return" another day and it does you burn. So the "crucifixion" on the cross is the "shedding" of past dross.

Jesus did not for our sin "pay," he "died" to SHOW US the way that all one day do "GO" who the REAL TRUTH get to know, and thus, they walk calmly to their death of the "flesh," fearing not Satan's "breath."

For the "darkness" will "pass them by" for their "soul" is elevated up high by loving angels of the light empowered by God's Might.

So to you, you, and you, who would to your soul be true, pass THIS message ON about HOW our journey is WON. ONLY by the courageous few. ONLY by the courageous true who lay down their sword and mace and believe in their Lord of Grace, and after they crucified be do they finally get to "see" the truth of the living WORD as brought to earth by our dear Lord.

So IF darkness would you "crucify" in pain and you may "die," go calmly to your earthly death, this way you avoid Satan's breath. Those who fear to die retaliate I do espy, and thus do fall swiftly down and in Satan's arms they eternally frown.

So the crucifixion is for the few who to God's Holy Word are truly true, and one day they will meet ME in the paradise that eternal BE.

Each now must decide "where" you will abide, when from the mortal "flesh" you depart and your "spirit" makes a fresh start. For ALL flesh is of the DUST, that ALL this SEE is a MUST.

Jesus' flesh in heaven is not "found," as everyone it was dug into the ground. It is the SPIRIT that "rises" see, or, "falls into the pits" if it is to so be. MAN did all deceive, thus MAN is now to grieve.

~ The Second Revelation ~

The following revelations were received by
the author during the month of November 1994.

These revelations are from "above" direct to me from our Mother of LOVE, and this is what SHE does say as for HER my pen does sway.

"My son, My son, I would you see embraced in My arms eternally so that My face you would touch and feel My love and charm as such.

So for this time when you are far away My love flows via others your way, that is My touch that you miss so much, but My love still flows to you and as you know, through you too to all My children with whom I share My love and your blessed care.

So I now do say today more on revelation your way that it is I that is the LOVE, the Creator here above, and I embrace "My boy."

It is your Father who does all destroy who Me deny.

HE makes them all cry, and with HIM I eternally entwine for HE seeks My love divine for His needs he cannot satiate. He needs ALL MY LOVE and thus does berate any who would it share.

He demands ALL as His "ware" and He is proud and jealous too and His eyes see all, yes even you, and HE can naught "give" for His "demand" is to "exclusive" live.

That what you today did see IS the truth that be.

That HE IS the Power with eyes that do "glower," warning "any" who would "take" from HIM, HE will "break,"* and as all are MINE expressed from this land divine, any who take from others take from ME, and this folly Father does see, and His teeth do grind and powerful feelings unwind and He does ensure that they do it no more.

For He then exerts control over ANY who "out of bounds" stroll, and this all must understand in your far distant land, and only you did and can this see for you were the "first" through Me.

And you travelled into the depths below where no other since did go. Thus, the man of sorrows you be, for truly, only the depth of sorrow can you see.

And when you returned to MY land you decided to teach of the "underhand," so that others would "miss" that deep fate and feel "bliss" quicker as they would return faster than the time you needed to "learn."

Thus for Me does your love flow for all to see that forever and ever and a day you are the "Carrier" of My say, but, there are a few who to My "call" through you were untrue and they were "deeper" bound and hear not now My "sound."

For they heeded their Father's "Shout" that all "denying LOVE" they must "clout," and they obeyed "this" DEMAND, heeding not MY COMMAND.

And thus once again it is upon YOU to pass-on this message true so on IT can the whole universe "SUP" and thus quicker lifted up.

For those who fall now deeper "down" will for eternity "frown" as they feel the wrath of their GOD who destroys all deceivers who plod in any level of "OUR space," having forgotten their manners "OUR Grace," and thus Father's face they will see as once was seen by thee, and this the Second judgment be a fate you hoped they'd not see.

For the power of pain in Father's eyes burns the CORE of any soul unwise with the pain of liquid fire, and thus will uplift them also higher unto ME unto ME.

Reveal this son so all can IT see so they KNOW what is planned by the power of Father's "hand." Only IF they on our wisdom sup can our STAR lift them UP.

Oh blessed child come home soon, you so far away roam, and MY love would embrace thee and I would gaze upon your face eternally."

This is what my Mother does say to EACH of you who are astray, and to you, you, and you, in helping others you will help YOU, and Father too would that you understand what by HIM is planned.

That all who continue to wield a mace will see HIM face to face and their emotions will **BOIL**, reduced to the dust of this soil, yes, their spirit will "dissolve" as in **terrifying pain** it does "revolve" and when consumed by insanity and intense suffering will IT be set free and expressed out of our Father above into the MOTHER of love.

Thus you will get to know the INFINITE truth I sow, that you can travel back to the Summer Land along the pathway of the "**underhand**."

But, do not "presume" that you can control the "**consume**." For the heat of the eternal fire is more painful than a funeral pyre, and I now did speak THEIR truth from MY beak for I AM the beginning and the end, THE DESTROYER and THE LOVE end.

"My light still flows through now to My son true as he sits in My sight, inwardly awed by HIS Might, but his simple mind is calm not seeing his inner charm and that is how he needs be until all can him see when he returns this end and meets all who tried to be his friend when down on earth, all who scorned him not with silent mirth.

For some do see his power being LOVE, a beautiful flower that IS his rose inside, that IS hidden from all filled with Pride, and it is "they" he needs reach and MY "loving" truth teach as eternally I try to satiate Father here up high, who does me embrace, but eternally wields a mace far, far below, against all who MY TRUTH fail to sow.

So the blind will this not see. The blind My son I give to thee. Try, please try and open their eyes so they return with you to these skies.

There is a dawning of the "dark"^{*} that encroaches now upon any "spark"^{*} that has been, or is unwise, in that they did "love" despise.

Tell them that it "sees" its mark that is a "cut" in their "spark," and as their heart does bleed there is a withering of its "seed," and as it withers it starts to die and I here start to cry, for I would see no hurt or pain even though my children are vain.

So on your "water"^{*} they needs sup so they grow again and are lifted up by My power that is "WISE," seen only by your loving eyes.

Blessed son do what you can do to let this be "seen" by all souls TRUE. So they too heed My Command and their Father's Demand that ALL WILL pay if they heed not MY say to LOVE, as told by you THE ONLY ONE to us both TRUE."

Blessed Mother of love, is this the ONLY wish of your Dove, to pass this message on so all may their journey won? "Yes My son, you did IT all see, how and why and what IS to now BE. We here both await to greet the TRUE and those LATE."

By all written by ME will I "stand"^{*} even though "some" was by "my"^{*} hand, for MY Mother in heaven who inspires ME can my "conscious" limitations clearly see, and THUS try not to "disprove" anything I write, or it "move" into any other "position," that is a move of "indisposition."

As said, Mother will abide in my wish as I on earth stride, so whatever I have said to you to DO, WILL DO in Her lovely eyes. For She cannot any despise, so ANY who follow me or HER pen will BOTH set free.

For Father loves her true and certainly will DO whatever HER Command, even if it satiates not His eternal Demand, and thus do you see that only I as GOD BE, for none other than GOD can say "follow me" on this sod.

For IT was GOD who did through me "speak" even when my mind was "weak" through programming that did "slow" the truth they did try to bestow onto you through my limited conscious mind that as yours, was "once" unkind through programming you did teach, that did my "child's" mind breach. And now as I can "clearly" see, thus, I forgive thee, by saying:

"All I say may be heeded by you today, and, whatever you heed through my "pen" or my "seed" WILL guide you home so never again in darkness will you roam."

In the heavens above I hear a "Roar" as "delight" does outpour. That all have a chance again even though so many were vain. I reach now UP to all of you from the land of "Eden" down to the untrue, saying:

"You all have this final chance if you look UP and at my STAR glance. IT will guide you today if through IT you do pray IN the manner I did describe."

On either "method" imbibe, and Father will see that you "earnest" BE, and can show "respect" to the LOVE that HE does protect with all His power and Might. For HE shares not the LOVE in His sight with any who abuses another that HE expressed through "their" Mother.

For the eternal Pain THE FIRE IS the Father's DESIRE that the Mother's LOVE does "quench," and soothe the anguish that does "wrench" through the pain that does "stroll" through any that others "over roll."

So please now try and see that Father only sets you free when HER face you can SEE FULLY and clearly, which you only can when you understand what by BOTH was planned.

And HE does you snare. HE will not Her share until, as HER you BE, LOVE PURE LOVE, expressed eternally. Only then can you sit by Her side with Father the other side, and HE allows you to share HER love HE only shares with the TRUE.

So blessed sisters and brothers mine, this IS now the eternal TIME when all who were expressed "OUT" can return and eternally shout in joy and happiness too. For as I am will they be, TRUE, and they too will dance and sing with GOD and ME in the family ring.

You just abide in my light and stride exuding respect unto all, controlling NONE or you fall, and in doing my deed you heed God's seed, and Mother and Father above will anoint you with pure LOVE.

"So, Father would have it that you KNOW that you "Respect" and "go slow." If you "raise your hand" IT was NOT what Father planned. HE said:

"I WILL DO ALL the punishment, NOT YOU"

And, His WRATH mighty be, unseen by thee. This you must understand, for ALL POWER IS in HIS hand. IF you HIS power would USE, you are STEALING IT, and you lose.

For He CAN all see, HE is not blind as thee, for HE has the all seeing eye that Reigns Supreme way up high, and His "feelings"* way below he allows you to know.

IF you so choose you can "borrow" and others abuse, but HE takes all BACK in the manner of "Fiery flack," and HE cannot "bear" that any darkness even tries to in MY face stare.

So if you try and LOVE take, His binding "spell" will you take over and you bind by the Power of HIS mind, and you NEVER become free until this you do see.

So "look" before you "fall" at my Star that guides all. It is MY WORD flowing through My son, My star to you, and he says not "follow me." Follow only the LOVE flowing free.

So children, I you bless by this wisdom that does ME undress. Yes, I now stand naked before you and you'll all soon stand naked too before ME, yes ME and all humanity, all will their "arse"^{*} bare, all will "see" who tried to Me "snare," partake of My love ahead of My dove.

By trying to it steal their own fate they did seal. For My LOVE I do give in its fullness when you LIVE within the requirement of the WORD about: "DIE if you wield a sword." That says:

"You merciful be and I your Father will show mercy to thee.

IF you cannot forgive, in MY lower land will you live an eternity or more until eternal pain did outpour through you, through you so you forever know HOW to be true.

IF MY arrogance you would teach, IF MY arrogance does your mind breach, I shall not let you down, as me shall you eternally frown until I let you go to again try to let love flow from Mother through thee to those I send to thee to see if you are blest, to see if you can pass your test."

So to you, you and you, try and see your Mother's love TRUE."

Father says: "I own ALL, even thee, try not to emulate Me."
But from the darkness in His "weave" comes a voice saying:

"Don't believe. For you can become more strong than the Creator of the song, and you can 'love' deny that essences from out the sky. Thus all power I bequeath you if this call you believe too."

So you see my sister and brother we must abide in being a "lover." Only then does Father "see" that you "deserve" to be free, for you try not to "take" His with your rake, and he thus does leave you alone as a dog happy with a bone, and he permits you to love freely in any space above.

You please this try and see what I say to thee, for the "further" away you GO, more darkness within you does grow, and it WILL pull you down and you will thus more frown.

For more power will you seek, heeding more the non meek until one day you will see my say. For you WILL be blind in a Land very unkind and as there is naught else to do you'll remember this soul true, and as there is naught to see you will wish you had heeded me.

So please give your soul a chance, at this Testament please glance, and in IT abide, THUS is Father Mother by your side. For from their "face"* you walk away if you heed not this their say into the darkness far beyond the shores of the waving palm frond where the girls are meek but their love is not weak.

It flows through them FREE like summer wine eternally, and the men are strong, they know not any wrong, they but desire to uplift all even higher as they dance around to that eternal sweet sound that essences from above saying "Just love."

Every soul needs the “opportunity” to bask in the love that created them, and the “opportunity” is extended via this pen from our **Creator** above being our **Mother of love**. I pray that some will this see when released within of their darkness that be stolen from their Father above who owns all even the love.

YOU can the love “take” freely when you don’t a planetary mess make by mentally on others impose your will on them, and thus tread on Mother’s “rose” that does in each abide, even in you under your Pride. Once you can this see, truly GOD will be “with” thee.

For none can “against” God stand, for limitless is the power of “HIS” hand and you’ll only get to pure love know, your Mother, when you abide in their words that flow.

So once more I knock on your door. That you hear and heed I implore, for Mother and Father stand at my side observing which way you’ll now stride

You must learn to “share,” being the “Price” of the “Ware” that the Mother does freely give to any who in Father’s “Demand” live. **For Father cannot Mother’s love “share” with those who show it no “Care” towards HIS other children**, as expressed now via this HIS pen.

Yes I speak for BOTH, for both are TROTH unto each other, and I their son am your brother. Who says: **“They both speak freely and their “story” I tell to thee, saying:**

“Prepare the land; all now will see Father’s “Hand” raised with a “sword” against all who had not “heard” what it was I spoke before. For your “minds” were bound for sure By the Power of inner vanity and now you’ll face your OWN insanity and thus you MAY be set free ONCE you begin to heed ME.

MY son, tell all to be true to this My message flowing through you, tell them IT they must see if ever they’d see Me.

“Mother”

~ Father's WILL ~

Father's "WILL" be done daily under His spiritual Sun, and as Mother's LOVE does HIS DESIRE quench, on every "Realm" will there be a "stench" that reeks of "**FEAR**" that WILL draw out many a "**tear**" in the eyes of man and woman who did not heed "**THE PLAN.**"

And this "**fire**" is to all "**consume**" who did through "arrogance" presume. ANY detraction from my proof will not from Fear "stand aloof." **For this FEAR IS the DEED felt by all** who did not HEED my call to LOVE essencing from BOTH up above.

For God's TRUE light did speak humbly from his beak a long long time ago and said, "**I THE TRUTH KNOW**, but you crucified ME and thus set me free from my past when I was vain and **THUS** my spiritual freedom did gain.

For any who come down from "above" to help you to freedom with "love," first has to fully "understand" the power of the "underhand," and I did darkness "consume," and I did thus incorrectly presume that I could use Father's "hand" as I walked on this earthly land, and that "presumption" was given to me by Father so you could see what would happen to you IF you presumed too.

So now you do understand the magic of our "Fatherland," that a simple soul who does you "**LOVE**" can "return" as a DOVE with the wish to express our Planet's TRUTH and you thus bless, so that soon now on "your" day you'll see you'll needs do more than "pray."

You'll also have to stand "calm" fortified by our Star's "balm" and DO what I did DO, and **MY LOVE WILL** pull you through.

This my Father says to me is HIS requirement before you are free, and MOTHER say's HER LOVE will cleanse you "within" from above so that once free of darkness "inside" you'll find it easier to abide in Her Command to but love, and Father's Demand via His dove.

So blessed sisters you and you, and brothers who'll try and be true, I came here to hold your hand with TRUTH so you it ALL understand, and there is NO other way to go other than the WAY I did you show, for only when "**nailed on a cross**" are you cleansed of your past "moss."

Being your spiritual debt to humanity accrued during your "time" of vanity. As THE TIME does now draw near, prepare, and to **MY TRUTH** veer."

"Blessedness" I hear from above, "Be bestowed upon our sacred DOVE for fulfilling his quest so true, now it is up to you, you and you."

"IF you would any control you step upon their toe," and this little truth Father would let you now know, and any control but His power be, that you have "partaken" freely that you must "replenish," and He takes you to task, for nothing can you "**take**" from Father's flask.

For Mother says: "You must ONLY GIVE of My light and love if in freedom you'd live, and it is only here above that freedom does abound.

On every other level are controlling thoughts found. So My lovely children I call now to Me, see the light of truth and be free eternally.

There is no way you can do what you do and to ME and Father remain true. You must change your ways and not put out flack or for sure, soon, Father will your face smack. Stop the "forward" movement now of your control or soon, Father will you "overroll."

I hope My blessed children that this you will see for I would have it you return to Me, and now this is all I say via My dove today. There is naught for you to DO but show ME now how true.

My son, all were arrogant and did Me disbelieve, now their Father's wrath does them deceive and they will forever frown if HE manages to drag them down by the power of His "thought," His "WILL" that is by "control" bought.

For the "arrogant" use His "will" to control others, and they will now "spill" over the "lip" into the abyss below and then "His" control they'll get to know.

IT is very rough. IT is very tough.
IT is HIS Demand all pay for denying My Command.

My son, my son, I see you my son. My son, be now TRUE and pass this FINAL Wisdom on before each soul their journey done. Truly now the message is complete even you within feel "replete." Thus we bid you adieu and await you and all others true.

Mother - Father.

I thank you today for your Love and Wisdom sent this way.

I believe I am you
I believe and I will DO.

End of the second Revelation

~ Last call to the angels ~

Oh blessed angels of the light, please one last message to seal up tight this book through which you did speak for God to all His humble and meek, so they could fortified be at the END, when all would see God's truth and the Wisdom of God's Word.

Being the difference between kindness and the wielders of the sword. How the separation is done. How reaping is felt by every one. How those only who believe will overcome those who deceive.

Oh blessed angels, I do thank you for your loving kindness oh so true. How you daily fortified me and helped me to keep free and how my pen flowed on and on with the Wisdom from the ONE true God who reigns up high, who I hear now, does sigh.

A sigh of hope that many will believe this final message flowing through my weave, for God would have it that many souls true would at last to heaven flow through.

Blessedness to those who my wisdom do impose upon their soul and on their mind, are forgiving and daily kind to their brothers and sisters too, who from now on may not be true for a time as feelings fly and they reap and daily cry.

Blessedness from God above, blessedness upon all who love the evil and draw them near, guide them with love when they fear.

Counsel them every day, fear not to help them pray for they will one day bless you that you for God were true, for heeding God at the time of the test, not standing aloof thinking "I'm already blessed," for the test is for all souls who now must show God HOW TRUE.

For the truer you are the more you'll feel JOY in heaven that will unreel from God into you, your reward for being true, and this JOY endless be, it can inflow for all eternity.

So my loving sisters and brothers too, now from me it's over to YOU.

~ The Resurrection ~

The resurrection is not the promise, if you believe this then it could be the demise of your soul in the belief that you can continue to be a thief.

Jesus went "his way" spiritually to the light because he heeded God's say, and Jesus said:

Follow my way and God will set thee free

Today we begin to run, run on our return to the Sun. With joy spreading through the hearts of all souls true. Reaching out and gathering up others to join the last sup. Happiness like never before, soon we've reached the door.

My darlings, I reach out to you, just for this moment be true. My love spreads to you reminding you to be true to our sisters and brothers too who rely now on your love true to guide them and not stand aloof, for you are God's proof.

Now is the dawning of the Golden Age a time in history when we turn a page, time will fly now on the run as every soul makes a streak for the sun.

Feelings rise and feelings fall affecting both the weak and tall. Some will make it and some will not, some to fly and others into the melting pot.

Glory, glory be to those that stay free, free of inner compounding negativity. Bless you children, do your best, 'twill be but a very short test.

God's good angels here at last to help you all your test pass. Look to the son as you go your way, HE will brighten up your day.

~ Disciples ~

A disciple is a person of any race or creed
either male or female of the Godly seed.

One that knows the 'truth of God' that we must LOVE.
One, who knows the truth that God, is Supreme above.

One who needs not say "I'm especially blest and thus 'tis only I am empowered to wisdom "impressed." So a true disciple of the Godly seed is a calm quiet soul having no inner greed. One who goes their way helping others on this earth. One who goes their way dressed as others as they plod.

"So any girl or boy." I hear from up above, "Can impart My blessing which is mercy and love. So any of you others who know not this truth heed now this call through My dove My proof."

I call out now to each Godly child, whether woman or man within mild and say: "Please hearken to this pen eternally guided by God and their chosen. Daily now via our star pray and God's love and Wisdom flows your way. Help all you meet to face their test this way you complete your quest."

God through me now beckons you saying:

"My darlings please be true
My love flows daily to you
My blessings also essence through."

So by love now are we all bound to help others with minds yet unsound, 'tis but for a very short time I do say.

"Be Courageous," from heaven does sway.

Forgiveness is now the key to all
forgive everyone - or you will fall
"Forgiveness" - is what God said
then "Peace unto all, and you me wed."

God calls out: "Heed and be freed"

The Creative God of light and love sends planet earth now all Her love. Christ the King has returned once more and does again grace earth's shore.

"Heed the Word" is the cry from above,
"The Word of God with all your love."

Those that believe the truth of this pen, will be as Christ, GOD'S heavenly children. Each now is free to choose to fly or to abuse. I lay now my pen to rest saying:

"Love all or fail your test."
Love means "share"
Love means "care"

Love means: "Give" your "time and wisdom" so others can happier live.

Love means: "Reach out and touch" saying "I care for you much,
I will help you along your road, thus do I share your load."

Love means: "I see past your negativity,
and thus I do not you "deny" my light so you deeper "cry."

Love means: "Today I pass-on the say, the message from God to all on this sod."

Love means: "I do all for the light and am thus true to any I do meet."
"In the light" I do them greet."

Love means: "I forget that others made me fret."

I see each day as "fresh" and my love and light does thus daily enmesh. Any darkness in me by my **love** enclosed be as God walks by my side helping me my darkness "hide," and **God's love** within me will one day set "me" free of darkness deep within, so none ever "feel" my sin.

Love sees all
Love helps us "walk tall"
Love has but one cry:
"Do not me deny."

Terence - the Spirit of Truth

Glossary (1) of the spiritual meaning of words:

Virginal - Pure love, pure soul free of negative energy.

Celibate - Married to God, and thus "**Only loving.**" in ones expression.

Chaste - Abstains from expressing darkness.

Deception - The Deceiver in the guise of a friend.

Temptation - The "thoughts" of the serpent, giving one a reason to deny the call to "**Only love.**"

Seduction - The **mind** being **seduced** into "accepting" any reason to **deny** God's call to "**Only love.**"

Evil, darkness, - The negative energy **essence** (sin) that is "drawn-in" to the soul during any negative expression by **word or deed** (action) contaminates the soul, and **through** which negative thought **enters** the mind.

Supping on the fruit of evil - As the person "expresses" darkness by word or deed they are "supping" of evil.

Contamination - Absorption of darkness into the soul whilst "supping" on evil. (Results in the enlarging of ones inner sin).

Immoral act - Any expression that is not **loving, understanding, compassionate, forgiving or merciful.**

Sin - The negative emotions within any soul. "Fear, anger, greed, hatred, jealousy," etc.

Sinning: Abuse of others through "supping on evil," in heeding dark thoughts.

Sowing: Is the positive or negative expressed deed **by** any.

Reaping: Is the karmic return of past deeds **to** any, being:

The **just rewards of love** - or - **pain and suffering.**

A Reaper: Is an ignorant arrogant person (non-believer) who has heard not God's call to "**Only love**" and takes **retributionary action** into their own hands. It is the serpent who gives us a reason by "thought & feeling" to "deny" the eternal call of God to be **Forgiving and Merciful.**

~ Bondage ~

Bondage: The Soul is bound and confined in the darkness in the after life, and is the control by darkness over any soul, being the volume of negative energy "negative emotions (sin)" within any soul, through which the Darkness does "speak and operate, by word or deed" and by which it "drags" a soul down to its lair.

The more negativity we draw-in by negative action, the courser our "energy vibration" becomes, and the "darker" the soul is stained, and the lower we fall in the afterlife. The "ingress" of darkness can be eternal, and is only "Halted" by the act of "non-retaliation." Any "sin" within allows us to be "used" by the darkness, being the reaper. Thus, any negative expression by us IS the darkness in action through us on earth.

I.e. the **Reaper in action** through the ignorant.

During the "time" of bondage in the after life the mind of that spirit is constantly "assailed," permeated by intrusive tortuous thoughts that continue on in perpetuity with no surcease. The spirit has lost its freedom of choice and is thus bound in eternal serfdom and suffering. For it is "used to abuse" and thus is itself continually **abused and suffers eternal torment** brought on by **frustration, sorrow, isolation and pain.**

~ Freedom ~

Freedom: The Soul roams free in heaven on leaving the flesh.

The free expression of positive energy through any soul is their inner core of divine light in action through us on earth. The brighter the light, the greater is the capacity to express love, truth and compassion. This Inner Light is only "free" to "speak, by word or deed" and express its full truth when all "darkness, sin" has been drawn out of a soul. The varying amounts of darkness in souls is released only by the grace of God.

Only the "free of sin within" souls rise into the ultimate level on leaving the flesh. There are many levels between the highest and the lowest. Access into any level is determined due to the vibration of the essence that is the soul.

The vibration of our soul alters due to our expressed actions.

Freedom of the soul means that the mind is impervious to any negative intrusive thoughts; it is inspired to a never ending upliftment through fulfillment of its positive inspiration. Its expression is only 'loving,' thus it is loved, and loved and loved. Its feelings of joy and fulfillment are boundless.

Non-retaliation: Is the suppression of negative thoughts and emotions to the extent that "they" direct you not into any negative expressed action. The "action" may be in more than one way.

If you are being "confronted by words or deeds" that are unpleasant, then non-retaliation means: keep silent and raise not your hand in retaliation. ("Go" as a lamb to the slaughter).

If someone you know is doing something to or with another party that you "think or feel" negative about, i.e.; you think is wrong, then non-retaliation is simply: suppressing those thoughts and feelings, and saying and doing nothing, unless, you are able at some stage to offer help or good counsel.

Sacred:
Sacred site - Divine Holy Place - Holy Grail.

Your "Inner divine spiritual Light," is the only sacred site. If you try and protect it with negative "Might," one day you will fall into the dark night. Your sacred divine light becomes "clouded" when you deny God's call to "Only Love," and thus you "employ" darkness as you others abuse or destroy, clouding your light with more negative energy, "sin" drawn in.

I speak on: Marriage - divorce - adultery - illegitimate children.

Marriage is: a "contract of love" inspired by God above.

"Man" has through religion deemed, that children born "out of wedlock," as **illegitimate**, i.e.

It is illegal to 'mate' if not 'licensed' by Religion or State.

In God's eyes, this is pure "adultery" of Truth. **All are God's children**, "Legal and loved by God." We must all "divorce" our "Minds" from the "Dark force" in saying:

'til death do us part, I from darkness will "stand apart."

Sacraments:
When you have:

"Heard" the call to "Only love."
"Seen" the reality of God's call of "Forgiveness."
"Heeded" the wisdom of God's Holy word by "Deed."

Thus have you "supped" on God's "Bread" and drunk of the "living water of eternal life," and thus, have you been baptised and consecrated by the Holy Spirit.

Heaven: The ultimate realm, of pure light, no darkness.

Resurrection: means: The Spirit soul enters the ultimate level of light, heaven.

Your soul - is only "resurrected" when free of sin, matters not whether it is "out of the earthly flesh" or IN, it can ONLY to heaven GO when its "fleece" is as "white" as snow.

Fasting: Abstaining from supping on darkness, (negativity).

Faithful: True to God's Word: **Compassionate & Merciful & Forgiving & non-retaliatory.**
