

~ Important Public Notice ~

There is a reason for the escalation of family violence and rising planetary aggression, terrorism, and unforgiving retribution taking place. It is caused by the psyche of man being attacked telepathically by a very Dark Alien Race of Spirit beings causing:

Armageddon of the mind

The reason "*why*" they seek to destroy humanity by turning man against man, and by 'Suicide' man against himself, and "*how & what*" to do to 'stem' the invisible invasion of thoughts into every mind, is contained within a message from the Source freely available at either:

< www.the-testament-of-truth.com >

or

< www.vision.net.au/truth/truth.html >

or

< www.the-testament-of-truth.co.uk >

This pamphlet is advisory only providing a brief outline only of the 2500 page message to humanity including a 10 page 'Brief Summary' of God's message for a 'quick' understanding.

This is a chillingly blunt message from the Source that each individual needs to read and come to a personally informed decision as to its truth and validity for them.

It explains the process of Minds under Siege, being the subjugation of our minds by negative thought intrusion from dark realms of spirit, and much much more.

This message most importantly provides the wisdom from the Source whereby we can each prepare our minds and souls so we can remain sane, loving and caring when under duress.

~ The LAW of GOD ~

*You will "Reap" what you "Sow"
What you do to others will be done unto you*

*If your expressed deeds are negative you will become satanic
If your expressed deeds are positive you will become Christed
Those who deny my "Only Love" Commandment will be destroyed by ME.*

This is a spiritual message of TRUTH to all titled:

"The Testament of Truth"

THIS Testament is a message from God to the world.
It is the fulfilment of prophecy and is the naked truth.

It is the message which unfolds the beginning of the End. The swift escalation of the sword and famine that was prophesied would take place as mankind Reaps more quickly for past sinning Sown, after which, Peace will flow in and the meek will inherit the earth.

This document is the Correction of the Truth, and reveals the mystery of God and Christ's return, the true nature of Sin and the spiritual reality of Justice and Judgement, the reality of the message that Jesus came to earth to give mankind, and, the truth as to why he was crucified.

And gives the full explanation of How, Why, and When, the inhabitants of planet earth will be "attacked" telepathically on a mental level from within, and be mentally subjugated by evil souls on a lower level of consciousness (hell).

And how we will be used by them, to brutalise and destroy each other for a period of time in which insanity will prevail on earth.

It contains the WISDOM from GOD which will mentally fortify believers so that they remain sane in the process, and survive spiritually.

God's Way:

Your "house," being your spirit soul,
IS only standing on "firm rock,"
when you abide in, the WORD of GOD, being:

Love one another.

Christ's Creed

Heed me the son of God, and thus you fulfil God's will.
Daily 'turn the other cheek' - Strive to remain meek - Make no other cry - be forgiving for sure - be merciful unto all - believe that I am by God chosen - Peace unto all mankind - My way is the ONLY WAY

God's WORD & TRUTH

"Non-retaliation, lay down your weapons, be prepared to "go" (die),
"as a lamb to the slaughter."

Follow in Jesus' footsteps, by heeding the Creed above, by "deed," and I your God, will save you.
You will reap, what you sowed

Heed Jesus' message, that issued forth from ME.

Heed now this message, through Terence.

Once sinless, it is your soul "resurrected" into its birthplace, heaven, My world.

All are My daughters and sons.

My Wisdom, "through" Jesus, is the "bread," sup on these teachings through Jesus, and you truly sup on living water.

End

The CREED OF GOD

I am the source of everlasting love
I am the source of everlasting truth
I am the giver of all life
I give my all to those who heed my call.

~~~

The CREED OF CHRIST

The CREED OF CHRIST - does say  
"Heed me - the son of God today  
I say - make no other cry  
or my creed - God's - you deny

Daily - turn the other cheek  
strive daily - to remain meek  
being forgiving - for sure  
and be merciful to all at your door

Say - I believe that Christ's pen  
by Father God - is chosen  
to show me - the ONLY WAY  
that I can heed it - I daily do pray

I look to the bright Morning Star  
shining for me from afar  
cleansing my mind with God's love  
as I abide in the call of Her dove."

~~~

It is I - who announces my return
with the authority that I did earn
and the message of the bright morning star
is your proof - sent by Father from afar.

The reason, as to why I return to bring the new doctrine from our Mother and Father at this time, is that over the last two-thousand years, man has wrested the scriptures unto his own destruction, and also, it is only now, that simple man has the educational qualities to understand the full message with its "bitter" implications, and has also, a "common" language, and the communication systems available, to spread the message over the planet swiftly.

As the whole world now accelerates towards its final state of mass confrontation and destruction, it is I the returned 'prince of peace' who sends out God's final message for all to read and to 'see & hear' before they personally become embroiled in that never ending fight for what they falsely believe is their RIGHT.

This web site contains 'The correction of the Truth' on earth, being a fresh new insight that is an 'antithesis' and thus 'contra to' present understanding. For man believed falsely that he could continue on in his greedy, manipulative, destructive and punitive ways and not 'pay.'

This message is to prepare you for the soon coming total collapse of every 'System' of man on earth as CHAOS reigns for a time when darkness and terror and non-reasoning insanity becomes the 'Order' of the day.

There is a reason for the escalation of family violence and rising planetary aggression, war, terrorism, and unforgiving retribution taking place. It is caused by the psyche of man being attacked telepathically by a very Dark Alien Race of Spirit beings causing:

"Armageddon of the Mind."

Please therefore seed your minds with my wisdom so that you become mentally strong and can ward off the 'advances' of the Devil's thoughts.

When you hear my call harden not your hearts.

Those that heed not this message through me
will be bound by darkness and never be free

~ The Spirit of Truth ~

The reason "why & how" they access the mind of man, and why they seek to destroy humanity by turning man against man, and by 'suicide' man against himself, and "how & what" to do to 'stem' the invisible invasion of thoughts into every mind is contained within this 2500 page site.

Let it here be known that all mankind forgot God, and 'relied on' and 'trusted in' religion and the paternity of 'nationalism' using the strength of man's sword, rather than 'trusting in' and 'leaning on' the Holy Word of God that said: "*Peace unto all mankind,*" and each soul must now pay the 'blood price' for their defiance of God as they abused others, and man now faces:

"The Wrath of God."

Being emotional dark energy released by the invisible Dark Sovereign Power as IT imposes its 'cyclone' of hatred upon man through the 'Sin' and minds of the arrogant and ignorant who will become mentally intruded upon, and thus 'possessed by' and 'empowered by' its thoughts.

Since time immemorial man has been 'enticed' by the darkness to defy God's Command to: "*Only walk in peace and be respectful to all as all are MY children. If you defy this Command and trespass out of bounds into the dark shadow land and sup on the fruit of evil by causing others pain, then by MY darkness you will be enslaved and bound and it is you to suffer in perpetuity in the dark world.*"

As man was and is arrogant and 'abuses' others justifiably in his eyes, he 'invited' a similar dark return due upon himself under God's One Law that is 'Just & Wise.' For Man saw not that the ONE immutable Law of God has two aspects within the:

"As you do is done unto you."

Having a 'positive' Tribute return from the LIGHT for good given to others, and a 'negative' Retribution return from the DARK for any darkness imposed upon others.

JUSTICE

The perfect Justice of God's Law as now revealed:

1 - We reap what we sow at the time and place ordained by God, that we so do.

2 - Whosoever is abused and suffereth any pain, mental, emotional, physical, loss or more, let all mankind know that this soul did it to others before.

JUDGEMENT

And as for oneday when you stand a'fore the Lord
that's mankind's belief - not the true word
for 'tis we - who judge ourselves, see
and our judgement - is our destiny. (*spiritual destination*)

Your - Task is to do your bit selflessly, with faith, hope, compassion, and forgiveness in your heart.

Your - Effort is needed, to not become a part of what you see around you.

Your - Effort is needed, to remember Christ's words: "Forgive them, for they know not what they do."

Your - Greatest effort is needed within yourself, to overcome negative thoughts, rising up in your mind, and controlling your actions.

Remember - If you fail in the above, your thoughts will to varying degrees be controlled by invisible dark forces, and your deeds will become questionable, and beyond your control.

Remember - All souls are being tested and elevated in varying degrees.

Remember - The sin, negative feelings in all beings, are being brought forward to be cleared, in those in the flesh, and in spirit.

Remember - No confrontation, walk away from aggression.

Remember - Do not arm yourself, this attracts aggression, and lowers your faith threshold.

Remember - God is by your side, do only what He would do, and feel His presence with you.

Remember - To attain heaven, you must pass over whilst not sinning.

Remember - Retribution from our past sinning, will come from many hands.

Remember - Christ Jesus our hope.

We COMMIT a sin as the direct result of succumbing to negative thoughts, which enter our minds through the vibration of the sin force. The sin "force" is the "doorway" through which our mind is impregnated telepathically. It is the negative thoughts which activate the fleshly body to perpetrate misdeeds in God's eyes, in acting negatively, verbally or physically.

It is during the act of sinning that we are SOWING darkness, that we will REAP.

The sin force IS the dark energy of the Devil, and during the ACT of sinning, we are expressing negative energy at an intensity corresponding to the intensity of the energy flowing through the sin force.

The upper limit of the intensity of darkness that we can "outpour," will depend on the size, or "volume" of this dark essence within us. The different negative emotions within us have different volumes, our negative actions (the sinning,) have the express purpose of causing pain, and spreading deceit.

These forces are the original sin, which have to be experienced by the evolving spirit on its evolutionary growth path. And are implanted deeply into our souls in varying combinations.

The flow of universal LOVE draws these forces up through, and eventually out of our souls on a continuing basis, until the soul is free of them all, and finally purified (Christed soul). Having only light within.

~ The LAW of GOD ~

You will "Reap" what you "Sow"
What you do to others will be done unto you

If your expressed deeds are negative you will become satanic
If your expressed deeds are positive you will become Christed

Those who deny my "Only Love" Commandment will be destroyed by God.

For countless centuries man has been 'trespassing' into the dark shadowland as he vain man raised up 'Ruling Class' Systems that controlled and enslaved others and "Warred" against others for many a reason, thus all contravened the Code of Conduct given by the Sovereign Power of the Source, God.

Every 'System' of man is Ruled by legislated Edicts that are a dictatorial and Autocratic "Book of rules" that govern and enslave God's children through fear and coercion, and threat of fine or punishment for any non-compliance to its extortionist control.

These rules are used to extort funds legitimately illegitimately, for the rules made man into 'criminals' for any non-conformity. There is no Democracy or freedom in any land on earth as yet, for it matters not 'who' is elected as head of State, for all are still ruled by the satanic and controlling Books of rules.

The 'Rules' of man are not the 'law,' our God is THE LAW, and God is totally JUST.

Those of you whom were and yet are unjust are you all, for you all either 'Vote for' or support, or fund by taxation the anti-terrorist war, and you also condone the ongoing ungodly negative political way of 'arrogance, control of, regulation of, and 'fine & punishment' of man.

The Dark Sovereign Super Power unknown by man but revealed now by me, that upholds God's Law, is now to 'smash' and reduce to 'rubble' every warring and punitive System of man and religion that poses as 'good,' but in fact imposes its punitive & extortionist rules of control over man. All defy God's Code of Conduct.

The Dark Sovereign 'invader' is the Retributive 'arm' of God that imposes its 'Just' return due upon the wicked who were or are yet 'sinning,' being you all for your continued defiance of God's Code of Conduct that says:

"Only walk in peace and be merciful, compassionate, respectful and forgiving to those yet 'in sin' living."

Twisting and turning saying - which way to go
which side is true - the lesson we don't know
so I say to you - see it clear
'tis direct to ME your GOD must you now steer

HEED MY WORD - every day
HEED MY WORD - and daily pray
ABIDE BY MY WORD - is what I ask
ABIDE BY MY WORD - 'tis your only task

God's only Commandment

LOVE ONE ANOTHER

SIN: Is the seeds of darkness within the soul.

There are many different "sins" within the soul of an evolving spirit, e.g. *Fear - Hatred - Anger - Greed - Jealousy - Vengeance - Criticism and many more.*

This "energy," is drawn from the negative side of the universal energy source (destructive). And surrounds the light at the core of the soul, which is the divine spark of God. Being the positive emotional feeling of love, joy, etc - (Creative).

SINNING is - The act of mentally or emotionally or physically inflicting pain onto another person.

SINNING is - The act of taking by force or otherwise for gain.

SINNING is - The negative side exerting its control on earth and is the Reaper in action through the ignorant.

SINNING is - Anti Christ, Anti Love, Merciless & Unforgiving.

You cannot comprehend the catastrophic power of negative thought that will now intensify with destructive intent, insanity will escalate, non-reason will prevail. Do not underestimate the need to daily build the ARK of the MIND, as you will be tempted to retaliate.

GOD SAYS - MY LOVE IS UNCONDITIONAL, in that it outpours through both the just and the wicked. My FORGIVENESS is such, that irrespective of what you have done, you are always welcome home, either when you have fulfilled the Divine Law of "Reap what you sowed," or,

When you show me by your deed that you follow the way of your brother Jesus, and go as a "Lamb to the slaughter." Thus showing ME that you fulfil My call of Peace, non-retaliation and non-confrontation. May the Wisdom of this law guide you in your decisions ahead, in the knowledge of TRUTH and the wisdom of LOVE.

GOD SAYS - MY LIGHT again walks the earth, bearing MY WORD to all humanity. I ask those who have courage, who see or hear this message through My son Terence, the wielder of this MY pen, to help him spread this final call, so that all may be swiftly fortified with its wisdom and love.

Those that so do, are MY TRUE LIGHT BEARERS, to whom I entrust MY children, and upon whom will my blessings daily flow. I send MY Love, please try and believe.

The Shepherd's Staff

The Truth - is the crux of the core, being the message of the 'cross for sure - In that on your 'day' you must not retaliate.

The Light - is the wisdom from afar, symbolised by Christ's morning star visible in an earthly sense - to any that would 'recompense.'

The Way - is God's Word of peace - not the sword of mercy and compassion too - and only let love through

So the Staff of the shepherd is God's strength that is revealed to you at great length and IF on the strength of God's Word you lean then all inner darkness will God from you wean.

You are encouraged to seek the full and complete message to you from the Source that includes 13 Audio tracks to assist you, by accessing and downloading the web page text or by obtaining a CD of the full web content.

The power of God's dark invisible army is more forbidding and 'awesome' than is imaginable by any man, and it is more powerful than any army of men.

For it and its invisible spirit men know all your deeds, and it works from within your own mind or the minds of your perceived enemies as it turns man against man.

It knows not your 'language' of 'pleas for mercy' for its 'men' are merciless, and they only take telepathic 'orders' from IT the Dark Sovereign Source that inspires their minds and yours too if you permit it to.

No modern army or fortification or weapons will protect anyone or any country from the '*Wrath of God*' that each individual has allowed to descend upon themselves through their own personal negative expressions, believing them as 'The right way.' None can or will avoid their personal karmic fate, being their 'due' under God's One law for themselves or their 'servants' being untrue.

What none see is that all 'anti-terrorist' or legislated punitive measures are terrorism couched in a 'justifiable' disguise, through which pain and terror and destruction 'rains down' upon God's children from the skies, and through the legislated rules of society.

The 'Justice' of God is also absolute, so as any 'man' suffers and 'falls', let all men know that this 'one' caused the same pain and suffering to others before, either in this life or at another time and place before entering the 'flesh' of this Realm.

There are no 'innocents' outside Heaven, and any whom heed not my 'leaven' will pass Dark Judgement upon themselves and consign themselves into the Abyss.

Man is soon to be set free by me so that he can follow his own 'star' and not conform to the ideals or demands imposed by any other men, as he simply abides in God's Code of Conduct and shows respect unto all.

This planet earth is now to be claimed by the LIGHT of God me after the Dark Sovereign Power has done HIS self-empowered duty to Himself.

Those of you who cannot change your 'ways' to the positive of forgiveness & mercy & compassion will now be destroyed, and your souls will be confined to the Abyss for eternity, having enslaved yourselves to the Dark Super Power by your ongoing support of IT and ITS negative controlling ways.

Those of you whom would be saved by my LIGHT must now follow me and not fight. You must also stop funding any punitive system of man or war machine and lay down your weapons, and show God your 'Love' and share & care & compassion towards the lost sheep and,

If they seek to 'crucify' or abuse you then 'turn the other cheek' and go 'as a lamb to the slaughter,' for only this way will you become one of God's heavenly 'daughters or sons.'

True 'Defenders of the faith' of any race or creed will remain meek in the face of adversity as they trust in God, and they will not defend their flesh nor fight any perceived enemy, and they will extend peace and goodwill unto all mankind as they fortify their minds against the satanic onslaught in the manner as given by me.

None can 'appease' God with force; all that continue to fight will send their own souls into the hellish night. You cannot wash away blood with blood, only with the 'water' of forgiveness. For a 'quick' understanding of what is to be you may go to the end of this Index page and read the 12 page 'Brief Summary' of God's message.

Seek not the fleshly man for I am in a very deep disguise of a simple soul not very wise. Seek only the written Word of God that is given now to all on earth's sod by God via me.

Which is activated, by saying or thinking the following:

Jesus - I see your shining Star
Jesus - be with me
Jesus - please help me and save me

Those who believe not, that Jesus was God's earthly messenger, may either say the above or:

Creator of the heavens - Mother of love
I see your Star - shining above
please cleanse my mind with all your love
so I may heed your call of Peace from above

GOD SAYS - These prayers are to be said three times a day. MY Star shines for all, ALL are MY children.

GOD SAYS - The destination of each soul is at stake. YOU choose YOUR destiny, being your spiritual destination by YOUR ACTIONS. Any who are arrogant, and who fail through not heeding, will fall into icy cold darkness for endless time. This intense cleansing of the soul only takes place once every million years, and thus, the open window into heaven will be closed to those who fail, for this time span.

GOD SAYS - IF you believe that MY WORD, as brought to earth by Jesus and other brothers and sisters over time, as indeed THE REQUIREMENT BY ME, then you MUST SHOW ME of your belief through your DEED, cast aside all weapons, stand unarmed before me. NOW IS THE TIME, that MY WILL, will be DONE on earth as prophesied.

GOD SAYS- The earth plane is but a temporary residence, unbelievable wonders are in store for those who now TRY and believe this message. BE Courageous in the face of adversity, for it is at this time, that you are being tested. STOP causing pain to others, and become FREE.

GOD SAYS - I bless you all with this Wisdom, and any who make the effort and TRY, will be saved, and be elevated by My angels into paradise for all eternity when their fleshly bodies become uninhabitable (earthly death.)

GOD SAYS -Those of you who continue to deny my call of Peace and Love, will be confined in hell for a very long time. Bless all who abuse you, showing ME your forgiveness of THEM. NOW IS THE TIME to follow Jesus, and be prepared to die "*as a Lamb,*" if confronted by destructive forces. Thus abiding in MY CALL of non-retaliation, and thus, PASSING your test, in SHOWING ME your belief in My WORD.

GOD SAYS - Any heeding this call will be cleansed of all inner sin, and as Jesus, will become a CHRISTED SOUL. Meaning, of inner evil free, and will return to ME, at the time that your fleshly body becomes uninhabitable (death) in earthly sense. ALL who believe in ME must be prepared to help all who come to their door with food, shelter and love.

GOD SAYS - To abide in MY Word, evil thoughts must be kept OUT of your mind, this is done by building the ARK of the MIND. A barrier of love between the negative emotions and the mind. ANY who do not build this barrier, will become overpowered by demonic thoughts, and thus, you will become a puppet for the dark side, and used by them to destroy others, and thus as you die, your spirit will FALL into the dark fearful destructive pit.

GOD SAYS - As your Sin rises up within your soul, before it is cleared out by MY Grace, it shows its full power, and becomes very strong for a time, and it is of the UTMOST importance to fortify your minds before this happens with My WISDOM and also, keep daily cleansing the mind of negative thoughts by calling on ME, in building the ARK of the MIND. For when your emotions become very strong, it is THE TIME that invisible demonic forces can broach your mind easily.

REMEMBER - to be able to abide in MY Call of non-retaliation, and be Compassionate, Understanding, Forgiving and Merciful, you MUST keep evil thoughts OUT! . For if you heed evil thoughts, you are LOST.

GOD SAYS - The ONLY WAY to fortify the mind, and keep sane, is by building the ARK of the MIND, daily, with LOVE that flows when saying the Morning Star prayer.

Let it here be known that the spirit of truth has again entered the flesh of mortal man and has returned "as a thief in the night" for none can see his invisible spirit with its invincible might.

Let it here be known that this mortal man has raised-up a final message from God that stands in the heavens for all eyes to see who have 'that' capacity. And for these it is asked that they pass-on its wisdom to those whom yet in darkness or ignorance bask.

Let it here be known that this message contains 'material' that is contra the present 'belief' and understanding of mortal man but it is the plan of God that man be now released from his bondage to ignorance.

Let it here be known that 'religion' has 'sown' much discord between the various 'cultures' on this earthly land as none did understand God's 'intent' that any who 'had' heard the wisdom of the word needed only to 'pass it on' so that others could their salvatory journey 'won,' whereas man 'formed' sects that imposed 'rules' and demanded that man 'belong' to these 'clubs' before God would their sins 'outrub.' This is falsity.

Let it here be known that God is now to 'disown' every heretic being any who fail to 'turn the other cheek' when confronted by dark forces who will not be meek.

Let it here be known that earthlings will now be 'attacked' telepathically from within by a very dark alien force from a far distant land, and any whom do not fortify their minds with my fresh uncontaminated wisdom will be mentally overpowered by this demonic band and they will be used as its instruments of death and destruction and they then will fall due to their 'heretical' ways.

Let it here be known that God now is to 'place' before each 'sinner' their past, and any whom retaliate against its imposition will fail their test and be sent into the abyss to be eternally damned and punished by trial of pain and suffering for an eternity or two.

Let it here be known that much falsity has been sown by the Devil's "agents" over time, being those 'swine' filled with vanity and pride who do stride on earth in many a 'disguise' being men supposedly 'wise' whom were but wolves in sheep's cloth.

Let it here be known that it is the sacred 'duty' of every recipient of this 'note' to pass its content on to others so that they can make their own personally informed decision as to its validity to them.

Any whom 'decide' for another be it sister or brother show God their 'arrogance,' and they too will be 'subjected to' ridicule by very powerful agents of God whom will now stride forth across earth's land and adjudicate wrathfully against all whom defied their God's call of;

"Walk only in peace and be forgiving and merciful,"

And it is not for any to decide for any other as to the truth or falsity of anything.

It is the God given prerogative of every spirit incarnate or discarnate to decide as to the truth, and also as to their "way" as from today. Every armed 'force' on earth today has men of all creeds and all see not that their supposedly 'just' deeds are all 'foul' in the eyes of their Creator.

Let it here be known that the last battle for the soul of man is now to begin and it will be a 'matter' of thoughts within each mind, thoughts kind v/s thoughts of retribution that will bind any into dark ways if they learn not how to fortify their psyche against the coming intense satanic forays into their minds from dark realms below.

This is an insight into and Brief Summary only, of the 278 page book

## **The Testament of Truth**

God's Final message to humanity. This Testament is the living Word of God, being the "Correction of the Truth" on earth.

All spirits (Souls) that inhabit the fleshly material bodies of this level of consciousness (world,) are to undergo a swift spiritual cleansing within. Being the purging-out of the energy essence of their negative emotions (the sin) to a greater or lesser degree. During this process, all souls will have to face their past, REAP what they SOWED, meaning, whatever pain we caused to others, will now be done to us.

Souls will all show God by their DEEDS, as to their truth. During this time of separation, those that continue sinning (cause pain to others,) will be confined to a cold dark place (Hell). Those that have heard the call to love, and do not retaliate in any confrontation, thus following Jesus' call of PEACE, will go to heaven.

All souls are to now be separated, the Just from the Wicked, each soul choosing its own individual destination through its deeds.

GOD SAYS - I will now intensify the outpouring of my Holy Spirit essence to more quickly draw out the negative energy essence of your sin. Each time you abuse others, you draw in this negativity, that enlarges your sin (negative emotions) and counteracts my cleansing of your soul.

GOD SAYS - During this time of inner cleansing, you will all Reap what you Sowed at a faster pace. Whatever pain you have caused others to suffer, will be felt by you, at the hands of others.

In God's eyes, all are sister and brother, and what you have done and continue to do unto others, will return to you quicker and more frequently at the hands of others.
