

~ **Tax & Evil** ~

&

The 'correlation' thereof

page 1 - 'Evil' and ITS true 'hidden' nature

page 4 - Revealing the true nature of 'Tax'

page 7 - The Dark Power of man's Court

In order for you the reader to recognize how **Taxation** and **Evil** walk 'hand in hand' I have written this document in an endeavor to show you firstly the power and capacity of Evil, and then show its correlation to Taxation.

I will also refer to the words: "*Evil only flourishes when good men do nothing.*"

Evil is in fact an invisible DARK *powerful & destructive* energetic '*force*' which flows invisibly through the user as IT drives them mentally and emotionally to use IT in their interaction with another.

IT governs and thus controls both the user and their 'victim' in a **coercive and punitive** way which brings about **loss, injury, deprivation, desolation or suffering** upon the victim. But it is so 'cunning' that the user is totally unaware that they will become ITS victim at the hands of some other equally arrogant or ignorant mortal in this realm or in spiritual realms in the after-life.

This Dark (evil) force does have the capacity to hide behind an invisible facade to the point, that the user of 'evil' (IT) is in fact unaware that they are IT in action because, IT blinds them with ITS '*Justification,*' and thus they actually believe that their negative, *controlling or extortionist (taxing) or punitive* deed (interaction) is somehow *benign or good or honourable or 'just justice.'*

This DARK energy demands absolute CONTROL of EVERYTHING and EVERYONE living within ITS 'precincts.' (Outside the pure Light of heaven)

The DARK via ITS earthly minions says:

"Do as I tell you because I so command and, it is for your own good and, - - - if you do not obey ME the invisible energy essence then I will punish you, destroy you, banish you, impoverish you and cause you ongoing hellish suffering because as said, - - - I AM THE AUTHORITY whom you elected to be your Master."

Those in positions of earthly POWER use the 'force of arms' (ITS 'evil' Dark energy) to coerce you into supporting ITS 'ways' as you in total 'ignorance' fund the coffers of ITS earthly forces.

Neither ITS 'operatives' nor 'you' seeing that it is through your support of ITS ways that you in FACT have been *deceived*, as it is NOT for your own '*good*' because, within ITS absolutely JUST '*eye for an eye ~ as you or your servants do unto others will be done unto you*' LAW, you pave your own way to ongoing and ultimately, eternal suffering.

Try now and understand that the DARK of itself is NOT 'evil,' for it simply IS what it IS, and is in a way thus similar to a 'snake in the grass' or a 'bush fire' or 'acid' in a bottle of glass.

The snake is 'invisible' and the others are not but, if YOU do NOT 'touch' any of them, then you will not be subjected to any *pain or injury or loss*.

They each have their own particular 'nature' as does the Dark destructive ENERGY of God the Source BUT, the Source has at ITS 'disposal' infinite intelligence which YOU do not have, neither can you comprehend the 'magnitude' of ITS *infinite* powers.

The Dark *energy* of the *Source/God* IS the *force* we term 'evil' because, when we use IT we cause *harm* to others, and when they use IT then they cause *harm* to us.

This Dark 'evil force' is:

Infinite - Power
Infinite - Control
Infinite - Subjugation
Infinite - Intelligence
Infinite - Cunning
Infinite - Deception
Infinite - Knowledge
Infinite - Patience
Infinite - Insight
Infinite - Persuasion
Infinite - Coercion
Infinite - Malice
Infinite - Callousness
Infinite - Mercilessness
Infinite - cruelty
Infinite - Temptation
Infinite - Perversity
Infinite - Corruption
Infinite - Justice

Within ITS 'mass' lies all known and unknown *negative emotions*. This infinite mass of energy of ITSELF is 'untouchable' and indestructible. It IS in FACT the energy of God THE FATHER. When you use IT you have 'opened 'Pandora's box.'

The use of said ENERGY is forbidden by God THE FATHER because He knows that IF you are so arrogant and foolish as to defy Him and use His 'energy,' then you will by IT be *deceived* into believing that you have the RIGHT to be 'as' He IS, THE AUTHORITY, with the divine RIGHT to **RULE** others using HIS infinite Power. (Force of arms.)

Yes, the 'evil' that exists is simply the USE of the forbidden to 'eat' fruit of the Tree of the knowledge of good and evil. Once you have 'eaten' (made use of) this energy, IT then has 'touched your soul' and contaminated IT (your soul) and, IT (HE God) seeks to keep you *deceived* so that you do continue to support ITS **punitive, controlling, subjugating and taxing** use, and you eventually 'die in your sin' because, you HAVE shown HIM of your 'worthlessness' to LIVE in His **Light**. It is HE who becomes your ENEMY.

How do you continue to suffer and accrue more darkness within?

On THE DAY that IT seeks to 'return' to your table in order to balance ITS 'Scales of Justice' which would set you free, IT then justifies you in *retaliating*, and you then AGAIN use ITS *destructive power* either directly or via your paid '*armed forces servants*' to cause *punitive harm*, and in SO doing, you draw IN more Dark energy which coarsens your inner vibration and draws you further away from the **Light**. (Down you GO)

So let us now try and override our programmed consciousness with ITS deemed 'Right to fight or to defend or invade' etc., and use the word 'unreasonable,' for if you are UNABLE to REASON and thus **comprehend** what I say, then you will be unable to RECOG your minds 'eye' which you need to do to become **WISE**.

God's essence is comprised of both **DARK** & **LIGHT** energy. (Negative & Positive - Constrictive and Expressive - Destructive & Creative - Enslavement & Freedom - Deception & Truth) Both aspects are absolutely brilliant, all powerful, all knowing and totally indestructible.

Use either of these energies in your interaction with others, and the energy used with ITS 'unique' qualities 'balances' ITSELF by returning to YOU the user VIA some other at a later time or instantly, which ever IT so decides to do. "*As you sow so shall ye reap.*"

Evil is all about control, force, coercion, punishment, greed and all consuming POWER. It is totally 'Dark & corrupt,' and any 'good man' seeking to "*Do something about IT*" simply gets dragged into ITS 'spiders web' of *deception*, and they lose their way in ITS 'maze' of infinite possibilities as IT 'entices' them to be IT in action in their attempts to *destroy* IT. For in so doing, one becomes IT in ones interaction with 'evil' others.

For Evil to 'flourish,' IT needs people who support IT, condone IT and fund the 'wages' of ITS servants. (Taxation backed by force of arms)

~ TAX ~

What is it? Why is it 'evil,' and what must be done about it?

In the eyes of government legislation a 'Tax' is a 'legally' demanded revenue of fiscal dues **imposed** by said legislation which was 'invoked' by 'someone' for the purpose of gaining power, wealth, and the means of controlling the masses.

It is your **compulsory** monetary contribution 'due' or *contribution* towards the 'protection' and support of you the individual by said 'government' body.

In the eyes of the **WISE**, a Tax is solely an *extortion* attempt backed by a *coercive threat* implying that IF you 'resist,' then you will be *punished, impoverished, jailed, fined, sold up, banished from society by jailing* etc., and this CRIMINAL activity carried out by State judiciary and their enforcers is backed by 'devilish' FORCE OF ARMS.

In FACT it is Evil in action as it is 'someone else' telling you how to live your life and using God's DARK **destructive** ENERGY against you if you do not comply in servitude to their demands.

To TAX someone means: "**To enslave them as 'serfs' who carry out life long hard labor.**" The end result being, that a great portion of their 'sweat' is extracted in the form of 'earnings' which in FACT are STOLEN. Simply put, a 'Tax' having been so 'legislated' into written TEXT is thus 'legitimized' **ROBBERY** by armed men.

This extortion does in FACT keep a person 'bound' to servitude to some other and, in most instances this causes the enslaved one 'hardship' and ongoing mental and emotional stress caused by their impoverishment and, due to the taxing demands it also keeps them working long hours and destroys their family life as they attempt to keep up payments and NOT suffer the consequences of 'failure to pay.'

In fact the use of force of arms to 'back up' legislation with ITS never-ending additional Taxes is simply the VAIN, arrogant and ignorant making use of God's DARK Power as they find 'reason' to believe that you are one of their 'people' to be used for their 'ends.'

No 'informed' or sane or wise person would 'give in' to an extortionist attempt and thus they would not 'pay' an extortionist their demands.

Regrettably man has been 'born' into slavery and thus 'accepts' IT as NORMAL, and also believes that IT is 'freedom' simply because he has the freedom to 'vote.' None seeing that it is irrelevant as to 'who' heads the house, for either way, their mind becomes possessed by fantasy as they perceive themselves as 'god' to be adored, adorned, and all powerful.

The taxpayer AND their 'superiors' the emperors, kings, queens and their magistrates and counsellors are all in the same 'boat.' For ALL are bonded and bound by the invisible **DARK energy**, and all suffer the same 'abysmal' fate in this OR the after-life as IT the Dark *imposes* ITS absolutely 'JUST Justice' within ITS 'eye for an eye' immutable superior Ruling LAW, - - - for their atrocities. No mandate nullifies God's Law.

I can and do state quite categorically that ONLY those who INDIVIDUALLY halt funding Taxation demands will set themselves FREE from eternal slavery, damnation and suffering.

As for the words "*Evil flourishes because good people do nothing,*" I add that EVIL only flourishes because people condone IT, support IT, and by 'taxes' keep IT in Power.

Let the 'good' men this SEE and set themselves AND the 'evil doers' free by educating them and, we must all NOT fund any person or institution which uses the 'forbidden by God' to use Dark Power. (Force of arms)

I personally do not 'vote' for any mortal man, nor I do not wish to be 'ruled' by any mortal man, nor do I need to use the protection offered by mortal men as I rely on God to be my protector, and I do not pay the wages of armed forces by 'tax' as I do not wish to be complicit to their *atrocities*. I am an *absolute pacifist*.

To halt the progression of evil one must simply recognize IT. One must also re-COG ones mind and do NOTHING forceful to IT. For if you are so foolish as to do that then you the individual ARE using IT, and will be 'touched' by ITS energy which will stick to your soul as a 'fly' to a spider's web.

Taxation is EVIL because it 'consumes' everyone complicit because IT is backed by **coercion**, (threat of punishment for non conformity) and the moneys extracted are used to attain deeper **control**, more **intrusion**, more **punishment**, more **extortion**. All backed by **force of arms, war and killing** etc., all anti-God activities.

The 'elected' officers of State by THE PEOPLE have become THE ELECT who unknowingly **subjugate, control, impoverish and punish** THE PEOPLE for and on behalf of God the '**Dark Sovereign Power**' and, - - - due to the complicity of the voters and taxpayers EVERYONE is kept in bondage to the DARK Power in a never-ending downwards spiral to HELL.

All users of God's DARK energy are so blinded by IT and ITS awesome Power, that IT also easily blinds them to THE FACT that IT not them is GOD and, that any who use this **forceful and destructive** energy of God HAS a karmic comeback because, IT not them is **THE LAW**.

~ The DARK Power of the Court of man ~

What is the Power of the Court and what is the 'authority' granted unto Judges?

Let it be clearly understood, God is both the **creative LIGHT Sovereign Power** as well as the **destructive DARK Sovereign Power**. (Benign and malignant)

Let it also be understood that **IN THE LIGHT OF HEAVEN** there is NO 'Court' to 'try' or 'judge' the conduct of mankind, for all therein ARE a 'delight' in God's sight, and ALL are 'lovers' who obey the Command to go their way in peace and love one another, and all are merciful and compassionate and there is no need of 'forgiveness' for none offend any other.

The Court of man is a Domain ruled invisibly by the Dark energetic aspect of the Source, God. He is the Dark Sovereign Power who uses legislators and judges and enforcers as His 'tools' to mete out divine **PUNITIVE retribution** (karma) within His **RULING LAW** against all and any so foolish as to have used His Dark energy in their interaction with His other children of any race, colour or creed.

Thus if you have stolen an 'egg' and lose a hand by the judgement of the magistrate, it would appear that God is unjust. That is the error of man's thinking for God is infinite Justice.

The legislated 'text,' - - - is simply the MEANS whereby a man who was '**tempted**' to steal the egg in the first instance, - - - by the POWER of God's Dark deceptive thoughts, is as said, the MEANS whereby the individual who stole the egg can BE dragged into the court and receive his 'Just' dues for some other past time when he caused the same or cumulative **injury** to another, be it in this life or a prior life in another realm pre-birth.

Magistrates and judges are given a 'text' leeway 'discretion' when meting out judgments. Hence the reason why some individuals appear to get off lightly and others not, for the same offense. This is simply because there are different karmic processes (debts to God) owed by individuals, and the 'sentencing' inspiration entered telepathically into the 'deliberating' mind of the Judge who then came to a 'conclusion.'

When a judgement is 'contested' and amendments made, it simply means that during that 'case' more funds are 'wasted' by all and it is probable that the one appearing to be set free has in fact simply had his 'karma' deferred by God for an unseen reason. A reason that for sure is not to his ultimate benefit.

As most 'judgments' are accompanied by punishment or loss of funds etc., and all backed by force of arms, it follows that the 'combatants' have been merciless or retributive or unforgiving, and thus everyone complicit simply accrues yet another spiritual '**due**' to the **Source** who has designed His Court to keep ALL on His 'hook.'

This 'document' article was inspired by a \$200 million 'super tax' imposed upon a mining company whose CEO believes it to be an 'unethical' imposition, and this he bluntly stated was 'EVIL' in action.

IF this CEO simply ignored the demand and got on with his day, then the Taxation office would take 'him' or them the organisation to court, and they could then 'rightly' defend themselves.

If they are so 'foolish' as to themselves seek 'redress' through the High Court, then in fact, they are in fact placing their 'bet' on some other person (judge) and relying on the conclusion of the judge to be their 'decision' rather than sticking to their own decision.

Any person taking the matter to a 'Court' are in fact seeking to 'bargain' with God, and they then are already in *error* for defying God's '*forgive*' Command and, - - - because the judge can only consider the rules of engagement (standing orders-rules-decrees etc.) or prior judgments and, - - -

As the instigator of the Court 'action' has defied the Command, then they have shown God that their 'actions' are NOT 'peaceful' and, - - - thus they cannot 'claim' immunity within the Freedom of religion Act 'context' because, IT is dependent upon a person being an absolute pacifist.

Thus he (the Judge inspired by God) may very well RULE against the mining company who then have not only wasted a lot of money, but they may also by the 'judgement' be coerced into paying something which they KNOW is an EVIL *imposition* according to the ideological belief and conscience they 'wish' to follow and display.

So to remain 'true' to ones 'pacifist' beliefs and ideals, one never takes another to Court. If the taxation office takes Court action which 'finds' in their favour, then it is a 'case' of an opposing religion (ideology) being *forced* upon the mining company officers in contravention of the Freedom of Religion ACT. (*Anarchy thus reigns*)

So 'what' would I do? As I have stated that as any *imposition* is contrary to my 'conscience,' then I must refute it and refuse it in totality. Thus in the 'first' instance I would never TAKE anyone TO Court, for as said, by this 'act' I am already in defiance of God's '*Peace, love, mercy & forgive*' command.

I would simply ignore the Tax *demand* and for a 'await' for *punitive* 'fine' to land on my plate and, in also ignoring that, I then await a Court a summons. On that date I would simply place my 'case' being a 'Statement by submission' to the Court, and the supporting 'Freedom of Religion Act' within IT would sit on the plate of the magistrate and await his opinion as I have done many times in the past.

If in a magistrates court I was advised that I would have to take the case to the High Court so as to answer the 'Freedom of Religion' clause, I would advise the magistrate that within his duties it was his 'job' to first check every 'case' against the Constitution before proceeding.

Ref: Extract from: http://www.peo.gov.au/faq/faq_23.html - 23.1 What role do the courts play in Australian governance? Australia's system of courts is the third arm of Australian governance and is known as the Judiciary - The role of the Judiciary is to:

- apply the law as made by the Parliament
- where necessary, interpret the laws made by Parliament
- ensure that laws comply with the Australian Constitution

One thing IS FOR SURE, if the matter went against me, I would still PAY NO MONEY to those who used the court of man to try and **coerce** me into paying what I believe to be an 'unconscionable' *extortionist demand*.

What then? Simply take and '**suffer**' the next 'court option' which would be backed by FORCE OF ARMS. For by NOT 'coughing up' any funds, I would NOT be funding *iniquity* and NOT accruing a further spiritual **due** 'payable' within God's RULE of LAW.

If their 'second' *forcefully imposed* option was to *seize* and *steal* or *shut down* or *incarcerate* me, then THAT would be an *imposition* by God to set me **FREE** from some PAST time when I had defied God and was complicit to the 'same' punishment being *imposed* upon others.

God via the mind of the judge will 'overrule' the 'Freedom of Religion' clause if you have a 'heavy' outstanding due to HIM. If not, then He via the mind of the magistrate will 'permit' the use of said 'Act' and set you free from the tax payment demand.

The DARK energy of the Source '**justifies**' the ongoing use of HIS forbidden to use Powerful Force not only to destroy a person's 'faithless' seed, but to IMPOSE His punishment upon those deserving of their 'fate.'

Funds from business profits must only be given/donated towards *education, humanitarian* and any other *benign* community effort or, to any private venture which of itself is operating within the precepts of God's "*Peace, love, mercy, compassion and forgiveness*" Command.

This document needs to be read in conjunction with the '**National Security ALERT**' paper found on line in book 2 of 9 for a deeper understanding. Direct link:
